(FFY) 2018* ..... 669

## SUMMARY OF REGULATORY ACTIONS

Regulations filed with the Secretary of State ..... 670

Sections Filed, November 15, 2017 to April 18, 2018 ..... 671

---

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 328-4880. The Register can also be accessed at <http://www.oal.ca.gov>.

**PROPOSED ACTION ON  
REGULATIONS**

*Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.*

**TITLE 2. FAIR POLITICAL  
PRACTICES COMMISSION**

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict-of-interest codes, will review the proposed/amended conflict-of-interest codes of the following:

**CONFLICT-OF-INTEREST CODES**

**ADOPTION**

**MULTI-COUNTY:** Clean Alliance of Southern California

**AMENDMENT**

**STATE AGENCY:** Department of Pesticide Regulation  
Department of Veterans Affairs

**MULTI-COUNTY:** Marysville Joint Unified School District

A written comment period has been established commencing on April 27, 2018, and closing on June 11, 2018. Written comments should be directed to the Fair Political Practices Commission, Attention Sasha Linker, 1102 Q Street, Suite 3000, Sacramento, California 95811.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for her review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above-referenced conflict-of-interest

code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon her or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict-of-interest code(s). Any written comments must be received no later than June 11, 2018. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

**COST TO LOCAL AGENCIES**

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

**EFFECT ON HOUSING COSTS  
AND BUSINESSES**

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

**AUTHORITY**

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict-of-interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

**REFERENCE**

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict-of-interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

CONTACT

Any inquiries concerning the proposed conflict-of-interest code(s) should be made to Sasha Linker, Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

AVAILABILITY OF PROPOSED  
CONFLICT-OF-INTEREST CODES

Copies of the proposed conflict-of-interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Sasha Linker, Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

**TITLE 2. OFFICE OF  
TRAFFIC SAFETY**

NOTICE OF INTENTION TO AMEND THE  
CONFLICT-OF-INTEREST CODE OF THE  
CALIFORNIA OFFICE OF TRAFFIC SAFETY

NOTICE IS HEREBY GIVEN that the **California Office of Traffic Safety**, pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict-of-interest code. A comment period has been established commencing on **April 27, 2018** and closing on **June 11, 2018**. All inquiries should be directed to the contact listed below.

The **California Office of Traffic Safety** proposes to amend its conflict-of-interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict-of-interest code include:

1. The first page of the document replaced “the standard code may be amended by the Fair Political Practices Commission” with “. . .the Fair Political Practices Commission may amend the standard code. . .” for correct language syntax. Replaced “All other statements will be retained by the Agency” with “The Agency will retain all other statements” for correct syntax.

2. The second page has new updated designated position titles. The designated position title for Staff Services Manager for Administration and Support was changed to Deputy Director for Administration and Technology. New designated position titles have been added to reflect missing or new personnel: Deputy Director, Outreach and Community Engagement, Information Technology Specialist, Public Information Officer.
3. The third page updated “particular consultant” with “consultant” for correct syntax. Replaced “shall be” with “will remain available” for correct syntax.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than **June 14, 2018**, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than **June 26, 2018**.

The **California Office of Traffic Safety** has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:

**Lilliann Isaak**  
**Staff Services Analyst — Administration**  
**Phone: (916) 509-3030**  
**Email: lilly.isaak@ots.ca.gov**  
**Office of Traffic Safety**  
**2208 Kausen Drive, Suite 300**  
**Elk Grove, CA 95758**

**TITLE 3. DEPARTMENT OF FOOD  
AND AGRICULTURE**

The Department of Food and Agriculture (Department) amended subsection 3435(b) of the regulations in Title 3 of the California Code of Regulations pertaining to Asian Citrus Psyllid (ACP) Interior Quarantine as an

emergency action which was effective on January 1, 2018. The Department proposes to continue the regulation as amended and to complete the amendment process by submission of a Certificate of Compliance no later than June 28, 2018.

This notice is being provided to be in compliance with Government Code Section 11346.4.

### PUBLIC HEARING

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Department no later than 15 days prior to the close of the written comment period.

### WRITTEN COMMENT PERIOD

Any interested person or his or her authorized representative may submit written comments relevant to the proposed amendment to the Department. Comments may be submitted by mail, facsimile (FAX) at 916.654.1018 or by email to [keith.okasaki@cdfa.ca.gov](mailto:keith.okasaki@cdfa.ca.gov). The written comment period closes at 5:00 p.m. on June 11, 2018. The Department will consider only comments received at the Department offices by that time. Submit comments to:

Keith Okasaki  
 Department of Food and Agriculture  
 Plant Health and Pest Prevention Services  
 1220 N Street Suite 325  
 Sacramento, CA 95814  
[Keith.Okasaki@cdfa.ca.gov](mailto:Keith.Okasaki@cdfa.ca.gov)  
 916.654.0312  
 916.654.1018 (FAX)

Following the public hearing if one is requested, or following the written comment period if no public hearing is requested, the Department, at its own motion, or at the instance of any interested person, may adopt the proposal substantially as set forth without further notice.

### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The specific purpose of Section 3435 is to provide authority to the State to regulate the movement of hosts and possible carriers of Asian citrus psyllid (ACP), *Diaphorina citri*, from and/or within a regional quarantine zone. Under the proposed regulation change, Section 3435 would adopt a change to a regional quarantine with different regional frameworks governing host nursery stock and bulk citrus.

### ANTICIPATED BENEFITS FROM THIS REGULATORY ACTION

Existing law, Food and Agricultural Code (FAC) Section 403, provides that the department shall prevent the introduction and spread of injurious insect or animal pests, plant diseases, and noxious weeds.

Existing law, FAC Section 407, provides that the Secretary may adopt such regulations as are reasonably necessary to carry out the provisions of this code that the Secretary is directed or authorized to administer or enforce.

Existing law, FAC Section 5301, states that the director may establish, maintain, and enforce such quarantine regulations as she deems necessary to protect the agricultural industry of this state from pests. The regulations may establish a quarantine at the boundaries of this state or elsewhere within the state.

Existing law, FAC Section 5321, provides that the Secretary is obligated to investigate the existence of any pest that is not generally distributed within this State and determine the probability of its spread, and the feasibility of its control or eradication.

Existing law, FAC Section 5322, provides that the Secretary may establish, maintain, and enforce quarantine, eradication, and such other regulations as are in her opinion necessary to circumscribe and exterminate or prevent the spread of any pest that is described in FAC Section 5321.

Existing law, FAC Section 5911, declares that huanglongbing (HLB) is a clear and present danger to California's citrus industry, as well as other commodities and plant life, and that prevention and management of HLB is in the public interest and for the purpose of protecting health, peace, safety, and general welfare of the people of California.

Existing law, California Code of Regulations (CCR) Section 3435, defines the state's interior quarantine area for ACP, articles and commodities covered by the quarantine, restrictions, and exemptions.

The existing law obligates the Secretary to investigate and determine the feasibility of controlling or eradicating pests of limited distribution but establishes discretion with regard to the establishment and maintenance of regulations to achieve this goal. This amendment provides the necessary regulatory authority to prevent the artificial spread of a serious insect pest, which is a mandated statutory goal.

The Department considered any other possible related regulations in this area, and it finds that these are the only regulations dealing in this subject area, and the only State agency that can implement plant quarantines. As required by Government Code Section 11346.5(a)(3)(D), the Department has conducted an evaluation of this regulation and has determined that it

is not inconsistent or incompatible with existing state regulations.

AMENDED TEXT

This emergency rulemaking action created two separate regional quarantine frameworks for different commodities and allowed the Department to regulate ACP host nursery stock and bulk citrus commodities administratively. While both host nursery stock and bulk citrus are hosts of ACP, the vector of Huanglongbing disease, the hosts demand independent regional quarantines to be effectively regulated. Unique regional quarantine frameworks have been created and proposed for each group of hosts to benefit both the citrus nursery stock and bulk citrus industries by allowing the Department to effectively and efficiently respond to future detections of ACP and HLB to provide the best possible protection to each industry.

DISCLOSURES REGARDING THE PROPOSED ACTION

*The Department has made the following initial determinations:*

Mandate on local agencies and school districts: None.

Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500 through 17630: None.

Other nondiscretionary costs or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or business: Most businesses will not be affected. The Department has determined there are approximately 1,680 citrus production nurseries and 3,958 retail nurseries currently operating under a compliance agreement in a quarantined area. In counties that would become fully quarantined by the proposed regulation, there are an additional 656 production nurseries and 1,652 retail nurseries that would be newly included in the quarantine. However, the business practices of these nurseries is unknown and many may not carry host nursery stock and therefore would not be impacted by the proposed regulation. Additional citrus production nurseries, not currently under quarantine and therefore newly included in the proposed Nursery Regional Quarantine Zone 2, would be impacted by having to comply with ACP production nursery stock restrictions.

The Department has determined there are approximately 4,787 citrus growers, 231 packers/processors, and 481 citrus transporters operating under a compliance agreement within the existing quarantine areas. Revision and subsequent amendments of Section 3435 would have little adverse economic impact on growers, as a group, if they send fruit to a packing house or processor within the same bulk citrus regional quarantine zone in which the grower is located. According to the Citrus Research Board, there are approximately 81 citrus growers currently outside of an ACP quarantine area that would be impacted by the regulation change and may have to implement a performance standard to ensure hosts are free from ACP. Current mitigation options include: 1) Conduct pre-harvest treatments with a pesticide effective against psyllids while the fruit is still on the trees; 2) Field clean the fruit to remove leaves and stems during the harvest process; 3) Wet wash the citrus fruit; 4) Send the fruit to a packing house within the same bulk citrus regional quarantine zone and have the packer remove the leaves and stems during the packing process; 5) Any other Department-approved, validated and efficacious methods of mitigating the risk of spreading ACP. As most packing houses already require such actions, the placement of these performance standards in regulation should affect only a small number of growers shipping relatively small amounts of bulk citrus as the majority of growers currently pack their fruit within the regional quarantine zone in which they would be placed with this proposed regulation. Quantifying the small number of growers who will be impacted by this regulation change is not possible because growers may send their fruit for packing anywhere they choose.

Significant effect on housing costs: None.

