**AUTHORITY AND REFERENCE**

Government Code section 12935(a) authorizes the Council to adopt these proposed regulations. The proposed regulations implement, interpret, and make specific section 12900 et seq. of the Government Code.

**INFORMATIVE DIGEST/ POLICY STATEMENT  
OVERVIEW**

This rulemaking action clarifies, makes specific, and supplements existing state regulations interpreting the Fair Employment and Housing Act (“FEHA”) set forth in Government Code section 12900 et seq. Two bills from 2017 — AB 1008 and SB 63 — add new sections to the FEHA that respectively “ban the box” by prohibiting employers from seeking criminal history information until a conditional offer of employment is made and enact the New Parent Leave Act (NPLA), thereby expanding parental leave rights at employers of 20–49 employees.

In compliance with the Administrative Procedure Act, the Council proposes to adopt these rules as duly noticed, vetted, and authorized regulations. The overall objective of the proposed regulations is to describe how the two new laws operate and fit into the broader context of the FEHA, primarily by centralizing, clarifying, and codifying the two statutes. This action has the specific benefit of clarifying new, potentially misunderstood areas of the law, in turn reducing litigation costs and court overcrowding. Ultimately, the proposed action furthers the mission of the DFEH by protecting Californians from employment discrimination.

The proposed amendments specifically do the following: (1) articulate the parameters of AB 1008 in an orderly fashion in the context of existing regulations re-

garding the consideration of criminal history in employment decisions; (2) distinguish between ban-the-box and the adverse impact theory of liability; (3) clarify any ambiguities in AB 1008, particularly how to calculate “five business days”; (4) integrate SB 63 into existing regulations regarding the California Family Rights Act (CFRA); and (5) identify differences between CFRA and NPLA, namely jurisdictional differences and the latter’s lack of a “key employee” defense and lack of a provision allowing employers to mandate the use of vacation time or other accrued paid time off.

The Council has determined that the proposed amendments are not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect this area, the Council has concluded that these are the only regulations that concern the Fair Employment and Housing Act.

DISCLOSURES REGARDING THE PROPOSED ACTION

*The Council has made the following initial determinations:*

**Mandate on local agencies and school districts:** None.

**Cost or savings to any state agency:** No additional costs or savings beyond those imposed by existing law.

**Cost to any local agency or school district, which must be reimbursed in accordance with Government Code sections 17500 through 17630:** None.

**Other nondiscretionary cost or savings imposed on local agencies:** No additional costs or savings beyond those imposed by existing law.

**Cost or savings in federal funding to the state:** None.

**Cost impacts on a representative private person or businesses:** No additional costs or savings beyond those imposed by existing law. Therefore, the agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**Results of the economic impact assessment/analysis:** The Council anticipates that the adoption of the regulations will not impact the creation or elimination of jobs within the state, the creation of new businesses or the elimination of existing businesses within the state, or the expansion of businesses currently doing business within the state. To the contrary, adoption of the proposed amendments is anticipated to benefit California businesses, workers, and the state’s judiciary by clarifying and streamlining the operation of the law,

making it easier for employees and employers to understand their rights and obligations, and reducing litigation costs for businesses.

**Statewide adverse economic impact directly affecting businesses and individuals:**

The Council has made an initial determination that the proposed action *will not* have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**Significant effect on housing costs:** None.

**Small Business Determination:** The Council anticipates that the regulations will not create additional costs or savings beyond those imposed by existing regulations. Similarly, the Council has determined that there is no impact on small businesses as a result of this proposed action because these regulations primarily serve to clarify existing law.

**Business Report:** The Council has determined that the proposed regulations do not require a report to be made.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Council must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the Council’s attention would be more effective in carrying out the purpose for which this action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Council has thus far not become aware of a better alternative and invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

#### AUTHORITY AND REFERENCE

Government Code section 12935(a) authorizes the Council to adopt these proposed regulations. The proposed regulations implement, interpret, and make specific section 12900 et seq. of the Government Code.

#### INFORMATIVE DIGEST/ POLICY STATEMENT OVERVIEW

This rulemaking action clarifies, makes specific, and supplements existing state statutes and case law interpreting the Fair Employment and Housing Act (FEHA) set forth in Government Code section 12900 et seq. As it relates to housing, the FEHA prohibits harassment and discrimination because of the race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, or genetic information, or any basis prohibited by section 51 of the Civil Code.

In compliance with the Administrative Procedure Act, the Council proposes to adopt these rules as duly noticed, vetted, and authorized regulations. This action has the specific benefit of creating a more comprehensive set of rules to ensure that persons covered by FEHA, including housing providers, owners, tenants, and others, better understand their rights and duties, in turn reducing litigation costs and the burden on courts. Ultimately, the proposed action furthers the mission of the DFEH by protecting Californians from discrimination, harassment, and retaliation in the housing context.

The proposed amendments most notably clarify and/or articulate the following: (1) definitions to be used throughout subchapter 7; (2) how to establish direct and vicarious liability for discriminatory housing practices; (3) how to establish liability based on a practice's discriminatory effect; (4) burdens of proof and legally sufficient justifications to allegations of discriminatory effect; (5) the relationship of legally sufficient justifications in a discriminatory effects case to allegations of

intentional discrimination; (6) the prohibition on financial assistance practices with discriminatory effect; (7) the prohibition on practices constituting harassment, including quid quo pro and hostile environment harassment; (8) the prohibition on practices constituting retaliation; (9) the prohibition on residential real estate-related practices with discriminatory effect; (10) the prohibition of discrimination in land use practices and housing programs, including specific practices related to land use; (11) discriminatory housing practices based on the failure to make reasonable accommodations for individuals with disabilities, including the interactive process, establishing that a reasonable accommodation is necessary, denials of requests for reasonable accommodations, and other requirements or limitations in the provision of reasonable accommodations, and examples; (12) requirements regarding assistance animals for individuals with disabilities, including service animals and support animals; and (13) consideration of criminal history information in housing, including prohibited uses of criminal history information, establishing a legal sufficient justification relating to criminal history information that is alleged to have a discriminatory effect, intentional discrimination and the use of criminal history information, discriminatory statements regarding criminal history information, specific practices relating to criminal history information, compliance with federal or state laws and other requirements prohibiting or requiring consideration of criminal history, and the relationship between the FEHA and other laws as it relates to the use of criminal history information.

