SUMMARY OF REGULATORY ACTIONS

Regulations filed with the Secretary of State	1334
Sections Filed, March 14, 2018 to August 15, 2018	1335

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 328-4880. The Register can also be accessed at <http://www.oal.ca.gov>.

**PROPOSED ACTION ON
REGULATIONS**

Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.

**TITLE 13. CALIFORNIA HIGHWAY
PATROL**

TITLE 13, CALIFORNIA CODE OF
REGULATIONS, DIVISION 2, CHAPTER 6
AMEND ARTICLE 2.5, SECTION 1157.21

**Inhalation Hazard Shipments; Routes and
Stopping Places
(CHP-R-2018-03)**

The California Highway Patrol (CHP) proposes to amend regulations in Title 13 of the California Code of Regulations (CCR), Division 2, Chapter 6, Article 2.5, Section 1157.21, Stops, to update the list of safe stops for commercial vehicles transporting inhalation hazards on highways in the state.

**INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW**

Pursuant to Division 14.3, Transportation of Inhalation Hazards, commencing with Section 32100 of the California Vehicle Code (CVC), the CHP shall adopt regulations specifying routes to be used in the transportation of inhalation hazards. The CVC requires the CHP to keep information current in regulations, with maps clearly indicating designated routes and a list of locations of inspection stops, required inspection stops, and safe stopping places. The proposed amendments will not change any inhalation hazard routes and will only update the information of inspection stops, required inspection stops, and stopping places to be used by carriers of inhalation hazards along the designated inhalation hazard routes.

The CHP's field commands conduct annual surveys on inhalation hazard routes and stops to determine if changes are necessary. After CHP field commands inspected the locations of listed business establishments serving as safe stopping places, business owners have expressed their willingness to provide their business location and service information in the CCR by signing the CHP 114, Designation as Safe Stopping Place. Pro-

posed changes have received consultation and concurrence from the State Fire Marshal.

This proposed regulatory action will continue to provide a nonmonetary benefit to the protection of the health, safety, and welfare of California's residents, workers, and environment. The changes to the application of the regulation are not substantive and bring the regulation in conformance with existing statute. The proposed changes update and clarify safe stopping places designated for carriers transporting inhalation hazards, and contribute to transportation safety and public health.

During the process of developing these regulations and amendments, the CHP has conducted a search of any similar regulations on this topic and has concluded that these regulations are neither inconsistent, nor incompatible, with existing federal and state regulations.

PUBLIC COMMENT

Any interested person may submit written comments on the proposed action via facsimile at (916) 322-3154, by electronic mail to cvsregs@chp.ca.gov, or by writing to:

California Highway Patrol
Commercial Vehicle Section
Attention: Dr. Tian-Ting Shih
P.O. Box 942898
Sacramento, CA 94298-0001

Written comments will be accepted until 5:00 p.m. on October 8, 2018.

PUBLIC HEARINGS

No public hearing has been scheduled. If any person desires a public hearing, a written request must be received by the CHP, Commercial Vehicle Section (CVS), no later than 15 days prior to the close of the written comment period.

AVAILABILITY OF INFORMATION

The CHP has available for public review the initial statement of reasons for the proposed regulatory action, the information upon which this action is based, and the proposed regulation text in strikeout and underline format. Requests to review or receive copies of this information should be directed to the CHP at the above address, by facsimile at (916) 322-3154, or by calling the CHP, CVS, at (916) 843-3400. All requests for information should include the following: the title of the rulemaking package, the requester's name, proper mailing address (including city, state, and zip code), and a daytime telephone number in case the information is incomplete or illegible.

The rulemaking file is available for inspection. Interested parties are advised to call CHP, CVS, for an appointment.

All documents regarding the proposed action are available through the CHP's Website at <https://www.chp.ca.gov/News-Alerts/Regulatory-Actions>. Any person desiring to obtain a copy of the adopted text and a final statement of reasons may request them at the above-noted address. Copies will be posted on the CHP Website.

CONTACT PERSON

Any inquiries concerning the written materials pertaining to the proposed regulations or the substance of the proposed regulations should be directed to Dr. Tian-Ting Shih or Sergeant Adam Roha, at (916) 843-3400.

ADOPTION OF PROPOSED REGULATIONS

After consideration of public comments, the CHP may adopt the proposal substantially as set forth without further notice. If the proposal is modified prior to adoption and the change is not solely grammatical or non-substantive in nature, the full text of the resulting regulation, with the changes clearly indicated, will be made available to the public for at least 15 days prior to the date of adoption.

FISCAL IMPACT AND RESULTS OF ECONOMIC IMPACT ANALYSIS

The CHP has made an initial determination that this proposed regulatory action: (1) will have no effect on housing costs; (2) will not impose any new mandate upon local agencies or school districts; (3) will involve no nondiscretionary cost or savings to any local agency, no cost to any local agency or school district for which Government Code (GC) Sections 17500-17630 require reimbursement, no cost or savings to any state agency, nor costs or savings in federal funding to the state; (4) will neither create, nor eliminate, jobs in the State of California, nor result in the elimination of existing businesses, or create or expand businesses in the State of California; and (5) will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

Benefits of the Proposed Action: The proposed action updating safe stopping places designated for carriers transporting inhalation hazards will continue to provide benefits, including the nonmonetary benefit of protecting public health and safety for residents, work-

ers, and the environment by providing a regulatory basis for enforcement efforts as they relate to safety compliance ratings.