*Small Business Determination*

The Department has determined that the proposed regulations may have a minor impact on bulk citrus growers who will find that their preferred packer, as a result of the proposed regulation, is located in a different regional quarantine zone from their production area. As noted above, any fruit destined for packing in a different regional quarantine zone will be subject to a pre-harvest treatment, to be practically free of stems and leaves, or to be run through a wet wash process prior to leaving the bulk citrus regional quarantine zone. However, growers who may be impacted by the regulation will have the option to pack their fruit within their regional quarantine zone and therefore be exempt from the pre-harvest treatment or field cleaning mitigations. There are currently 4,787 growers who hold compliance agreements. The Department cannot quantify an estimate of the small number of bulk citrus growers to be impacted by the regulation change, as the data for the

number of bulk citrus growers who would ship fruit for packing outside of their regional quarantine zone has not been made available.

Results of the Economic Impact Analysis

Revision of the regulation will not:

- (1) Create or eliminate jobs within California;
- (2) Create new businesses or eliminate existing businesses within California; or
- (3) Affect the expansion of businesses currently doing business within California.

The Department is not aware of any specific benefits the amendment of this regulation will have on worker safety or the health of California residents. The Department believes the amendment of this regulation benefits the welfare of California residents by protecting the economic health of the entire citrus industry. Citrus growers contribute positively to California’s economy and this amendment will allow the Department to continue to provide the necessary protection to the industry. The citrus industry is a needed source of revenue for the State’s economic health.

The Department has evaluated and determined that the amendment of this regulation is not inconsistent with existing State regulations. There are no other comparable existing State regulations [Gov. Code sec. 11346.5(a)(3)(D)].

ALTERNATIVES CONSIDERED

In accordance with Government Code Section 11346.5, subdivision (a)(13), the Department must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law than the proposal described in this Notice.

The Department invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations during the written comment period.

AUTHORITY AND REFERENCE

Food and Agricultural Code Sections 407, 5301, 5302, and 53221 authorize the Department to adopt this regulation. The proposed revision is to a regulation that interprets and makes specific Sections 401.5, 407, 5301, 5302, 5321, and 5322 of the Food and Agricultural Code.

CONTACT

Inquiries concerning the proposed administrative action may be directed to:

Keith Okasaki  
 Department of Food and Agriculture  
 Plant Health and Pest Prevention Services  
 1220 N Street, Suite 325  
 Sacramento, CA 95814  
 Keith.Okasaki@cdfa.ca.gov  
 916.654.0312  
 916.654.1018 (FAX)

In his absence, you may contact Laura Petro at the same phone number.

INTERNET ACCESS

The Department has posted the information regarding this proposed regulatory action on its Internet website ([www.cdfa.ca.gov/plant/Regulations.html](http://www.cdfa.ca.gov/plant/Regulations.html)).

AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

The Department has prepared an initial statement of reasons for the proposed action, has available all the information upon which its proposal is based, and has available the express terms of the proposed action. A copy of the initial statement of reasons and the proposed regulations in underline and strikeout form may be obtained upon request. The location of the information on which the proposal is based may also be obtained upon request. In addition, when completed, the final statement of reasons will be available upon request. Requests should be directed to the contact named herein.

If the regulations adopted by the Department differ from, but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency officer (contact) named herein.

### TITLE 3. DEPARTMENT OF PESTICIDE REGULATION

#### NOTICE OF INTENTION TO ADOPT A CONFLICT-OF-INTEREST CODE FOR THE DEPARTMENT OF PESTICIDE REGULATION

NOTICE IS HEREBY GIVEN that the Department of Pesticide Regulation, pursuant to the authority vested in it by section 87300 of the Government Code, proposes its conflict-of-interest code. A comment period has been established commencing on April 27, 2018 and closing on June 11, 2018.

The Department of Pesticide Regulation proposes to adopt its conflict-of-interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. A written explanation of why each position was selected and the reasons for the disclosure categories is available.

The Department of Pesticide Regulation's mission is to protect human health and the environment by regulating pesticide sales and use, and by fostering reduced-risk pest management. Copies of the proposed code are available and may be requested from the Contact Person set forth below.

Any interested person may submit written statements, arguments, or comments relating to the proposed code by submitting them in writing no later than June 11, 2018, or at the conclusion of the public hearing, if requested, whichever comes later, to the Contact Person set forth below.

At this time, no public hearing has been scheduled concerning the proposed amendments. If any interested person or the person's representative requests a public hearing, he or she must do so no later than May 27, 2018, by contacting the Contact Person set forth below.

The Department of Pesticide Regulation has determined that the proposed code:

1. Imposes no mandate on local agencies or school districts.
2. Imposes no costs or savings on any state agency.
3. Imposes no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.

6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries should be directed to:

Alexis Carriker  
1001 I Street, MS 4B  
Sacramento, CA 95812  
916-445-6377  
[Alexis.Carriker@cdpr.ca.gov](mailto:Alexis.Carriker@cdpr.ca.gov)

### TITLE 4. CALIFORNIA ALTERNATIVE ENERGY AND ADVANCED TRANSPORTATION FINANCING AUTHORITY

The California Alternative Energy and Advanced Transportation Financing Authority (the "Authority" or "CAEATFA"), organized and operating pursuant to Division 16 (commencing with Section 26000) of the California Public Resources Code (the "Act") — pursuant to the authority vested in it by Public Resources Code Section 26009 to promulgate regulations and Public Resources Code Section 26011 to provide financial assistance to a participating party, and acting pursuant to the Memorandum of Agreement ("MOA") between CAEATFA and the California Public Utilities Commission ("CPUC") which sets forth the policies and procedures for establishment of a series of ratepayer-funded pilot programs as authorized and described in the initial CPUC-approved Decision 13-09-044, Decision Implementing 2013-14 Energy Efficiency Financing Pilot Programs (the "Decision"), issued September 20, 2013 and subsequent CPUC actions<sup>1</sup> — proposes to amend the Residential Energy Efficiency Loan Assistance Program regulations described below after considering all comments, objections, and recommendations regarding the proposed action.

#### PROPOSED REGULATORY ACTION

The Authority proposes to amend Title 4, Division 13, Article 5, Sections 10091.1, 10091.2, 10091.3, 10091.4, 10091.5, 10091.6, 10091.7, 10091.8, 10091.9, 10091.10, 10091.11, 10091.12, 10091.13, 10091.14 and 10091.15 of the California Code of Regulations concerning the implementation of the Residential Energy Efficiency Loan Assistance Program ("REEL Program" or "Program").

Throughout early Program development and implementation the Authority learned many lessons and advocated for specific changes to the pilots to broaden

<sup>1</sup> CPUC has issued additional decisions (D) and rulings addressing issues related to the implementation of the pilot programs, including: D. 15-06-008, D. 15-12-002, and D. 17-03-026.

their relevance to the private market and to streamline operations for participants. On March 29, 2017, the CPUC issued Decision 17–03–026, which granted the Authority additional flexibility to modify the REEL Program from previous guidance documents and requirements. As a result, CAEATFA staff determined that it would be the most effective to make modifications to the Program in stages, quickly implementing some changes to streamline operations, while addressing more complex issues in a subsequent round of modifications. Staff began the initial modification process, proposed modifications, held a lender roundtable, conducted a public workshop, followed by a 10–day public comment period in developing the initial modifications to the regulations, which were approved by the CAEATFA board on August 15, 2017, and subsequently approved by OAL on September 5, 2017 (File No. 2017–0823–04E). A re–adoption of the emergency regulations was necessary to allow enough time for the Certificate of Compliance process and to make additional modifications to the Program as aforementioned. CAEATFA staff proposed additional modifications and again solicited input from Program participants, held a public workshop, followed by a 10–day public comment period. The Authority board approved the re–adoption of emergency regulations with modifications on February 12, 2018, and OAL approved the re–adoption on March 5, 2018 (File No. 2018–0222–01EE).

This current rulemaking action is substantive similar to the previous rulemaking actions under the emergency rulemaking process (File No. 2017–0823–04E and File No. 2018–0222–01EE), with some additional modifications. The Authority is soliciting input for any modifications or amendments to these proposed regulations.

#### PUBLIC HEARING

A public hearing regarding the regulations has been scheduled from 1:00 p.m. until business is concluded on Tuesday, June 12, 2018, at 801 Capitol Mall, Room 141, Sacramento, California 95814. Any additional public hearings will be publicized to CAEATFA’s Listserve and on the Authority’s website located at <http://www.treasurer.ca.gov/caeatfa/cheef/reel/index.asp>.

#### WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the regulations to the Authority. **The written comment period on the regulations ends on Monday, June 11, 2018.** Public comments may be submitted during the

public workshop. All comments must be submitted in writing to the Agency Contact Person identified in this Notice by that time in order for them to be considered by the Authority.

In the event that substantial changes are made to the regulations during the written comment period, the Authority will also accept additional written comments limited to any changed or modified regulations for fifteen (15) calendar days after the date on which such regulations, as changed or modified, are made available to the public pursuant to Title 1, Chapter 1, Article 2, Section 44 of the California Code of Regulations. Such additional written comments should be addressed to the Agency Contact Person identified in this Notice.

#### AUTHORITY AND REFERENCE

Authority: Public Resources Code Section 26009. Section 26009 of the Public Resources Code authorizes the Authority to adopt necessary regulations relating to its authority established by the Act, and Public Resources Code Section 26011 establishes the authority to provide financial assistance to a participating party.

Reference: Public Resources Code Sections 26003(a)(3)(A), 26003(a)(6), 26003(a)(8)(A), 26011 and 26040. On September 19, 2013, the CPUC approved Decision 13–09–044, and requested the Authority act as the master administrator of the California Hub for Energy Efficiency Financing (“CHEEF”), funded by ratepayer funds collected by the four investor–owned utilities — Pacific Gas and Electric Company, San Diego Gas & Electric Company, Southern California Edison Company, and Southern California Gas Company (collectively the “IOUs”). CAEATFA’s purpose is to advance the State’s goals of reducing the levels of greenhouse gas emissions, increasing the deployment of sustainable and renewable energy sources, implementing measures that increase the efficiency of the use of energy, creating high quality employment opportunities, and lessening the State’s dependence on fossil fuels. Its statute provides it the ability to provide financial assistance to various participating parties that carry out eligible projects. In July 2014, CAEATFA received Legislative budget authority to administer the CHEEF functions, and subsequently entered into a Memorandum of Agreement with the CPUC, and a receivables contract with the IOUs.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law establishes the California Alternative Energy and Advanced Transportation Financing Authority and authorizes the Authority to provide “financial assistance” to “participating parties” for the imple-

mentation of “projects” as those terms are defined in Public Resources Code Section 26003. A Memorandum of Agreement between CAEATFA and the CPUC sets forth the policies and procedures for establishment of a series of ratepayer-funded pilot programs as authorized and described in the CPUC-approved Decision 13–09–044, Decision Implementing 2013–14 Energy Efficiency Financing Pilot Programs and associated governing actions.