The Council has determined that the proposed amendments are not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect this area, the Council has concluded that these are the only regulations that concern fair housing and the Fair Employment and Housing Act.

#### DISCLOSURES REGARDING THE PROPOSED ACTION

*The Council has made the following initial determinations:*

**Mandate on local agencies and school districts:** None.

**Cost or savings to any state agency:** No additional costs or savings beyond those imposed by existing law.

**Cost to any local agency or school district, which must be reimbursed in accordance with Government Code sections 17500 through 17630:** None.

**Other non-discretionary cost or savings imposed on local agencies:** No additional costs or savings beyond those imposed by existing law.

**Cost or savings in federal funding to the state:** None.

**Cost impacts on a representative private person or businesses:** No additional costs or savings beyond those imposed by existing law. Therefore, the agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**Results of the economic impact assessment/analysis:** The Council anticipates that the adoption of the regulations will not impact the creation or elimination of jobs or housing within the state; the creation of new businesses or housing or the elimination of existing businesses or housing within the state; or the expansion of businesses or housing currently doing business within the state. To the contrary, adoption of the proposed amendments is anticipated to benefit California businesses, workers, housing providers, owners, tenants, and the state's judiciary by clarifying and streamlining the operation of the law, making it easier for housing providers, owners, and tenants to understand their rights and obligations, and reducing litigation costs.

**Statewide adverse economic impact directly affecting businesses and individuals:**

The Council has made an initial determination that the proposed action *will not* have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**Significant effect on housing costs:** None.

**Small Business Determination:** The Council anticipates that the regulations will not create additional costs or savings beyond those imposed by existing law. Similarly, the Council has determined that there is no impact on small businesses as a result of this proposed action because these regulations primarily serve to clarify existing law.

**Business Report:** The Council has determined that the proposed regulations do not require a report to be made.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Council must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the Council's attention would be more effective in carrying out the purpose for which this action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Council has thus far not become aware of a better alternative and invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

### TITLE 2. PUBLIC EMPLOYEES' RETIREMENT SYSTEM

NOTICE IS HEREBY GIVEN that the Board of Administration (Board) of the California Public Employees' Retirement System (CalPERS) proposes to take the regulatory action described below in the Informative Digest after considering public comments, objections, or recommendations regarding the proposed regulatory action.

#### I. PROPOSED REGULATORY ACTION

In this filing, the Board proposes adding Section 579.9, "Significant Increase in Actuarial Liability Due to Increased Compensation Paid to a Non-Represented Employee" under Article .6 of Subchapter 1 of Chapter 2 of Division 1 of Title 2 of the California Code of Regulations (CCR). By proposing the regulation in this Article, CalPERS seeks to implement Government Code (GC) Section 20791 by defining a significant increase in actuarial liability due to increased compensation paid to a nonrepresented employee and establishing criteria to identify the impacted and causative agency or agencies. The proposed regulation also clarifies how actuarial liability will be allocated between the impacted agency and the causative agency or agencies and specifies when CalPERS will determine whether a contract-

ing agency has had a significant increase in actuarial liability for purposes of GC Section 20791.

#### II. WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action. The written comment period has been established commencing on **February 16, 2018** and closing on **April 2, 2018** at 5:00 p.m. The Regulation Coordinator must receive all written comments by the close of the comment period. Comments may be submitted by FAX at (916) 795-4607, by e-mail to

Regulation\_Coordinator@calpers.ca.gov, or mailed to the following address:

Evan Bailey, Regulation Coordinator  
California Public Employees' Retirement System  
P.O. Box 942702  
Sacramento, CA 94229-2702  
Telephone: (916) 795-3038

#### III. PUBLIC HEARING

A public hearing will not be scheduled unless an interested person, or his or her duly authorized representative, submits a written request for a public hearing to CalPERS no later than 15 days before the close of the written comment period. Notice of the time, date, and place of the hearing will be provided to every person who has filed a request for notice with CalPERS.

#### IV. ACCESS TO HEARING ROOM

The hearing room will be accessible to persons with mobility impairments, and the room can be made accessible to persons with hearing or visual impairments upon advance request to the CalPERS Regulation Coordinator.

#### V. AUTHORITY AND REFERENCE

The Board has authority to take regulatory action under GC Section 20121. The proposed regulation implements GC Section 20791.

#### VI. INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

On September 12, 2012, Governor Brown signed into law AB 340 which included the California Public Employees' Pension Reform Act and related amendments to the Public Employees' Retirement Law. These statu-

tory provisions became effective on January 1, 2013. This legislation added GC Section 20791, which requires the Board to define a significant increase in actuarial liability due to increased compensation paid to a nonrepresented employee. It also requires the Board to implement program changes to ensure that a contracting agency that creates the significant increase in actuarial liability bears the increased liability.