Primarily, the pilot programs are intended to attract a greater amount of private capital to the energy efficiency retrofit market by reducing risk to lenders; broadening the availability of lower cost financing to individuals who might not have been able to access it otherwise; and addressing the upfront cost barrier to energy efficiency retrofit projects. The REEL Program launched in July 2016, the first in the series of pilot programs to do so. During the Program development and implementation, CAEATFA learned many lessons and advocated for specific changes to the pilots to broaden their relevance to the private market and to streamline operations for participants. These efforts were necessary, from CAEATFA’s perspective, to facilitate Program uptake and increase its effectiveness. On March 29, 2017, the CPUC issued Decision 17–03–026, which granted CAEATFA some additional flexibility to modify the REEL Program from previous guidance Decisions.

The key changes to the Program were:

- Combining Investor Owned Utility (IOU) credit enhancement funds into single accounts to allow for statewide, consolidated loan loss reserve accounts for lenders and to provide a much more valuable credit enhancement for the same overall cost;
- Decoupling energy efficiency measure eligibility for financing from the IOU rebate and incentive programs, allowing for a true test of financing as a mechanism to encourage energy efficiency retrofits and supporting much broader measure eligibility;
- Supporting financing measures to code, allowing for additional project uptake; and
- Improving process efficiencies by removing forms proven to be burdensome to Program participants.

CAEATFA recommended a staged approach to implementing changes, as some could be quickly enacted while others would take more research and development and then be enacted over multiple rulemaking processes. To incorporate the above key changes and address other lessons learned, CAEATFA began the process of developing draft regulations. CAEATFA made publicly available the proposed emergency regu-

lations, held a lender roundtable to solicit input, and conducted a public workshop, followed by a 10-day public comment period.

The CAEATFA board approved the emergency regulations on August 15, 2017, which then OAL approved, and they took effect on September 5, 2017. Key modifications to the emergency regulations included:

- Consolidation of the separate IOU holding accounts;
- Broadening of the list of eligible measures;
- Modifying lender’s legal certifications to align with current implementation agreement; and
- Streamlining forms and removing requests for data that were no longer necessary.

In order to allow time for the process of a Certificate of Compliance in codifying the emergency regulations under the regular rulemaking process, as well as incorporate additional modifications that required additional research, CAEATFA staff proposed re-adopting the emergency regulations with modifications. The key changes included:

- Adding the voluntary Credit–Challenged Program to the REEL Program to incentivize lending to borrowers with low credit scores by allowing those lenders to receive an additional loan loss reserve contribution of 20%;
- Adding a list of Eligible Energy Efficiency Measures established by CAEATFA in creating a statewide, streamlined, simpler list of measures;
- Adding the option of using income of the census tract to determine Low–to–Moderate Income as it was found by CAEATFA impractical for participating lenders to try to ascertain family size as the sole method of determination; and
- Updating the methodology for rebalancing of accounts to allow for recapturing of the original contribution that was made for a particular loan at the end of the fiscal year in which the loan was paid in full, as well as reducing the recapture amount.

For the re-adoption of emergency regulations with modifications, CAEATFA made publicly available the proposed modified emergency regulations, held stakeholder discussions soliciting input, and conducted a public workshop, followed by a 10-day public comment period. The CAEATFA Board approved the re-adoption of emergency regulations with modifications on February 12, 2018. The re-adoption of emergency regulations with modifications was approved by OAL on March 5, 2018.

The proposed regulations seek to make these previous emergency regulations, with additional modifications, permanent through the Certificate of Compliance regular rulemaking process.

Anticipated benefits of the proposed action.

The Authority anticipates that these regulations will have a positive benefit to the health and welfare of California residents and the state's environment since energy improvements to residential properties will assist in energy conservation and the reduction of greenhouse gas emissions; have a positive impact in the creation of jobs within California, particularly those commonly referred to as "green jobs," and may help expand the number of employers currently doing business within the state, particularly energy efficiency retrofit contractor companies; and expand access to capital for energy efficiency retrofits to the diverse California population.

The proposed amendments and policy objectives for the sections that apply.

Section 10091.1. Definitions. Definitions were added, deleted, or amended in order to establish or refine the terms commonly used throughout the Program as a result of the lessons learned in the development and implementation of the Program. The definitions added provide detail on new Program requirements, including Credit-Challenged Borrower, Credit Enhancement Basis, REEL Borrower Form, and Title 20. The definitions deleted, such as Customer Data Release Form, correspond to structural modifications staff believe will streamline the Program operations and increase participation. The definitions amended clarify terms for Program participants and include participant recommendations on Program improvement, such as for the terms Self Installer, Eligible Loan, Eligible Improvements, and Eligible Energy Efficiency Measures.

Section 10091.2. Eligible Financial Institution and Eligible Finance Lender Applications to Participate. This section describes the process for a financial institution or finance lender to apply to participate in the Program. It identifies the information and qualifications required of a financial institution or finance lender. This section is being amended to streamline the lender enrollment process, to include lender requirements for the newly added Credit-Challenged Program, to add the requirement that lenders already participating in the Program must receive Authority approval prior to changing a product offering, and to update lender legal requirements to bring them into alignment with the Program implementation contract between the Authority and IOUs.

Section 10091.3. Additional Requirements for Finance Lenders. This section was amended to correct subsection references. No substantive changes were made.

Section 10091.4. Loan Eligibility and Minimum Underwriting Criteria. This section discusses the minimum financial underwriting criteria required for loans

to be eligible for enrollment in the Program. As the Credit-Challenged Program has been newly added, this section is being amended to require income verification for Credit-Challenged Borrowers when loans are greater than \$20,000 to ensure borrowers have the means to pay the loan service. Language is also being amended to be in alignment with a non-proprietary industry term.

Section 10091.5. Contractor Qualification and Management. This section is being amended as the definition "Qualified Contractor" has been renamed to "Participating Contractor." No substantive changes were made.

Section 10091.6. Establishment and Funding of Loss Reserve Accounts. This section describes the process through which Loss Reserve Accounts are established and funded. This section is being amended to make the Program more attractive to lenders and more efficient to implement by consolidating the Loss Reserve Accounts of the four Investor-Owned Utilities to one statewide account, and revising the methodology for rebalancing the Loss Reserve Accounts to annually rather than quarterly.

Section 10091.7. Optional Loss Reserve Reservation and Project Pre-Approval. This section describes the option for Participating Financial Institutions and Participating Finance Lenders to get loans pre-approved, which is helpful in confirming Eligible Improvements, and/or the availability of funds for Loss Reserve Contributions. This section is being amended to streamline operations, to require the lender to report which methodology was used in determining Low-to-Moderate Income of borrowers, and to update language to be consistent with the consolidation of the lender's Loss Reserve Accounts into statewide accounts.

Section 10091.8. Loan Enrollment. This section outlines the documentation and certifications that are required to be submitted to the Authority to enable CAEATFA to determine that a loan meets the eligibility criteria and may be enrolled in the Program, and to determine the appropriate Loss Reserve Contribution to be deposited into the Loss Reserve Account on behalf of the Participating Financial Institution or Participating Finance Lender. This section is being amended as a result of the addition of the Credit-Challenged Program in adding a 20% Loss Reserve Contribution for Credit-Challenged Borrowers, while clarifying that 20% is the maximum Loss Reserve Contribution regardless if the borrower is Low-to-Moderate Income and in the Credit-Challenged Program. This section is also being amended to clarify language, streamline operations and bring them into industry standards, and to update data points collected to more effectively evaluate who is

benefitting from, and the efficacy of, the Program as the CPUC will be evaluating this Program.

**Section 10091.9. Claims.** This section describes the process whereby a Participating Financial Institution, Participating Finance Lender, or Successor Servicer may claim, and if approved, receive reimbursement for a loss from an Enrolled Loan arising as a result of a borrower’s default and the Participating Financial Institution, Participating Finance Lender, or Successor Servicer’s ultimate charge-off of that loan. This section is being amended to reflect the streamlined consolidation of Investor-Owned Utilities jurisdictional Loss Reserve Accounts into single, statewide Loss Reserve Accounts for lenders.

**Section 10091.10. Project Requirements.** This section is being amended to remove restrictions on project eligibility as allowed by CPUC Decision 17-03-026, which gave CAEATFA the authority to manage the list of eligible measures in the Program for statewide consistency. One statewide list of eligible improvements is being added to reduce complexity and streamline the Program. This section is also being amended to clarify methods of safety tests and who is responsible for them.

**Section 10091.11. Reporting.** This section outlines the information that Participating Financial Institutions, Participating Finance Lenders, and Successor Servicers are required to submit in monthly reports to the Authority. This section is being amended to include the requirement that lenders must report on any sale or transfer of Enrolled Loans in the Program for the purposes of tracking and reporting on loans.

**Section 10091.12. Sale of Enrolled Loans.** This section describes the circumstances under which Participating Financial Institutions and Participating Finance Lenders may assign their rights to the Loss Reserve Contributions for Enrolled Loans to investors who have purchased Enrolled Loans. This section is being amended to clarify that Enrolled Loans can be sold or transferred in whole or in part and update reporting requirements of these loans.

**Section 10091.13. Termination and Withdrawal.** This section is being amended to correct the order of authority references at the end of the section to be in numerical order. No substantive changes were made.

**Section 10091.14. Reports of Regulatory Agencies.** This section is being amended as the definition “Qualified Contractor” has been renamed to “Participating Contractor.” No substantive changes were made.

**10091.15. California Hub for Energy Efficiency Financing Privacy Rights Disclosure.** This section sets forth the necessary information that describes the borrower’s privacy rights under the Program. This section is being amended to clarify language, add that energy savings data from the project may be collected from borrower projects, and clarify that borrower informa-

tion collected may be used by the Authority or the CPUC in order to conduct surveys.