This rulemaking action helps implement GC Section 20791 by defining a significant increase in actuarial liability due to increased compensation paid to a nonrepresented employee. The proposed regulation also defines impacted and causative agencies, and clarifies when the significant increase in actuarial liability will be determined and how it will be allocated between the impacted agency and the respective causative agency or agencies. GC Section 20791 only requires allocation of actuarial liability between CalPERS contracting agencies. Therefore, the actuarial liability of the State and most school employers will not be impacted by GC Section 20791 and the proposed regulation.

Consistency Evaluation

CalPERS conducted a review for any related state regulation and found that there are no related regulations addressing GC Section 20791. Therefore, CalPERS has determined that the proposed regulation is not inconsistent or incompatible with existing regulations.

Anticipated Benefit

Adoption of this regulation will provide transparency and consistency with respect to the implementation of GC Section 20791 and provide clarity to contracting agencies and CalPERS members on the system’s interpretation of GC Section 20791.

VII. PRENOTICE CONSULTATION WITH THE PUBLIC

No prenotice consultation with the public was done, as all public comments and hearing requests can be submitted during the written comment period.

VIII. EFFECT ON SMALL BUSINESS

The proposed regulatory action does not affect small business because it applies its only to CalPERS and its contracting agencies.

IX. DISCLOSURES REGARDING THE PROPOSED REGULATORY ACTION

The Board has made the following initial determinations:

- A. MANDATE ON LOCAL AGENCIES AND SCHOOL DISTRICTS: The proposed regulatory action does not impose mandates on local agencies and school districts.
- B. COSTS OR SAVINGS TO ANY STATE AGENCY: Costs estimated to be incurred by CalPERS, a state agency, will be absorbed into its existing budget and resources.
- C. COST TO ANY LOCAL AGENCY OR SCHOOL DISTRICT: Local agencies that participate in CalPERS may incur costs associated with complying with the proposed regulatory action, but the extent of these costs is unknown until the proposed regulation is implemented. The proposed regulatory action will not result in costs or savings for any local agency program or school district that would qualify for reimbursement under GC Section 17500, et seq.
- D. NONDISCRETIONARY COSTS OR SAVINGS IMPOSED ON LOCAL AGENCIES: Local agencies that participate in CalPERS may incur nondiscretionary costs associated with complying with the proposed regulatory action, but the extent of these costs is unknown until the proposed regulation is implemented.
- E. COSTS OR SAVINGS IN FEDERAL FUNDING TO THE STATE: The proposed regulatory action will not result in costs or savings in federal funding to the State of California.
- F. ADVERSE ECONOMIC IMPACT: The proposed regulatory action will not have a significant statewide adverse economic impact affecting businesses including the ability of businesses in California to compete with businesses in other states.
- G. COST IMPACT ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES: CalPERS is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed regulatory action because GC Section 20791 and the proposed regulatory action only apply to CalPERS and its contracting agencies.
- H. RESULTS OF THE ECONOMIC IMPACT ANALYSIS: The primary benefit of the proposed regulatory action is that it will provide transparency and consistency with respect to the implementation of GC Section 20791. The proposed regulatory action is not intended to create or eliminate jobs within California; and will not: (1) create new businesses or eliminate existing businesses within California; (2) affect the expansion of businesses currently doing

business within California; or (3) affect the health and welfare of California residents, worker safety or the State's environment.

- I. EFFECT ON HOUSING COSTS: The proposed regulatory action has no effect on housing costs.
- J. COST TO ANY LOCAL AGENCY OR SCHOOL DISTRICT WHICH MUST BE REIMBURSED IN ACCORDANCE WITH GC Section 17500 THROUGH Section 17630. There are no costs to any local agency or school district which must be reimbursed in accordance with GC Section 17500 through Section 17630,

#### X. CONSIDERATION OF ALTERNATIVES

In accordance with GC Section 11346.5(a)(13), the Board must determine that no reasonable alternative considered by the Board, or that has otherwise been identified and brought to the attention of the Board, would be:

- more effective in carrying out the purpose of the proposed action,
- as effective as, and less burdensome to affected private persons than the proposed action, or
- more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Board invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at a hearing or during the written comment period.

#### XI. CONTACT PERSON

**TITLE 5. EDUCATION AUDIT  
APPEALS PANEL**

INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW

**Education Audit Appeals Panel**  
*Supplement to Audits of K–12  
Local Education Agencies*  
Fiscal Year 2017–18 as of March 1, 2018

The Education Audit Appeals Panel (EAAP) proposes to adopt an Audit Guide for Fiscal Year 2017–18, as well as the Guide’s incorporating regulation, as described below after considering all comments, objections, and recommendations regarding the proposed action.

This rulemaking amends title 5, California Code of Regulations, section 19810 to clarify the incorporation by reference language and make reference to the audit guide. It also adopts the Audit Guide for 2017–18, Supplemented as of March 1, 2018, which makes clarifying revisions and addresses legislative changes that will affect audits and possibly the conditions of apportionment of school funding.

This rulemaking meets the requirements of Education Code section 14502.1, which mandates that an annual audit guide be adopted by the EAAP and the additional laws and Constitutional provision listed under “Authority cited” below the proposed amended text of Section 19810 as shown below. The purpose of the audit guide is to define terms and specify procedures to guide accountants in the conduct of statutorily required financial and compliance audits of K–12 local education agencies. The Controller, pursuant to Education Code section 14502.1, has proposed supplemental changes to the 2017–18 audit guide to be reflected in the 2017–18 audit guide. The proposed changes derive from the Controller’s proposals and also contain changes designed to clarify audit steps.

**PUBLIC HEARING**

A public hearing regarding this proposal is not currently scheduled. Not later than 15 days prior to the close of the written comment period, any interested person, or his or her authorized representative, may make a written request for a public hearing pursuant to Government Code section 11346.8, and a public hearing will be held. Requests for a public hearing should be addressed to Mary Kelly.

EAAP does not anticipate that these proposed amendments would create specific benefits for the protection of public health and safety, worker safety, or the environment, the prevention of discrimination, the promotion of fairness or social equity, nor the increase in openness, and transparency in business and government. EAAP has determined that the proposed amendments will ultimately benefit the welfare of California residents by ensuring that local education agencies are in compliance with regulatory requirements. In developing the rulemaking, EAAP evaluated the proposed changes to regulations and determined that they are not inconsistent or incompatible with existing regulations, state or federal.

**WRITTEN COMMENT PERIOD**

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action. The written comment period closes at **5:00 p.m. on Monday, April 2, 2018**. EAAP will consider only written comments received by that time. Written comments for EAAP’s consideration should be directed to:

**§ 19810. Annual Audit Guides.**

The “2017–18 Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting,” (July 1, 2017 ~~March 1, 2018~~), adopted by the Education Audit Appeals Panel, is incorporated by reference. The guide provides the audit steps, reporting requirements, and other guidance, for the required annual

financial and compliance audits, subject to auditor judgment where alternative or additional audit steps may be appropriate. The annual guide is superseded by a supplemental audit guide, if needed, adopted before March 1 of each fiscal year. Each annual guide and any applicable supplement are available on [www.eaap.ca.gov/audit-guide](http://www.eaap.ca.gov/audit-guide), with paper or electronic copies available on request.

Note: Authority cited: Sections 14502.1 and 47612, Education Code; California Constitution, Article XIII, Section 36, subdiv. (e), subpara 7, and Article XIII A, Section 1, subdiv. (b), subparas 3(C) and 3(D). Reference: California Constitution Article XIII B, Section 1.5; and Sections 8482.3(f)(5), 2574(b)(3)(C), 14501, 14502.1, 14503, 14509, 15286, 41020, 42238.02(b)(3)(B), 46146.5(h), 47612.5, 47634.2 and 48000, Education Code.

The proposed supplemental 2017–18 Audit Guide uses the text of the existing 2017–18 Audit Guide with the following amendments and addition:

**Audit Guide Amendments**

- *Section N Middle or Early College High Schools* updates the procedures consistent with language newly added as paragraph (a)(2) of Education Code Section 46160 which permits middle or early college high schools to satisfy minimum minutes requirements by using five– or ten–day averaging. The change is necessary because strict daily minima could suggest grounds for an audit finding which an averaging option eliminates.
- *Section P Transportation Maintenance of Effort* is technically amended for clarity and to cite to a more appropriate page of the Department of Education’s website (listing the adjusted amount of 2012–13 transportation revenues) than previously cited.
- *Section S California Clean Energy Jobs Act* eliminate tests for an LEA’s reporting of final project completion plan for Energy Expenditure Plan project completed in the 12 to 15 months before the audit year, or any prior year’s annual, progress report as the Controller and its consultants believe testing such reports is not necessary because information in such reports will have already been tested and because the audit year is the last year of a three–year program. Additionally, a typographical error (missing ‘s’) is corrected in paragraph 1.

- *Section T After School Education and Safety Program* is technically amended to use the defined term “LEA” consistently, replacing “local education agency” in paragraph 1(e) and 2(a), (c) and (d). In addition, the words “middle or junior high” are deleted and later language added to reflect Education Code Section 8483.1(d)(1)(A), added effective July 1, 2017 (Stats. 2016, Ch. 470, Sec. 10.2), giving priority to homeless and foster care youth.
- *Section U Proper Expenditure of Education Protection Account Funds* is technically amended to refer to the constitutional provision governing the expenditure of those fund.
- The following sections are amended for a technical change to ensure that the term “LEA” is used consistently throughout the audit guide, rather than the words “Local Education Agency.” Sections C, T and Y reflect these technical changes.

**Audit Guide Addition**

- *Section V Apprenticeship: Related and Supplemental Instruction* implements provisions of Stats. 2017, Ch. 23, Sec. 1 (S.B. 85), effective June 27, 2017, amending Education Code §§ 8152.5 and 79149.3.

Name of document incorporated by reference: 2017–18 Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting as of March 1, 2018.

NOTE: The changes described above, with the exception of *Section P Maintenance of Effort*, are in effect on an emergency basis.

**DISCLOSURES REGARDING THE PROPOSED ACTION**

1. Mandate on local agencies and school districts: None.
2. Cost to any local agency or school district which must be reimbursed: None.
3. Cost or savings to any State agency: None.
4. Other non–discretionary cost or savings imposed upon local agencies: None.
5. Cost or savings in federal funding to the state: None.
6. Significant effect on housing costs: None.
7. Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

8. Results of the Economic Impact Assessment:
- (a) Adoption of these regulations will not:
- create or eliminate jobs within California;
  - create new businesses or eliminate existing businesses within California; or
  - affect the expansion of businesses currently doing business within California.
- (b) Benefit of the proposed regulation to the health and welfare of California residents, worker safety, or the State’s environment and quality of life: As stated under the “Informative Digest/Policy Statement Overview” above, the proposed regulations will update and improve audit procedures of K–12 local education agencies, which would ultimately benefit the welfare of California residents by ensuring that local education agencies are in compliance with regulatory requirements.
9. Cost impact on a representative private person or business: EAAP is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
10. Business report requirements: None.
11. Effect on small businesses: The proposed regulations will have no effect on small businesses because they do not materially alter the requirements for LEA audits.