The Authority’s legal counsel reviewed the California Code of Regulations and found no existing regulations dealing with this issue. Therefore, CAEATFA believes that the proposed regulations are neither inconsistent nor incompatible with existing state regulations. The proposed regulations, their purpose, and alternatives considered by the Authority are discussed in detail in the Initial Statement of Reasons.

#### DISCLOSURES REGARDING THE PROPOSED ACTION

The Executive Director of the Authority has made the following determinations regarding the effects of the regulations:

**Mandate on local agencies or school districts:** None.

**Cost or savings to any state agency:** None.

**Cost to any local agency or school district that must be reimbursed in accordance with Government Code Section 17561:** None.

**Other non-discretionary cost or savings imposed on local agencies:** None.

**Cost or savings in federal funding to the state:** None.

**Significant effect on housing costs:** None.

**Significant, statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states:** The Authority has made the determination that the regulations will not have a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**Cost impact on a representative private person or business:** The Authority is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**Small business:** The regulations will not have an adverse impact on small business in California and will not affect small businesses since they do not impose additional restrictions or cost on small businesses.

#### RESULTS OF ECONOMIC IMPACT ANALYSIS

The Authority anticipates that the proposed regulations will (1) unlikely eliminate any jobs within the state, (2) likely create an unknown number of jobs in the energy efficiency industry, (3) unlikely eliminate any existing businesses within the state, and (4) likely have an indirect, non-monetary benefit on the health and welfare of California residents and the state’s environment.

The Authority finds that the proposed regulations will have a positive effect on businesses of contractors who conduct the energy efficiency retrofits. The proposed regulations may also have a positive effect on the state's economy and environment generally as a result of the increased economic activity and energy conservation as a result of borrower's investment in energy upgrades to their homes. Studies have cited the need for lower cost financing as a barrier for homeowners to invest in energy upgrades.

#### CONSIDERATION OF ALTERNATIVES

In accordance with Government Code Section 11346.5(a)(13), the Authority must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Authority invites interested persons to present statements with respect to alternatives to the regulations during the written comment period.

#### AGENCY CONTACT PERSON

Written comments, inquiries and any questions regarding the substance of the regulations shall be submitted or directed to:

Susan Mills  
Program Specialist  
CAEATFA  
915 Capitol Mall  
Sacramento, California 95814  
Telephone: 916-651-3760  
Email: [susan.mills@treasurer.ca.gov](mailto:susan.mills@treasurer.ca.gov)

(backup contact) Chor Vue  
Office Technician  
CAEATFA  
915 Capitol Mall  
Sacramento, California 95814  
Telephone: 916-651-3756  
Email: [chor.vue@treasurer.ca.gov](mailto:chor.vue@treasurer.ca.gov)

#### AVAILABILITY OF INITIAL STATEMENT OF REASONS AND TEXT OF THE PROPOSED REGULATIONS

The Authority has established a rulemaking file for this regulatory action, which contains those items required by law. The file is available for inspection at the Authority's office at 915 Capitol Mall, Sacramento, California 95814, during normal business working hours. As of the date this Notice is published in the Notice Register, the rulemaking file consists of this Notice, the Initial Statement of Reasons, the proposed text of the regulations, the Economic Impact Statement, and the Technical, Theoretical, and/or Empirical Studies, Reports, or Documents. Copies of these items are available upon request from the Agency Contact Person designated in this Notice or at the Authority's website located at <http://www.treasurer.ca.gov/caeatfa/>.

#### AVAILABILITY OF CHANGED OR MODIFIED TEXT

After the public hearing and at the end of the written comment period, the Authority may adopt the regulations substantially as described in this Notice, without further notice. If the Authority makes modifications that are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public for at least fifteen (15) calendar days before the Authority adopts the proposed regulations, as modified. Inquiries about and requests for copies of any changed or modified regulations should be addressed to the Agency Contact Person identified in this Notice. The Authority will accept written comments on the modified regulations for fifteen (15) calendar days after the date on which they are made available.

#### AVAILABILITY OF FINAL STATEMENT OF REASONS

Upon completion, a copy of the Final Statement of Reasons may be requested from the Agency Contact Person designated in this Notice or at the Authority's website located at <http://www.treasurer.ca.gov/caeatfa/cheef/reel/index.asp>.

#### AVAILABILITY OF MATERIALS ON THE INTERNET

Materials prepared for this rulemaking, including this Notice, the Initial Statement of Reasons, the text of the proposed regulations, the Economic Impact Analysis, and Technical, Theoretical, and/or Empirical Studies, Reports, or Documents may be accessed on the Author-

ity's website located at <http://www.treasurer.ca.gov/caeatfa/cheef/reel/index.asp>.

**TITLE 4. CALIFORNIA SCHOOL  
FINANCE AUTHORITY**

**Sections 10176, 10177, 10178, 10179, 10180, 10181,  
10182, 10183, 10184, 10185, 10186, 10187, 10188,  
10189, and 10190**

**Title 4, Division 15, Article 2  
California Code of Regulations**

NOTICE IS HEREBY GIVEN that the California School Finance Authority (Authority), organized and operating pursuant to Sections 10175 through 10191 of the Education Code, proposes to amend the regulations described below after considering all comments, objections, and recommendations regarding the proposed action. Any person interested may present written statements or arguments relevant to the proposed action to the attention of the Contact Person as listed in this Notice no later than 5:00 p.m. on Monday, June 11, 2018. The Authority Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposal substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person(s) designated in this notice as contact person and will be mailed to those persons who submit statements related to this proposal or who have requested notification of any changes to the proposal.

**PROPOSED REGULATORY ACTION**

The Authority proposes to amend Sections 10176, 10177, 10178, 10179, 10180, 10181, 10182, 10183, 10184, 10185, 10186, 10187, 10188, 10189, and 10190 of Title 4 of the California Code of Regulations (Regulations) as permanent regulations. The amended Regulations implement the Authority's responsibilities related to the Charter School Facilities Incentive Grants Program (Program).

**AUTHORITY AND REFERENCE**

Authority: Sections 17179 and 17180 of the Education Code. Section 17179 provides the Authority with the ability to do all things reasonably necessary to carry out its responsibilities. Section 17180(a) provides the Authority the ability to adopt bylaws for the regulation

of its affairs and the conduct of its business. Subdivision (d) authorizes the Authority to receive and accept grants from the federal government. Subdivision (o) allows the Authority the right to adopt guidelines for grants.

Reference: Section 17180(d) of the Education Code; and Section 47600, et seq., of the Education Code. These Regulations implement the Program and include a number of the requirements of that Program contained in the reference code provisions and their implementing Regulations. They also rely on a number of provisions in the Charter Schools Act of 1992, commencing with Section 47600 of the Education Section. Section 17180(d) provides the Authority with the ability to receive grants from the federal government.

**INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW**

The Authority was created in 1985 to assist school districts and community college districts in financing school construction projects (Education Code Section 17170, et seq.). The Authority is authorized to adopt bylaws for the regulation and conduct of its business, and is vested with all powers reasonably necessary to carry out its powers and responsibilities (Education Code Sections 17179 and 17180).

In 2004, 2009, and 2014, the United States Department of Education approved grant awards to the Authority pursuant to the State Charter School Incentive Grant (Grant), authorized under Title V, Part B, Subpart 1 of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act of 2001. The Grant provided for \$49,250,000 in 2004, \$46,132,749 in 2009, and \$50,000,000 in 2014, to be awarded over five-year periods for the purposes of funding per-pupil facilities aid programs for California charter schools. Grant funds are applied toward a charter school's annual costs of rent, lease, mortgage, debt service, or Proposition 39 pro-rata payments for facilities, or towards the costs of purchase, design, construction, and/or renovation of a new or existing facility.

Pursuant to the federal rules governing the Grant, an annual portion of funds must be allocated during each of five consecutive federal fiscal years. The first funding round began on June 28, 2005, when an emergency rulemaking file was approved by the Office of Administrative Law. The Authority adopted regular regulations through the Office of Administrative Law's (OAL) Rulemaking process, and the regulations were approved by OAL on March 24, 2006 (OAL Regulatory Action # 05-0907-02). In order to establish permanent regulations for purposes of administration of the Program, the Authority is proposing permanent regulations through OAL's permanent rulemaking process and a Certificate of Compliance.

The allocation of these grant funds to eligible charter schools is based on preference points assigned for certain factors including the low income population served by the school as reported by the percentage of students eligible to receive free and reduced price meals, the school’s nonprofit status, whether a school is located in an overcrowded attendance area, whether the school has previously received a Program award, the school’s academic performance and its academic performance in comparison to nearby schools as measured by its Smarter Balanced Assessment data as reported by the California Department of Education (CDE).

The amendments to the Regulations are briefly summarized below and are intended to address the following: (1) non-substantive language and/or punctuation changes throughout to improve readability; (2) replacing erroneous references with the correct ones; (3) clarifying language throughout to reflect a more accurate representation of how award amounts are determined; (4) reorganization of text to improve flow and readability; (5) deletion of language prohibiting the Authority from increasing awards should additional funding become available; (6) addition of a six-month timeline at time of application to ensure project readiness is feasible; (7) expansion on Davis-Bacon and Related Acts to ensure federal guidelines are met; (8) deletion of obsolete language; (9) increasing six-month drawdown requirement to one year so the deadline is consistent throughout the regulations; (10) addition of clear penalties for failing to drawdown funds in accordance with grant agreement requirements; and (11) addition of language that allows, in rare instances and on a case-by-case basis, approval of extensions to the annual drawdown requirement.

The Authority has conducted an evaluation as to whether there are any related regulations on this matter and has found that these are the only regulations dealing with this type of program. Therefore the proposed Regulations do not present any inconsistencies or incompatibilities with existing state regulations.

**ANTICIPATED BENEFITS OF THE PROPOSED REGULATION**

These proposed amendments to the Regulations will establish consistency with Program policy and practice, reference correct Program references, and set forth clarifying language. As such, the proposed Regulations are expected to enhance efficiency and uniformity in the Program’s administration. The Authority is proposing permanent regulations through OAL’s permanent rule-

making process and through the submission of a Certificate of Compliance.

**EVALUATION OF INCONSISTENCY/INCOMPATIBILITY WITH EXISTING STATE REGULATIONS**

After conducting an evaluation for other regulations on this matter, the Authority has found that these are the only regulations concerning the Program. Therefore, the proposed Regulations are neither inconsistent nor incompatible with any existing state regulations.