**CONSIDERATION OF ALTERNATIVES**

In accordance with Government Code Section 11346.5(a)(13), EAAP must determine that no reasonable alternative it has considered or that has otherwise been identified and brought to the EAAP’s attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

**CONTACT PERSONS**

**TITLE 10. BUREAU OF REAL ESTATE**

**BROKER ASSOCIATES: REPORTING OF CONTRACTUAL RELATIONSHIPS BETWEEN REAL ESTATE BROKERS**

**NOTICE IS HEREBY GIVEN**

The Commissioner (“Commissioner”) of the Bureau of Real Estate (“CalBRE”) proposes to amend Sections 2715, 2728.5, and 2752 of the Regulations of the Real Estate Commissioner (Title 10, Chapter 6 of the California Code of Regulations) (“the Regulations”) after

considering all comments, objections, and recommendations regarding the proposed action. Publication of this notice commences a 45-day public comment period.

#### **AUTHORITY AND REFERENCE**

Section 10080 of the Business and Professions Code (“the Code”) authorizes the Commissioner to adopt regulations that are reasonably necessary for the enforcement of the provisions of the Real Estate Law (Code Sections 10000 et seq.). This proposal amends Sections 2715, 2728.5, and 2752 of the Regulations in conformance with the recent amendment of Section 10161.8 of the Code, to implement, interpret, and make specific the revised statute. The amendments also correct non-substantive issues with the existing Regulations.

#### **PUBLIC HEARING**

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to CalBRE at the contact listed below no later than 15 days prior to the close of the written comment period.

#### **WRITTEN COMMENT PERIOD**

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to the Commissioner addressed as follows:

#### **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW — SUMMARY OF CHANGE IN REGULATION**

The underlying statute, Section 10161.8 of the Code, is intended to allow consumers, industry members, and CalBRE to have ready information (via CalBRE’s records, database, and website) regarding the employment relationship between licensees. The present language of Section 2752 specifies the minimum data necessary for an adequate written notification from a responsible broker to CalBRE where a salesperson is hired or terminated. On January 1, 2018, pursuant to the amendment of Section 10161.8 by AB 2330 (Ridley-Thomas), employment relationships between responsible brokers (also sometimes referred to as “employing brokers”) and broker associates (those who act as a salesperson for another broker) will be required. This revision provides a corresponding minimum requirement for reporting of broker-to-broker relationships. The information is included in the regulatory location already used by brokers who retain other licensees to act as salespersons.

#### **DETERMINATION OF CONSISTENCY/COMPATIBILITY WITH EXISTING STATE REGULATIONS**

The Commissioner has determined that these proposed regulations are not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect brokers contracting to do licensed work for other brokers, the Commissioner has concluded that these are the only State of California regulations relating to the subject.

#### **PURPOSE BENEFITS, AND GOALS OF THIS AMENDMENT**

Among other provisions, the adoption of AB 2330 in 2016 created a new reporting requirement regarding certain contractual relationships between real estate brokers. This requirement parallels an existing reporting requirement regarding contractual relationships between brokers and salespersons. The sponsor of the legislation, referring to this provision of AB 2330, stated:

“This bill will close an important deficiency in existing law by identifying who a real estate broker is working for when that broker is not acting under his or her own license. Existing provisions, such as the Homeowner’s Bill of Rights, already require transparency in other areas of real estate transactions. [This bill] makes sure that consumers always have access to information that affects one of the biggest purchases of their lifetime.”<sup>1</sup>

The proposed amendment of Section 2752 of the Regulations serves to implement the new provisions within Section 10161.8 of the Code, offering clear instruction to brokers regarding the information required for written notification of hiring/termination of other brokers to act as salespersons. The proposed revisions to Sections 2715 and 2728.5 (which also relate to brokers acting as salespersons under agreement to another broker) correct archaic language within those sections and a missing statutory reference note.

#### NECESSITY OF THIS AMENDMENT

As stated above, the adoption of AB 2330 in 2016 created a new reporting requirement regarding certain contractual relationships between real estate brokers, parallel to an existing reporting requirement regarding contractual relationships between brokers and salespersons. This regulation is needed to implement the new reporting requirement. Other changes are included to correct minor, non-substantial issues in existing, related regulations.

#### AVAILABILITY OF MODIFIED TEXT

The text of any modified regulation, unless the modification is only non-substantial or solely grammatical in nature, will be made available to the public at least 15 days prior to the date CalBRE adopts the regulation(s). A request for a copy of any modified regulation(s) should be addressed to the contact person designated below. The Commissioner will accept written comments on the modified regulation(s) for 15 days after the date on which they are made available. The Commissioner may thereafter adopt, amend or repeal the foregoing proposal substantially as set forth above without further notice.

<sup>1</sup> AB 2330 was sponsored by the California Association of Realtors. This quote appears in the Assembly Floor Analysis, published August 24, 2016. All of the legislative analysis documents relating to AB 2330 are presently published online at [https://leginfo.legislature.ca.gov/faces/billAnalysisClient.xhtml?bill\\_id=201520160AB2330](https://leginfo.legislature.ca.gov/faces/billAnalysisClient.xhtml?bill_id=201520160AB2330).

#### AVAILABILITY OF STATEMENT OF REASONS, TEXT OF PROPOSED REGULATIONS/INTERNET ACCESS

The express terms of the proposed action may be obtained upon request from the Sacramento offices of CalBRE. An initial statement of reasons for the proposed action containing all the information upon which the proposal is based is available from the contact person designated below. These documents are also available at CalBRE’s website at [www.bre.ca.gov](http://www.bre.ca.gov). As required by the Administrative Procedure Act, CalBRE’s Sacramento Legal Office maintains the rulemaking file. The rulemaking file is available for public inspection at the Bureau of Real Estate, 1651 Exposition Boulevard, Sacramento, California.

#### AVAILABILITY OF THE FINAL STATEMENT OF REASONS

Upon its completion, the Final Statement of Reasons will be available and copies may be requested from the contact person named in this notice or may be accessed on the website listed above.

#### CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Commissioner must determine that no reasonable alternative he considered, or that has otherwise been identified and brought to the attention of CalBRE, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

#### RESULTS OF THE ECONOMIC IMPACT ANALYSIS/ASSESSMENT

(Pursuant to Government Code Section 11346.3(b))

The Commissioner has prepared an Economic Impact Assessment in the Initial Statement of Reasons and has reached the following results:

- The proposal does not affect the creation or elimination of the number of jobs available within the State of California. The proposal only implements a change in statute.
- The proposal does not affect the creation of new businesses or the elimination of existing businesses within the State of California.
- The proposal does not affect the expansion of businesses currently doing business within the State of California.

- The proposal will benefit the health and welfare of California residents through improved consumer and enforcement information regarding employment relationships between real estate licensees.

**TITLE 10. BUREAU OF REAL ESTATE**

**INITIAL DETERMINATIONS**

The Commissioner has made an initial determination that the proposed regulatory action:

- Will have no fiscal impact on the Bureau of Real Estate. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost nor impose a mandate (nondiscretionary cost or savings) on local agencies or school districts, or a mandate that is required to be reimbursed pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. (Statements of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost or savings to any state agency as well as federal funding to the state. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not have an effect on housing costs.
- Does not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**FIRST POINT OF CONTACT SOLICITATIONS:  
UPDATE TO COMPORT WITH  
STATUTORY AMENDMENT**

**NOTICE IS HEREBY GIVEN**

The Commissioner (“Commissioner”) of the Bureau of Real Estate (“CalBRE”) proposes to amend Sections 2773 of the Regulations of the Real Estate Commissioner (Title 10, Chapter 6 of the California Code of Regulations) (“the Regulations”) after considering all comments, objections, and recommendations regarding the proposed action. Publication of this notice commences a 45-day public comment period.

**AUTHORITY AND REFERENCE**

Section 10080 of the Business and Professions Code (“the Code”) authorizes the Commissioner to adopt regulations that are reasonably necessary for the enforcement of the provisions of the Real Estate Law (Code Sections 10000 et seq.). This proposal amends Section 2773 of the Regulations in conformance with the recent amendment of Section 10140.6 of the Code, to implement, interpret, and make specific the revised statute.

**COST IMPACTS ON REPRESENTATIVE  
PRIVATE PERSON OR BUSINESS**

The Commissioner is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action; any new impacts are the result of the change in statute being implemented.

**PUBLIC HEARING**

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to CalBRE at the contact listed below no later than 15 days prior to the close of the written comment period.

**EFFECT ON SMALL BUSINESS**

The Commissioner has determined that there is no fiscal impact to small businesses resulting from this proposed regulatory amendment because the amendments serve only to implement the statutory standard, rather than impose a substantial change in that standard.

**WRITTEN COMMENT PERIOD**

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to the Commissioner addressed as follows:

INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW — SUMMARY OF CHANGE  
IN REGULATION

Section 10140.6 of the Code includes a requirement for license ID numbers to appear on certain advertisements that are viewed as the “first point of contact” between real estate licensees and consumers. The statutory language is seen as confusing by some licensees and other readers, so a clearer restatement was included within Section 2773 of the Regulations. With the update of the statutory requirement in Section 10140.6 via AB 1650 (Frazier, Chapter 142, Statutes of 2016), effective January 1, 2018, some advertising channels that were previously exempted from the license ID number requirement are now included. The sponsor of the measure offered this explanation:

“Current law has created confusion about what identity information is required to be included on real estate advertising materials. Existing law varies greatly depending on the type of advertisement (i.e. ‘for sale’ signs, print and electronic media, business cards, brochures, etc.) and the name being used by the licensee (i.e. given name, nickname, team name, etc.). This bill will require a licensee conducting advertising of any kind to also include their California Bureau of Real Estate (CalBRE) license number and responsible broker’s identity. ‘Open house’ and directional signs *without a reference to agent name or branding* would be exempt from this requirement. Creating a uniform advertising standard for real estate licensees would alleviate the existing competing standards and would serve to create more transparency for consumers in the market place.”<sup>1</sup> (Emphasis added.)

Of greatest impact, the new statute requires license ID numbers to appear in print advertisements, electron-

ic media advertisements, and specified “for sale,” “for rent,” “for lease,” open house, and directional signage (except those signs without any name or branding). The terms appearing in Section 2773’s clarifying restatement of Section 10140.6 of the Code must be updated to comport with the revised statute.

DETERMINATION OF  
CONSISTENCY/COMPATIBILITY WITH  
EXISTING STATE REGULATIONS

The Commissioner has determined that this proposed regulation is not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect the license ID requirement for such advertising materials, the Commissioner has concluded that Section 2773 is the only State of California regulation relating to the subject.

PURPOSE, BENEFITS, AND GOALS OF  
THIS AMENDMENT

As with the initial adoption of this regulation, the regulation serves to implement the underlying statute using language that is clearer than the statute itself. Given the change to the standard within the statute, the regulation must also be changed to comport with its statutory basis.

NECESSITY OF THIS AMENDMENT

Given the amendment to the underlying statute, the present language of the regulation is no longer consistent with statutory requirements and must be amended or eliminated. Elimination of the regulation, however, would negate its value in clarifying the statute.

AVAILABILITY OF MODIFIED TEXT

The text of any modified regulation, unless the modification is only non-substantial or solely grammatical in nature, will be made available to the public at least 15 days prior to the date CalBRE adopts the regulation(s). A request for a copy of any modified regulation(s) should be addressed to the contact person designated below. The Commissioner will accept written comments on the modified regulation(s) for 15 days after the date on which they are made available. The Commissioner may thereafter adopt, amend or repeal the foregoing proposal substantially as set forth above without further notice.