The Regulations are briefly summarized below:

**Section 10176 Definitions**

- Clean-up change that is considered non-substantive.

**Section 10177 Eligible Applicant**

- Clean-up changes that are considered non-substantive.

**Section 10178 Eligible Costs**

- Clean-up changes that are considered non-substantive.
- Correcting an erroneous reference of CSFP to CSFGP.

**Section 10179 Maximum Grant**

- Clean-up change that is considered non-substantive.
- Replacing the word “annual” with “total” and adding the word “project” to more accurately represent how awards are calculated.
- Reorganization and rewording of supplement/supplant language for improved flow, readability, and to more accurately reflect how supplement/supplant is calculated.
- Deletion of language which prohibits the Authority from increasing grant agreements beyond initial award amounts.

**Section 10180 Application Submission**

- Clean-up change that is considered non-substantive.
- Addition of the word “determinations” to clearly delineate the action awardees should expect in the timeframe referenced.

**Section 10181 Content of Application**

- Deletion of the term “attachments” and replacing with “supporting documentation” to more accurately reflect what should be included with the application.
- Clean-up changes that are considered non-substantive.

- Addition of a six-month timeline to demonstrate project readiness at time of application to ensure grant funding is awarded to projects that can expend funds within the required regulatory timeframes.
- Additional language included under Davis-Bacon and Related Acts to clearly explain this federal requirement.

**Section 10182 Evaluation Criteria**

- Deletion of the reference to Academic Performance Index as the term is no longer relevant.
- Clean-up changes that are considered non-substantive.
- Addition of the word “standard” and deletion of the word “assessment” to mirror the citations from the California Department of Education.

**Section 10183 Award Methodology**

- Rewording of current language relating to deficiencies to improve readability and clearly identify the Authority’s actions.

**Section 10184 Approval of Grant and Notification of Subgrantees**

- Duplicative language has been removed.

**Section 10185 Obligation and Expenditure of Funds**

- Updated to reflect current federal grant status.
- The six-month requirement has been increased to one year for consistency throughout regulations.
- Language was added which imposes a clear penalty for failure to draw down the annual one-third requirement. No previous penalty had been delineated.
- Addition of language allowing the Authority to extend the drawdown requirement on a case-by-case basis.
- A new subdivision has been added that provides the Authority with the ability to increase individual grant awards for lease and Proposition 39 schools if additional funding becomes available.

**Section 10186 Approval of Grant Use Change**

- Duplicative language has been removed.

**Section 10187 Grant Agreements**

- Clean-up changes that are considered non-substantive.

**Section 10188 Release of Funds**

- Clean-up changes that are considered non-substantive.
- The six-month requirement has been increased to one year for consistency throughout regulations.

- Language was added which imposes a clear penalty for failure to draw down the annual one-third requirement. No previous penalty had been delineated.

**Section 10190 Audits and Conflicts of Interest**

- Clean-up changes that are considered non-substantive.

**OTHER MATTERS PRESCRIBED BY STATUTES APPLICABLE TO THE SPECIFIC STATE AGENCY OR TO ANY SPECIFIC REGULATION OR CLASS OF REGULATIONS**

No other matters prescribed by statute are applicable to the Authority or to any specific regulation or class of regulations pursuant to Section 11346.5(a)(4) of the California Government Code pertaining to the proposed Regulations or the Authority.

**MANDATE ON LOCAL AGENCIES OR SCHOOL DISTRICTS**

The Authority has determined that the Regulations do not impose a mandate on local agencies or school districts.

**FISCAL IMPACT**

The Authority has determined that the Regulations do not impose any additional cost or savings to any state agency, any costs to any local agency or school district requiring reimbursement under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code, any other non-discretionary cost or savings to any local agency, or any cost or savings in federal funding to the State.

**INITIAL DETERMINATION REGARDING ANY SIGNIFICANT, STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESS**

The Authority has made an initial determination that the Regulations will not have any significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**EFFECT ON SMALL BUSINESSES**

The Authority has determined that the adoption of the Regulations will not affect small business. The Program is a voluntary grant program available to charter schools to assist with the costs of charter school facilities.

COST IMPACTS

The Authority is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

RESULTS OF THE ECONOMIC  
IMPACT ASSESSMENT

The Authority has determined, pursuant to Government Code Section 11346.3(b)(1)(A)–(D), that the Regulations will not have an effect on jobs and business expansion, elimination or creation. As such, to the extent that the awards benefit the long-term viability of charter schools and the expansion of charter schools, the Program and its proposed regulations have the potential to directly benefit economically vulnerable populations and communities throughout the State.

COST IMPACT ON HOUSING

The Regulations will not have any effect on housing costs.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code Section 11346.5(a)(13), the Authority must determine that no reasonable alternative to the Regulations considered by the Authority or that has otherwise been identified and brought to the attention of the Authority, would be more effective in carrying out the purpose for which the Regulations are proposed or would be as effective and less burdensome to affected private persons than the Regulations, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Authority invites interested persons to present statements with respect to alternatives to the Regulations during the written comment period.

AGENCY CONTACT PERSON(S)

Written comments, inquiries, and any questions regarding the substance of the Regulations shall be submitted or directed to:

Katrina Johantgen, Executive Director  
California School Finance Authority  
at:

300 S. Spring Street, Suite 8500  
Los Angeles, CA 90013  
(213) 620–4467

or

915 Capitol Mall, Room 101  
Sacramento, CA 95814  
(916) 651–7710

Or by email to [katrina.johantgen@treasurer.ca.gov](mailto:katrina.johantgen@treasurer.ca.gov)  
or [csfa@treasurer.ca.gov](mailto:csfa@treasurer.ca.gov).

The following person is designated as a backup contact person for inquiries only regarding the Regulations:

Mark Paxson, General Counsel  
State Treasurer’s Office  
915 Capitol Mall, Room 110  
Sacramento, CA 95814  
(916) 653–2995

WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the Regulations to the Authority. The written comment period on the Regulations will end at 5:00 p.m. on Monday, June 11, 2018. All comments to be considered by the Authority must be submitted in writing to the Agency Contact Person identified in this Notice by that time. In the event that changes are made to the Regulations during the written comment period, the Authority will also accept additional written comments limited to any changed or modified Regulations for 15 calendar days after the date on which such Regulations, as changed or modified are made available to the public pursuant to Title 1, Chapter 1, Section 44 of the California Code of Regulations. Such additional written comments should be addressed to the Agency Contact Person identified in this Notice.

AVAILABILITY OF INITIAL STATEMENT OF  
REASONS, RULEMAKING FILE AND EXPRESS  
TERMS OF PROPOSED REGULATIONS

The Authority has established a rulemaking file for this regulatory action, which contains those items required by law. The file is available for inspection at the Authority’s office at 915 Capitol Mall, Suite 101, Sacramento, California, during normal business hours. As of the date this Notice is published in the Notice Reg-

ister, the rulemaking file consists of this Notice, the Initial Statement of Reasons, and the proposed text of the Regulations. Copies of these items are available upon request, from the Agency Contact Person designated in this Notice. The Sacramento address will also be the location for inspection of the rulemaking file and any other public records, including reports, documentation and other materials related to this proposed regulatory action. In addition, the rulemaking file, including the Initial Statement of Reasons and the proposed text, may be viewed on the Authority's website at [www.treasurer.ca.gov/csfa](http://www.treasurer.ca.gov/csfa).

### PUBLIC HEARING

No public hearing regarding the Regulations has been scheduled. Anyone wishing a public hearing must submit a request in writing, pursuant to Section 11346.8 of the Government Code, to the Authority at least 15 days before the end of the written comment period. Such requests should be addressed to the Agency Contact Person identified in this Notice and should specify the Regulations for which the hearing is being requested.

### 15-DAY AVAILABILITY OF CHANGED OR MODIFIED TEXT

After the written comment period ends and following a public hearing, if any is requested, the Authority may adopt the Regulations substantially as described in this Notice, without further notice. If the Authority makes modifications that are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public (including through the Authority's website described above) for at least fifteen (15) calendar days before the Authority adopts the proposed regulations, as modified. Inquiries about and requests for written copies of any changed or modified regulations should be addressed to the Agency Contact Person identified in this Notice.

### AVAILABILITY OF FINAL STATEMENT OF REASONS

The Authority is required to prepare a Final Statement of Reasons pursuant to Government Code Section 11346.9. Once the Authority has prepared a Final Statement of Reasons, a copy will be made available to anyone who requests a copy and will be available on the Authority's website described above. Written requests for copies should be addressed to the Agency Contact Person identified in this Notice.

## TITLE 12. DEPARTMENT OF VETERANS AFFAIRS

### NOTICE OF INTENTION TO AMEND THE CONFLICT-OF-INTEREST CODE OF THE CALIFORNIA DEPARTMENT OF VETERANS AFFAIRS

NOTICE IS HEREBY GIVEN that the California Department of Veterans Affairs, pursuant to the authority vested in it by section 87306 of the Government Code, proposes to amend its Conflict-of-Interest Code. The purpose of these amendments is to implement the requirements of sections 87300 through 87302, and section 87306 of the Government Code.

The California Department of Veterans Affairs proposes to amend its Conflict-of-Interest Code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of Government Code.

This amendment updates the designated positions and reporting categories that must disclose their financial interests according to the Conflict-of-Interest Code and makes other technical changes to reflect the current organizational structure of the Department. Copies of the amended code are available and may be requested from the Contact Person set forth below.

Any interested person may submit written statements, arguments, or comments relating to the proposed amendments by submitting them in writing no later than June 11, 2018, or at the conclusion of the public hearing, if requested, whichever comes later, to the Contact Person set forth below.

At this time, no public hearing has been scheduled concerning the proposed amendments. If any interested person or the person's representative requests a public hearing, he or she must do so no later than May 25, 2018, by contacting the Contact Person set forth below.

The California Department of Veterans Affairs has prepared a written explanation of the reasons for the proposed amendments and has available the information on which the amendments are based. Copies of the proposed amendments, the written explanation of the reasons, and the information on which the amendments are based may be obtained by contacting the Contact Person set forth below.

The California Department of Veterans Affairs has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.