<sup>1</sup> AB 1650 was sponsored by the California Association of Realtors. This quote appears in the Assembly Floor Analysis, published July 29, 2016. **AVAILABILITY OF STATEMENT OF REASONS,  
TEXT OF PROPOSED  
REGULATIONS/INTERNET ACCESS**

The express terms of the proposed action and any documents relied upon in making the proposal may be obtained upon request from the Sacramento offices of CalBRE. An initial statement of reasons for the proposed action containing all the information upon which the proposal is based is available from the contact person designated below. These documents are also available at CalBRE's website at [www.bre.ca.gov](http://www.bre.ca.gov). As required by the Administrative Procedure Act, CalBRE's Sacramento Legal Office maintains the rulemaking file. The rulemaking file is available for public inspection at the Bureau of Real Estate, 1651 Exposition Boulevard, Sacramento, California.

**AVAILABILITY OF THE FINAL STATEMENT  
OF REASONS**

Upon its completion, the Final Statement of Reasons will be available and copies may be requested from the contact person named in this notice or may be accessed on the website listed above.

**CONSIDERATION OF ALTERNATIVES**

In accordance with Government Code section 11346.5, subdivision (a)(13), the Commissioner must determine that no reasonable alternative considered, or that has otherwise been identified and brought to the attention of CalBRE, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

**RESULTS OF THE ECONOMIC IMPACT  
ANALYSIS/ASSESSMENT**

(Pursuant to Government Code Section 11346.3(b))

The Commissioner has prepared an Economic Impact Assessment in the Initial Statement of Reasons and has reached the following results:

- The proposal does not affect the creation or elimination of the number of jobs available within the State of California. The proposal only implements a change in statute.

- The proposal does not affect the creation of new businesses or the elimination of existing businesses within the State of California.
- The proposal does not affect the expansion of businesses currently doing business within the State of California.
- The proposal will benefit the health and welfare of California residents by implementing the underlying statute using language that is clearer than the statute itself, ensuring accurate consumer identification of a licensee soliciting real estate work.

**INITIAL DETERMINATIONS**

The Commissioner has made an initial determination that the proposed regulatory action:

- Will have no fiscal impact on the Bureau of Real Estate. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost nor impose a mandate (nondiscretionary cost or savings) on local agencies or school districts, or a mandate that is required to be reimbursed pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. (Statements of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost or savings to any state agency as well as federal funding to the state. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not have an effect on housing costs.
- Does not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**COST IMPACTS ON REPRESENTATIVE  
PRIVATE PERSON OR BUSINESS**

The Commissioner is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action; any new impacts are the result of the change in statute being implemented.

**EFFECT ON SMALL BUSINESS**

The Commissioner has determined that there is no fiscal impact to small businesses resulting from this proposed regulatory amendment because the amend-

ments serve only to implement the statutory standard, rather than impose a substantial change in that standard.

**CONTACT PERSON**

Inquiries concerning this action may be directed to Daniel Kehew at (916) 263–8681, or via email at BRERegs@dre.ca.gov. The backup contact person is Stephen Lerner at (916) 263–8704.

**PETITION PROCESS FOR WEBSITE DISCIPLINE INFORMATION REMOVAL**

**NOTICE IS HEREBY GIVEN**

The Commissioner (“Commissioner”) of the Bureau of Real Estate (“CalBRE”) proposes to adopt Section 2915 of the Regulations of the Real Estate Commissioner (Title 10, Chapter 6 of the California Code of Regulations) (“the Regulations”) after considering all comments, objections, and recommendations regarding the proposed action. Publication of this notice commences a 45–day public comment period.

**AUTHORITY AND REFERENCE**

Section 10080 of the Business and Professions Code (“the Code”) authorizes the Commissioner to adopt regulations that are reasonably necessary for the enforcement of the provisions of the Real Estate Law (Code Sections 10000 et seq.). Section 10083.2 of the Code authorizes CalBRE to set a fee and establish minimum petition requirements for a petition process pursuant to that section for current licensees. This proposal adopts Section 2915 of the Regulations to implement and interpret the recent amendment of Section 10083.2 of the Code.

**PUBLIC HEARING**

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to CalBRE at the contact listed below no later than 15 days prior to the close of the written comment period.

**WRITTEN COMMENT PERIOD**

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to the Commissioner addressed as follows:

**INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW — SUMMARY OF  
PROPOSED REGULATION**

The underlying statute, Section 10083.2 of the Code, requires CalBRE to post specified licensee discipline information to the agency’s website. A small number of licensees have complained that this information, sometimes relating to discipline that occurred many years ago, has negative impacts on their life and work. In 2016, the Legislature amended Section 10083.2 to create a petition process for current licensees to seek removal of discipline done more than 10 years ago where there is no “credible risk” to consumers from removal of the discipline information.

This proposed regulation:

- Sets a petition fee, supported by documentation of average petition investigation costs.
- Sets standards for petition information.
- Requires submission of a Live Scan fingerprinting to ensure a thorough petition investigation. The regulation incorporates by reference the Live Scan Service Request form, RE 237 (Rev. 6/14).
- Specifies a one–year wait period before making a new petition after an earlier petition is rejected.
- Establishes the existing Criteria for Rehabilitation as applicable to these petitions.
- Lists some specific circumstances that warrant denial of a petition.
- Clarifies the relief available through a successful petition.