3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

In making these proposed amendments, the California Department of Veterans Affairs must determine that no alternative considered by the agency would be more effective in carrying out the purpose for which the amendments are proposed or would be as effective and less burdensome to affected persons than the proposed amendments.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:

Tanya Murrey  
 California Department of Veterans Affairs

**TITLE 27. OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT**

**SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 PROPOSITION 65**

**PROPOSED AMENDMENTS TO ARTICLE 6 CLEAR AND REASONABLE WARNINGS SECTION 25603 CONSUMER PRODUCT EXPOSURE WARNINGS — CONTENT FOR ON-PRODUCT WARNINGS FOR LISTED CHEMICALS IN PESTICIDES REGULATED UNDER FEDERAL INSECTICIDE, FUNGICIDE, AND RODENTICIDE ACT (FIFRA)**

NOTICE IS HEREBY GIVEN that the Office of Environmental Health Hazard Assessment (OEHHA) proposes to amend Article 6 of Title 27 of the California Code of Regulations<sup>1</sup>, section 25603. OEHHA adopted

new Article 6 Clear and Reasonable Warnings regulations in August 2016 (Operative in August 2018) that included safe harbor warning methods and content for consumer product exposures (Sections 25602 and 25603) and occupational exposures (Section 25606) to listed chemicals. OEHHA has received a request to modify the safe harbor warning content for on-product warnings for exposures to listed chemicals in pesticides. This is the subject of this rulemaking.

**PUBLIC PROCEEDINGS**

In order to be considered, **OEHHA must receive comments by 5:00 p.m. on June 11, 2018**, the designated close of the written comment period. All comments will be posted on the OEHHA website at the close of the public comment period.

The public is encouraged to submit written information electronically, rather than in paper form. Comments may be submitted electronically through our website at <https://oehha.ca.gov/comments>. Comments submitted in paper form can be mailed, faxed, or delivered in person to the address below.

Monet Vela  
 Office of Environmental Health Hazard Assessment  
 1001 I Street, 23rd Floor  
 P. O. Box 4010  
 Sacramento, California 95812-4010  
 Telephone: 916-323-2517  
 Fax: 916-323-2610

Please be aware that OEHHA is subject to the California Public Records Act and other laws that require the release of certain information upon request. If you provide comments, please be aware that your name, address and e-mail may be available to third parties.

A public hearing on this proposed regulatory amendment will be scheduled on request. To request a hearing, please send an e-mail to Monet Vela at [monet.vela@oehha.ca.gov](mailto:monet.vela@oehha.ca.gov) or to the address listed above by no later than **May 25, 2018**, which is at least 15 days before the close of the comment period. OEHHA will mail a notice of the hearing to the requester and interested parties on the Proposition 65 mailing list for regulatory public hearings. The notice will also be posted on the OEHHA website at least ten days before the public hearing date. The notice will provide the date, time, and location of the hearing.

If a hearing is scheduled and you have special accommodation or language needs, please contact Monet Vela at (916) 323-2517 or [monet.vela@oehha.ca.gov](mailto:monet.vela@oehha.ca.gov) at least one week in advance of the hearing. TTY/TDD/Speech-to-Speech users may dial the California Relay Service: 1-800-735-2929 (TTY), 1-800-735-2922 (Voice) TTY which is a Telecommunications Device

for the Deaf, and is reachable only from phones equipped with a TTY Device.

#### CONTACT

Please direct inquiries concerning the proposed regulatory action described in this notice to Monet Vela at (916) 323-2517, or by e-mail to [monet.vela@oehha.ca.gov](mailto:monet.vela@oehha.ca.gov). Mario Fernandez is a back-up contact person for inquiries concerning processing of this action and is available at (916) 323-2635 or [mario.fernandez@oehha.ca.gov](mailto:mario.fernandez@oehha.ca.gov).

#### AUTHORITY

Health and Safety Code section 25249.12 and Health and Safety Code section 25249.8(a).

#### REFERENCE

Health and Safety Code sections 25249.5, 25249.6, 25249.8(a), 25249.10, 25249.11 and 25249.12

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

#### BACKGROUND

OEHHA is the lead state agency that implements Proposition 65<sup>2</sup> and has the authority to promulgate and amend regulations to further the purposes of the Act. The Act requires businesses to provide a clear and reasonable warning before they cause an exposure to a chemical listed as known to the state to cause cancer or reproductive toxicity.<sup>3</sup> The proposed amendment to the regulations would add optional signal words that would be allowed in narrow circumstances where a warning is provided on a product regulated under FIFRA and the signal word “warning” conflicts with the FIFRA requirements.

#### SPECIFIC BENEFITS OF THE PROPOSED REGULATIONS

The proposed regulatory action will assist businesses, in particular pesticide registrants, to comply with the Act by providing optional signal words for on-product warnings for listed chemicals in pesticides that are also

---

<sup>2</sup> Health and Safety Code section 25249.5 et seq., The Safe Drinking Water and Toxic Enforcement Act of 1986, commonly known as “Proposition 65”. Hereafter referred to as “Proposition 65” or “the Act”.

<sup>3</sup> Health and Safety Code section 25249.6.

consistent with the FIFRA and related California laws. The health and welfare of California residents will likely benefit because warnings will be more likely to be placed on a product label, thus making it easier for them to identify the source of exposure to the listed pesticide.

#### NO INCONSISTENCY OR INCOMPATIBILITY WITH EXISTING STATE REGULATIONS

OEHHA has conducted an evaluation and has determined that Article 6 is the only regulation concerning Proposition 65 warnings. The action is being proposed to harmonize safe harbor warning content requirements for product labels to ensure compatibility with state pesticide regulations. Therefore, the proposed regulatory action is neither inconsistent nor incompatible with any other existing state regulations.

#### LOCAL MANDATE/FISCAL IMPACT

Because Proposition 65 by its terms<sup>4</sup> does not apply to local agencies or school districts, OEHHA has determined the proposed regulatory action would not impose a mandate on local agencies or school districts. There are also no costs to any local agency or school district requiring reimbursement under Part 7 (commencing with Section 17500) of Division 4 of the Government Code because Proposition 65 does not apply to these facilities.<sup>5</sup> OEHHA has also determined that no nondiscretionary costs or savings to local agencies or school districts will result from the proposed regulatory action, nor will there be any costs or savings to the state because of the proposed regulatory action. There are also no costs or savings in federal funding to the state.

#### EFFECT ON HOUSING COSTS

OEHHA has initially determined that the proposed regulatory action will have no effect on housing costs because it does not impose any new mandatory requirements on any business.

#### SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESS, INCLUDING ABILITY TO COMPETE

The proposed regulatory action provides compliance assistance to businesses subject to the Act by adding optional signal words for safe harbor warnings for businesses wishing to provide warnings on product labels for exposures to listed chemicals in pesticides. The proposed amendment does not impose any mandatory re-

---

<sup>4</sup> See Health and Safety Code section 25249.11(b).

<sup>5</sup> Health and Safety Code section 25249.11(b).

quirements on those businesses. OEHHA has therefore made an initial determination that the adoption of these amendments will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**RESULTS OF ECONOMIC IMPACT ANALYSIS**  
(Gov. Code section 11346.3(b))

**Creation or Elimination of Jobs within the State of California**

The proposed regulatory action will not impact the creation or elimination of jobs within California. The proposed amendment provides a narrow exception to the signal word requirements under the safe harbor provisions for affected businesses opting to provide safe harbor warnings on product labels for exposures to listed chemicals from the use of pesticides.

**Creation of New Businesses or Elimination of Existing Businesses within the State of California**

The proposed regulatory action will not impact the creation of new businesses or the elimination of existing businesses within California. The proposed amendment provides a narrow exception to the signal word requirements under the safe harbor provisions for affected businesses opting to provide safe harbor warnings on product labels for exposures to listed chemicals from the use of pesticides.

**The Expansion of Businesses Currently Doing Business within the State**

OEHHA does not anticipate any major impact on the expansion of businesses currently doing business within the state. The proposed amendment interprets and makes specific the warning requirements of the Act by providing a narrow exception regarding signal words used for warnings on pesticide product labels. A business may still choose not to take advantage of the safe harbor provisions and provide an otherwise “clear and reasonable” warning that complies with the Act.

**Benefits of the Proposed Regulation**

Affected businesses will likely benefit from the proposed regulatory action because the amendments provide optional safe harbor warning content for Proposition 65 warnings on pesticide product labels that are also consistent with FIFRA and related California laws. The health and welfare of California residents will likely benefit because warnings will more likely be placed on a product label, thus making it easier for consumers to identify the source of exposure to the listed pesticide.

**COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS**

OEHHA is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed regulatory action. The action does not impose any new requirements upon private persons or businesses.

**EFFECT ON SMALL BUSINESSES**

The proposed regulatory action will not adversely impact very small businesses because Proposition 65 is limited by its terms to businesses with 10 or more employees.<sup>6</sup>

**REASONABLE ALTERNATIVES TO THE REGULATION AND THE AGENCY’S REASONS FOR REJECTING THOSE ALTERNATIVES**

Pursuant to Government Code section 11346.5(a)(13), OEHHA must determine that no reasonable alternative considered by OEHHA, or that has otherwise been identified and brought to the attention of OEHHA, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected businesses than the proposed action, or would be more cost-effective to affected businesses and equally effective in implementing the statutory policy or other provision of law.

**AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS**

OEHHA has prepared and has available for public review an Initial Statement of Reasons for the proposed regulation, all the information upon which the regulation is based, and the text of the proposed regulation. These documents are available on OEHHA’s website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

**AVAILABILITY OF CHANGED OR MODIFIED TEXT**

The full text of any proposed regulation that is changed or modified from the express terms of this proposed action will be made available at least 15 days prior to the date on which OEHHA adopts the resulting regulation. Notice of the comment period on the revised proposed regulation and the full text will be mailed to individuals who testified or submitted oral or written comments at the public hearing, whose comments were

<sup>6</sup> Health and Safety Code section 25249.11(b).

received by OEHHA during the public comment period, and anyone who requests notification from OEHHA of the availability of such change. Copies of the notice and the changed regulation will also be available on the OEHHA website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

AVAILABILITY OF THE FINAL STATEMENT OF REASONS

A copy of the Final Statement of Reasons may be obtained, when it becomes available, from Monet Vela at the e-mail or telephone number indicated above. The Final Statement of Reasons will also be available on OEHHA's website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

GENERAL PUBLIC INTEREST

DEPARTMENT OF FISH AND WILDLIFE

PROPOSED RESEARCH ON FULLY PROTECTED SPECIES

Research on American Peregrine Falcon

The Department of Fish and Wildlife (Department) received a study proposal on December 26, 2017 from Steven Jake Manley (applicant), with Wildlife Innovations, requesting authorization to take American peregrine falcon (*Falco peregrinus anatum*; peregrine), a Fully Protected bird, for scientific research purposes, consistent with conservation and recovery of the species. Additionally, take of peregrines will also be for the purpose of assisting with recovery of light-footed Ridgway's rail (*Rallus obsoletus levipes*) (rail), a Fully Protected species, California least tern (*Sternula antillarum browni*) (least tern), a Fully Protected species, and western snowy plover (*Charadrius alexandrinus nivosus*) (plover), a Federally Threatened species and California Bird Species of Special Concern.

Mr. Manley is planning to conduct studies on all species noted above at San Elijo Lagoon and Naval Base Coronado in San Diego county, in accordance with standardized methods approved by the Department and the U.S. Fish and Wildlife Service (Service). This research may be conducted in other areas of the state as approved by the Department. The research activities include capture, collection of standard measurements, banding, color-banding, blood and feather sampling, and relocation. If any peregrines are found dead, or if any eggs abandoned, they may be salvaged and donated to a scientific institution open to the public, as

designated by the Department and the Service. No adverse effects on individuals or populations are expected.

The Department intends to issue, under specified conditions, a Memorandum of Understanding (MOU) that would authorize qualified professional wildlife researchers, with Mr. Manley as the Principal Investigator, to carry out the proposed activities. The applicant is also required to possess valid federal permits, and a scientific collecting permit (SCP) to take other terrestrial species in California.

Pursuant to California Fish and Game Code (FGC) Section 3511(a)(1), the Department may authorize take of Fully Protected birds after a 30-day notice has been provided to affected and interested parties through publication of this notice. If the Department determines that the proposed research is consistent with the requirements of FGC Section 3511 for take of Fully Protected birds, it would issue the authorization on or after May 27, 2018, for an initial and renewable term of three years. The term may be extended with Department authorization. Contact: Carie Battistone, Wildlife Branch, [Carie.Battistone@wildlife.ca.gov](mailto:Carie.Battistone@wildlife.ca.gov), 916-445-3615.

DEPARTMENT OF FISH AND WILDLIFE

HABITAT RESTORATION AND ENHANCEMENT ACT CONSISTENCY DETERMINATION NO. 1653-2018-012-001-R3

**Project:** LandSmart on-the-Ground for Sonoma Creek — Vineyard Project 3  
**Location:** Sonoma County  
**Applicant:** Nancy and Tony Lilly  
**Notifier:** Kevin Cullinen, Sonoma Resource Conservation District

BACKGROUND

Project Location: The LandSmart on-the-Ground for Sonoma Creek — Vineyard Project 3, (Project) is located at 27255 Arnold Drive, Sonoma, CA, 95476, at a property owned by Nancy and Tony Lilly, Assessor Parcel Numbers (APN) 068-080-005; 068-090-010; 142-111-003; 142-121-011, and affects unnamed tributaries to Tolay Creek and Sonoma Creek. The unnamed tributaries to Sonoma Creek may support populations of California red-legged frogs (*Rana draytonii*).

Project Description: Nancy and Tony Lilly (Applicant) propose to enhance or restore habitat within unnamed tributaries to Tolay Creek and Sonoma Creek to provide a net conservation benefit to reduce erosion and

sedimentation downstream. The Project includes installing three rock ford stream crossings at three separate tributaries and addressing two head cuts at a fourth tributary to reduce sedimentation. Road grading will also occur along 2.5 miles of road including grading near 14 stream crossings to disconnect the road drainage and to reduce sediment input to on-site streams.

**Project Size:** The total area of ground disturbance associated with the Project is approximately 0.033 acres and 150 linear feet. The Applicant has included project size calculations that were used to determine the total size of the Project. The proposed Project complies with the General 401 Certification for Small Habitat Restoration Projects and associated categorical exemption from the California Environmental Quality Act (Cal. Code Regs., tit. 14, § 15333).

**Project Associated Discharge:** Discharge of materials into Waters of the State, as defined by Water Code section 13050 subdivision (e), resulting from the Project include those associated with the following: 1) rock riprap and 2) erosion control measures.

Project

**Timeframes:** Start date: June 2017  
 Completion date: September 2018  
 Work window: July 1 to  
 September 30

**Water Quality Certification Background:** Because the Project’s primary purpose is habitat restoration intended to improve the quality of waters in California, the San Francisco Regional Water Quality Control Board (Regional Water Board) issued a Notice of Applicability (NOA) for Coverage under the State Water Resources Control Board General 401 Water Quality Certification Order for Small Habitat Restoration Projects SB12006GN (Order), CIWQS Reg. Meas. 414138, CIWQS Place ID 836456 for the Project. The NOA describes the Project and requires the Applicant to comply with terms of the Order. Additionally, the Applicant has provided a supplemental document that sets forth measures to avoid and minimize impacts from sediment and erosion on-site from stormwater flows.

Regional Water Board staff determined that the Project may proceed under the Order. Additionally, Regional Water Board staff determined that the Project, as described in the Notice of Intent (NOI), complies with the California Environmental Quality Act (Pub. Resources Code, § 21000 et seq.).

On March 19, 2018, the Director of the California Department of Fish and Wildlife (CDFW) received a notice from the Applicant requesting a determination pursuant to Fish and Game Code Section 1653 that the NOA, NOI, and related species protection measures are consistent with the Habitat Restoration and Enhancement Act (HREA) with respect to the Project.

Pursuant to Fish and Game Code section 1653 subdivision (c), CDFW filed an initial notice with the Office of Administrative Law on March 20, 2018, for publishing in the General Public Interest section of the California Regulatory Notice Register (Cal. Reg. Notice File Number Z-2018-0320-06) on March 30, 2018. Upon approval, CDFW will file a final notice pursuant to Fish and Game Code section 1653 subdivision (f).

DETERMINATION

CDFW has determined that the NOA, NOI, and related species protection measures are consistent with HREA as to the Project and meet the conditions set forth in Fish and Game Code section 1653 for authorizing the Project.

Specifically, CDFW finds that: (1) The Project purpose is voluntary habitat restoration and the Project is not required as mitigation; (2) the Project is not part of a regulatory permit for a non-habitat restoration or enhancement construction activity, a regulatory settlement, a regulatory enforcement action, or a court order; and (3) the Project meets the eligibility requirements of the State Water Resources Control Board’s Order for Clean Water Act Section 401 General Water Quality Certification for Small Habitat Restoration Projects.

AVOIDANCE AND MINIMIZATION MEASURES

The avoidance and minimization measures for the Project, as required by Fish and Game Code section 1653, subdivision (b)(4), were included in an attachment to the NOI, which contains the following categories: 1) Construction-period Water Quality Protection and Erosion and Sedimentation Control Measures; 2) Post-construction Sediment Control and Water Quality Protection Requirements; 3) General Program Conditions for Vegetation Management; and 4) General Measures to Avoid Impacts on Biological Resources. The specific avoidance and minimization requirements are found in an attachment to the NOI, *Environmental Protection Measures for LandSmart Program Projects Covered by the Sonoma RCD LandSmart Program Mitigated Negative Declaration Document*.

MONITORING AND REPORTING

As required by Fish and Game Code section 1653, subdivision (g), the Applicant included a copy of the monitoring and reporting plan. The Applicant’s Monitoring and Reporting Plan provides a timeline for restoration, performance standards, and monitoring parameters and protocols. Specific requirements of the plan are found in an attachment to the NOI, *Monitoring*

*and Reporting Plan LandSmart On-the-Ground for Sonoma Creek Vineyards, Tallgrass Ranch, Wildcat Mountain Vineyard, Sonoma, California, prepared by the Sonoma RCD.*

## NOTICE OF COMPLETION

Coverage under the State Water Resources Control Board General 401 Water Quality Certification Order for Small Habitat Restoration Projects requires that a Notice of Completion (NOC) be submitted by the applicant no later than 30 days after the project has been completed. A complete NOC includes as a minimum:

- photographs with a descriptive title;
- date the photograph was taken;
- name of the photographic site;
- CIWQS Reg. Meas. and CIWQS Place ID number indicated above;
- success criteria for the Project.

The NOC shall demonstrate that the Project has been carried out in accordance with the Project description as provided in the applicant's NOI. Applicant shall include the project name, WDID number, and ECM PIN number with all future inquiries and document submittals. Pursuant to Fish and Game Code section 1653, subdivision (g), the Applicant shall submit the monitoring plan, monitoring report, and notice of completion to CDFW as required by the General Order. Document submittals shall be made electronically to: [karen.weiss@wildlife.ca.gov](mailto:karen.weiss@wildlife.ca.gov).

## PROJECT AUTHORIZATION

Pursuant to Fish and Game Code section 1654, CDFW's approval of a habitat restoration or enhancement project pursuant to sections 1652 or 1653 shall be in lieu of any other permit, agreement, license, or other approval issued by the department, including, but not limited to, those issued pursuant to Chapter 6 (commencing with section 1600) and Chapter 10 (commencing with section 1900) of this Division and Chapter 1.5 (commencing with section 2050) of Division 3. Additionally, Applicant must adhere to all measures contained in the approved NOA, and comply with other conditions described in the NOI.

If there are any substantive changes to the Project or if the Water Board amends or replaces the NOA, the Applicant shall be required to obtain a new consistency determination from CDFW. (See generally Fish & G. Code, § 1654, subd. (c).)

## DEPARTMENT OF FISH AND WILDLIFE

FISH AND GAME CODE SECTION 1653  
CONSISTENCY DETERMINATION  
REQUEST FOR  
Lower Sugar Creek BDA Project  
(Tracking Number: 1653-2018-015-001-R1)  
Siskiyou County

California Department of Fish and Wildlife (CDFW) received a Request to Approve on April 9, 2018 proposing that the Scott River Watershed Council carry out a habitat restoration or enhancement project pursuant to Fish and Game Code section 1653. The proposed project involves repairing an existing Beaver Dam Analogue (BDA) as well as constructing two additional BDAs downstream of the existing BDA to stabilize the existing BDA, maintain and expand juvenile coho salmon habitat and improve fish passage. The proposed project will be carried out on Sugar Creek, between Highway 3 and the confluence with the Scott River in Siskiyou County, California.