**DETERMINATION OF  
CONSISTENCY/COMPATIBILITY WITH  
EXISTING STATE REGULATIONS**

The Commissioner has determined that these proposed regulations are not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to petitions for removal of discipline information from the website, the Commissioner has concluded that these are the only State of California regulations relating to the subject.

**PURPOSE, BENEFITS, AND GOALS OF  
THIS AMENDMENT**

The proposed adoption of § 2915 to the Regulations serves to implement and clarify the new provisions within § 10083.2 of the Code, setting out a process and general standards for the petition process for seeking removal of certain license discipline information from the “Public License Information” feature of CalBRE’s website. By implementing and clarifying the recent amendment to § 10083.2 of the Code, this regulation will enable a qualified real estate broker, salesperson, or corporate broker licensee to seek removal of information from the CalBRE website that negatively impacts the personal or professional prospects of the licensee, without credible risk to members of the public. As noted above, the proposal establishes a petition fee, sets the minimum information needed to submit a petition, requires fingerprinting of petitioners, specifies the applicability of CalBRE’s Criteria for Rehabilitation, and addresses the statute’s use of the term “credible risk” to consumers. A more complete description of the intended goals appears within the Initial Statement of Reasons.

**NECESSITY OF THIS AMENDMENT**

The underlying statute, Section 10083.2, permits CalBRE to adopt regulations to set the fee for this petition process and to specify the minimum information to be included in the licensee’s petition. This regulation meets that authority, and also clarifies issues arising in inquiries from licensees and other stakeholders interested in the petition process.

**AVAILABILITY OF MODIFIED TEXT**

The text of any modified regulation, unless the modification is only non-substantial or solely grammatical

in nature, will be made available to the public at least 15 days prior to the date CalBRE adopts the regulation(s). A request for a copy of any modified regulation(s) should be addressed to the contact person designated below. The Commissioner will accept written comments on the modified regulation(s) for 15 days after the date on which they are made available. The Commissioner may thereafter adopt, amend or repeal the foregoing proposal substantially as set forth above without further notice.

**AVAILABILITY OF STATEMENT OF REASONS,  
TEXT OF PROPOSED  
REGULATIONS/INTERNET ACCESS**

The express terms of the proposed action may be obtained upon request from the Sacramento offices of CalBRE. An initial statement of reasons, supporting fiscal analysis, and underlying data for the proposed action containing all the information upon which the proposal is based is available from the contact person designated below. These documents are also available at CalBRE’s website at [www.bre.ca.gov](http://www.bre.ca.gov). As required by the Administrative Procedure Act, CalBRE’s Sacramento Legal Office maintains the rulemaking file. The rulemaking file is available for public inspection during normal business hours at the Bureau of Real Estate, 1651 Exposition Boulevard, Sacramento, California.

**AVAILABILITY OF THE FINAL STATEMENT  
OF REASONS**

Upon its completion, the Final Statement of Reasons will be available and copies may be requested from the contact person named in this notice or may be accessed on the website listed above.

**CONSIDERATION OF ALTERNATIVES**

In accordance with Government Code section 11346.5, subdivision (a)(13), the Commissioner must determine that no reasonable alternative considered, or that has otherwise been identified and brought to the attention of CalBRE, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

**RESULTS OF THE ECONOMIC IMPACT ANALYSIS/ASSESSMENT**

(Pursuant to Government Code Section 11346.3(b))

The Commissioner has prepared an Economic Impact Assessment in the Initial Statement of Reasons, and has reached the following results:

- The proposal does not affect the creation or elimination of the number of jobs available within the State of California. The proposal, and the underlying statute it implements, minimally impact one factor that consumers may consider when deciding whether to hire a particular licensee.
- The proposal does not affect the creation of new businesses or the elimination of existing businesses within the State of California.
- The proposal does not affect the expansion of businesses currently doing business within the State of California.
- The proposal will have no affect on the health and welfare of California residents, worker safety, or the State’s environment. The proposal ensures that only discipline information that is of no further practical use to consumers will be removed from CalBRE’s website, as directed by the underlying statute.

**INITIAL DETERMINATIONS**

The Commissioner has made an initial determination that the proposed regulatory action:

- Will have no fiscal impact on CalBRE. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost nor impose a mandate (nondiscretionary cost or savings) on local agencies or school districts, or a mandate that is required to be reimbursed pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. (Statements of Determination required by Government Code section 11346.5(a)(6).)
- Does not create a cost or savings to any state agency as well as federal funding to the state. (Statement of Determination required by Government Code section 11346.5(a)(6).)
- Does not have an effect on housing costs.
- Does not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**COST IMPACTS ON REPRESENTATIVE PRIVATE PERSON OR BUSINESS**

The proposed regulation sets a petition fee of \$1,275, to be paid by a licensee making such application. Further, each petition must be accompanied by a Live Scan Service Request; this process costs approximately \$49. As of April, 2017, only 3,911 licensees (i.e., persons with active licenses) had discipline appearing on the website that is more than 10 years old and thus eligible for possible removal through this petition process. Once the underlying statute is operative, these licensees may choose to pay the petition and fingerprinting costs if they want the discipline information removed from the website.

**EFFECT ON SMALL BUSINESS**

The Commissioner has determined that, based on a statistical projection of types of businesses currently licensed, of the 3,911 licensees with discipline over 10 years old that appears on the website, an estimated 821 are likely to be small businesses. For those licensees that are small businesses and that choose to petition, the total cost will be \$1,324.00 (the fee for the petition and a separate cost for the fingerprint process). Should a licensee’s discipline information be removed from the website, the licensee may see some benefit to their business opportunities for minimizing the negative information about the licensee that appears on the web. That benefit cannot be estimated. Regardless, if an eligible licensee who operates as a small business chooses to petition, the proposed regulation will impact that small business.