On September 27, 2017, the North Coast Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) to comply with the terms of, and obtain coverage under, the General 401 Water Quality Certification Order for Small Habitat Restoration Projects (General 401 Order) for the Lower Sugar Creek BDA Project. The Regional Water Board determined that the Project, as described in the NOI, was categorically exempt from California Environmental Quality Act (CEQA) review (section 15333 — Small Habitat Restoration Projects) and met the eligibility requirements for coverage under the General 401 Order. The Regional Water Board issued a Notice of Applicability (WDID No. 1A171760WNSI; ECM PIN No. CW-840314) for coverage under the General 401 Order on September 28, 2017.

The Scott River Watershed Council is requesting a determination that the project and associated documents are complete pursuant to Fish and Game Code section 1653 subdivision (d). If CDFW determines the project is complete, the District will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) or a Lake or Streambed Alteration Agreement under Fish and Game Code section 1605 for the proposed project.

In accordance with Fish and Game Code section 1653 subdivision (e), if CDFW determines during the review, based on substantial evidence, that the request is not complete, the Scott River Watershed Council will have the opportunity to submit under Fish and Game Code section 1652.

**DEPARTMENT OF PUBLIC HEALTH**

**TITLE:** PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT (PHHSBG) STATE PLAN FOR FEDERAL FISCAL YEAR (FFY) 2018

**ACTION:** NOTICE OF ADVISORY COMMITTEE MEETING FOR THE FFY 2018 STATE PLAN

**SUBJECT:** Notice is given that the Preventive Health and Health Services Block Grant (PHHSBG) Advisory Committee (AC) will meet on May 18, 2018 from 10:00 a.m. to 12:00 p.m. PDT to discuss the approval of the PHHSBG State Plan, California’s application for Federal Fiscal Year (FFY) 18/19 (July 1, 2018–June 30, 2019).

The Centers for Disease Control and Prevention (CDC) anticipates making funds available to the California Department of Public Health (CDPH) for the development and implementation of programs and activities to decrease the morbidity and mortality that result from preventable disease and injury. The purpose of the AC Meeting is to obtain feedback and AC approval of the FFY 2018 PHHSBG State Plan, which identifies all program activities to be supported by these funds during SFY 18/19.

**Notice** is hereby given that CDPH will hold an AC Meeting commencing at 10:00 a.m. and ending at 12:00 p.m. PDT on Friday, May 18, 2018, in Room 74.463 (Kings River Round Conference Room) 1616 Capitol Avenue, Sacramento, California, at which time the AC will discuss and receive comments on the FFY 2018 State Plan. Members of the public are invited to attend this meeting, provide oral comments during the meeting, and/or written comments after the meeting. Any person may present statements or arguments orally or in writing relevant to the action described in this notice. If you plan to attend the AC Meeting, please bring identification so you can be admitted into the building by the security guard.

**WEBINAR:** Please register for the PHHSBG AC Meeting, scheduled on May 18, 2018 from 10:00 a.m.–12:00 p.m. PDT at: <https://attendee.gototraining.com/r/2739498481513974530>. It is highly recommended that attendees register early. After registering you will receive a confirmation e-mail containing information about joining the webinar. **Please contact**

**(916) 552–9900 if you experience technical difficulties.**

**AGENDA:** The Agenda will be available for review at 1616 Capitol Avenue, Sacramento, California, from 9:00 a.m.–5:00 p.m. PDT, May 11, 2018 through May 18, 2018. The Agenda will also be available on the following website: <https://www.cdph.ca.gov/Programs/CCDPHP/DCDIC/CDCB/Pages/PHHSBGAdvisoryCommitteeMtgs.aspx> from 9:00 a.m. PDT–5:00 p.m. PDT, May 11, 2018 through May 18, 2018.

**AVAILABILITY OF INFORMATION FOR REVIEW**

This Notice will be made available in appropriate alternative formats, upon request by any person with a disability as required by Section 202 of the Americans with Disabilities Act of 1990 (42 USC Sec. 12132), and the applicable federal rules and regulations. CDPH must receive any requests for such information by May 14, 2018.

The Chronic Disease Control Branch, CDPH, must receive any written statement or arguments by 5:00 p.m. May 21, 2018, which is hereby designated as the close of the written comment period. It is requested, but not required, that written statements or arguments be submitted in triplicate.

**AVAILABILITY OF INFORMATION FOR REVIEW**

The Agenda and the FFY 2018 State Plan will be available for review in the CDPH lobby located at 1616 Capitol Avenue, Sacramento, California from 8:00 a.m. to 5:00 p.m., May 11, 2018, through May 18, 2018.

The Documents will also be available on the following website: <https://www.cdph.ca.gov/Programs/CCDPHP/DCDIC/CDCB/Pages/PHHSBGAdvisoryCommitteeMtgs.aspx> from 8:00 a.m. to 5:00 p.m., from May 11, 2018, through May 18, 2018.

**CONTACT**

Inquiries concerning the action described in this notice may be directed to Anita Butler at (916) 552–9964 or [CDPH@cdph.ca.gov](mailto:CDPH@cdph.ca.gov). In any such inquiries, please identify the action by using the Department Control letters “PHHSBG.”

**SUMMARY OF REGULATORY ACTIONS**

**REGULATIONS FILED WITH SECRETARY OF STATE**

This Summary of Regulatory Actions lists regulations filed with the Secretary of State on the dates indicated. Copies of the regulations may be obtained by contacting the agency or from the Secretary of State, Archives, 1020 O Street, Sacramento, CA 95814, (916) 653-7715. Please have the agency name and the date filed (see below) when making a request.

File# 2018-0307-02  
**BOARD OF PAROLE HEARINGS**  
 Comprehensive Risk Assessments

This rulemaking action repeals the existing regulation regarding Comprehensive Risk Assessments (CRAs) for life-term inmates who are eligible for parole consideration after having served their minimum terms and replaces it with a new CRA regulation. CRAs are used in life-term inmate parole hearings as evidence of an inmate's potential for future violence if released.

Title 15  
 ADOPT: 2240  
 REPEAL: 2240  
 Filed 04/17/2018  
 Effective 07/01/2018  
 Agency Contact: Heather McCray (916) 322-6729

File# 2018-0404-04  
**CALIFORNIA HIGHWAY PATROL**  
 Explosives Routes and Stopping Places

This action amends a designated route for transportation of explosives by commercial vehicles in the downtown Fresno area.

Title 13  
 AMEND: 1151.9.1  
 Filed 04/18/2018  
 Effective 04/18/2018  
 Agency Contact: Tian-Ting Shih (916) 843-3400

File# 2018-0328-02  
**DEPARTMENT OF AGING**  
 Conflict-of-Interest Code

This is a Conflict-of-Interest Code that has been approved by the Fair Political Commission and is being submitted for filing with the Secretary of State and printing only.

Title 22  
 AMEND: 7000  
 Filed 04/12/2018  
 Effective 05/12/2018  
 Agency Contact:  
 Chisorom Okwuosa (916) 419-7508

File# 2018-0406-03  
**DEPARTMENT OF JUSTICE**  
 Bureau of Cannabis Control Bond Form

This action, submitted by the Department of Justice pursuant to Government Code section 11343.8, is a request to file with the Secretary of State the bond form of the Bureau of Cannabis Control titled, "Commercial Cannabis Licensee Bond," and to print the title of the adopted bond form at new article 56, section 118.1.

Title 11  
 ADOPT: 118.1  
 Filed 04/11/2018  
 Effective 04/11/2018  
 Agency Contact: Cara M. Porter (415) 510-3508

File# 2018-0403-03  
**DEPARTMENT OF PUBLIC HEALTH**  
 Cannabis Regulations for CEQA Compliance and Shared-Use Facilities

This emergency rulemaking action by the Department of Public Health adopts seven sections implementing the Medicinal and Adult-Use Cannabis Regulation and Safety Act (Senate Bill 94, Stats. 2017, Ch. 27). This action will: 1) establish the licensing scheme, including temporary licenses, for manufacturers of cannabis products to utilize shared-use facilities; and 2) establish a CEQA annual license application requirement.

Title 17  
 ADOPT: 40127, 40132, 40190, 40191, 40192, 40194, 40196  
 Filed 04/13/2018  
 Effective 04/13/2018  
 Agency Contact: Linda M. Cortez (916) 440-7807

File# 2018-0228-01  
**DEPARTMENT OF SOCIAL SERVICES**  
 Child Care Nutrition Training, Section 100

This change without regulatory effect filing by the Department of Social Services amends three sections in title 22 of the California Code of Regulations and in the Manual of Policies and Procedures to update the number of health and safety training hours required for directors and teachers in day care centers.

Title 22, MPP  
 AMEND: 101215.1, 101216.1, 101416.2  
 Filed 04/11/2018  
 Agency Contact: Oliver Chu (916) 657-3588

File# 2018-0316-04  
 STATE ALLOCATION BOARD  
 Leroy F. Greene School Facilities Act of 1998

The State Allocation Board (SAB) in this timely certificate of compliance filing is making permanent the amendment that allowed school districts to submit funding requests for Financial Hardship assistance without pre-approval as was previously required.

Title 2  
 AMEND: 1859.2, 1859.81  
 Filed 04/12/2018  
 Agency Contact: Lisa Jones (916) 376-1753

File# 2018-0406-02  
 STATE ALLOCATION BOARD  
 Leroy F. Greene School Facilities Act of 1998; Seismic Mitigation Program (SMP) New Construction (NC) Application Processing

The State Allocation Board submitted this emergency action to amend regulations relating to the Seismic Mitigation Program (SMP) and the processing of new construction funding applications submitted by California school districts. The proposed amendments will allow SMP applications to be processed and funded immediately and require school districts that submitted new construction funding applications on or after June 6, 2017 to submit updated new construction eligibility.

Title 2  
 AMEND: 1859.2, 1859.51, 1859.70, 1859.82, 1859.93.1  
 Filed 04/16/2018  
 Effective 04/16/2018  
 Agency Contact: Lisa Jones (916) 376-1753

All regulatory actions filed by OAL during this period are listed below by California Code of Regulations titles, then by date filed with the Secretary of State, with the Manual of Policies and Procedures changes adopted by the Department of Social Services listed last. For further information on a particular file, contact the person listed in the Summary of Regulatory Actions section of the Notice Register published on the first Friday more than nine days after the date filed.