The regulated community is encouraged to respond during the comment period of this regulatory process if significant impacts are identified.

COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES

The CHP is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON SMALL BUSINESSES

The CHP has determined the proposed regulatory action may affect small businesses. If a business can no longer meet the requirements for safety, they will be deleted from the list of safe stopping places. However, due to the very limited number of commercial vehicles transporting inhalation hazards on the designated routes in the state, no foreseeable economic impact is projected for the small business to be removed from, or added to, the list.

ALTERNATIVES

In accordance with GC Section 11346.5(a)(13), the CHP must determine that no reasonable alternative considered by the CHP, or otherwise identified and brought to the attention of the CHP, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law. The CHP invites interested parties to present statements or arguments with respect to alternatives to the proposed regulations during the written comment period.

AUTHORITY

This regulatory action is being taken pursuant to Section 32102 CVC.

REFERENCE

This action implements, interprets, or makes specific Sections 32101, 32102, 32103, 32104, and 32105, CVC.

**TITLE 22. DEPARTMENT OF
PUBLIC HEALTH**

**NOTICE OF INTENTION TO AMEND THE
CONFLICT-OF-INTEREST CODE OF THE
CALIFORNIA DEPARTMENT OF
PUBLIC HEALTH**

NOTICE IS HEREBY GIVEN that the **California Department of Public Health**, pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict-of-interest code. A comment period has been established commencing on August 24, 2018 and closing on October 8, 2018. All inquiries should be directed to the contact listed below.

The **California Department of Public Health** proposes to amend its conflict-of-interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict-of-interest code include: 1. Add Information Technology (IT) Classifications relating to management and contracting activities.

Since the most recent amendment of the Department's COIC, which was effective April 15, 2017, the State Personnel Board (SPB) has initiated the Information Technology Class Consolidation (Consolidation). The Consolidation creates nine new classifications and abolishes the existing classes. Each of the nine new classes is organized into "domains" based on the position's duty statement. The proposed amendment would add the new managerial and supervisory IT classifications, as well as the new specialist classifications on a duty-driven basis. The proposed amendment would assign to the managerial classifications, the Supervisor II and the Supervisor I classification (on a duty-driven basis) the existing disclosure categories of 3, 5, 7 and 8. The specialist classifications would be assigned existing disclosure category 8, which is specific to IT.

The proposed new IT job classifications are listed below, along with the appropriate state Cal-HR identification number:

1406 Information Technology Manager II
1405 Information Technology Manager I
1404 Information Technology Supervisor II
1403 Information Technology Supervisor I
1415 Information Technology Specialist III
1414 Information Technology Specialist II
1402 Information Technology Specialist I

2. Consolidate attorney classifications.

The existing Appendix A lists each classification (Attorney, Attorney III & IV) separately. The Department proposes to amend the code to list all attorney classifications as one listing.

3. Clarify Assistant Chief Counsel disclosures.

The existing Appendix A lists different disclosure codes for Assistant Chief Counsels and Career Executive Assignment (CEA) positions. The Department proposes to add to the Assistant Chief Counsel a notation stating that all Assistant Chief Counsels have the same disclosure codes, regardless of whether it is a civil service or CEA position and also makes other technical changes.

Information on the code amendment is available on the agency's intranet site and/or attached to this email.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than October 8, 2018, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than September 23, 2018.

The **California Department of Public Health** has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to: Chuck Deyoe, (916) 558-1710, regulations@cdph.ca.gov.

GENERAL PUBLIC INTEREST

DEPARTMENT OF FISH AND WILDLIFE

CESA CONSISTENCY DETERMINATION
 REQUEST FOR
 Cottonwood Check and North Drainage Canal Lift
 Pump Station Projects
 2080–2018–010–02
 Sacramento and Sutter Counties

The California Department of Fish and Wildlife (CDFW) received a notice on August 10, 2018 that the Natomas Central Mutual Water Company proposes to rely on a consultation between federal agencies to carry out two projects that may adversely affect a species protected by the California Endangered Species Act (CESA). The proposed projects involve the replacement of the existing check structure at Cottonwood Creek, and the new construction of a tailwater recovery lift pump station at the North Drainage Canal. Proposed activities will include, but are not limited to, demolition and removal of the check structure, excavation of trenches, in-place casting of concrete walls and other structures, placement of flow meters and buried electrical conduit, installation of discharge and intake pipes, and placement of riprap. The Cottonwood Check structure is located east of Powerline Road, north of West Elverta Road, and approximately 2.5 miles northeast of the Sacramento International Airport in Sacramento County. The North Drainage Canal Lift Pump Station is located west of Powerline Road and north of Sankey Road approximately 2.2 miles east of Verona, in Sutter County.

The U.S. Fish and Wildlife Service (Service) issued a federal biological opinion (Service Ref. No. 08ESMF00–2018–F–2667–1) in a memorandum to the U.S. Bureau of Reclamation on August 1, 2018, which considered the effects of the proposed projects on state and federally threatened giant garter snake (*Thamnophis gigas*).

Pursuant to California Fish and Game Code section 2080.1, the Natomas Central Mutual Water Company is requesting a determination that the BO and its associated ITS are consistent with CESA for purposes of the proposed projects. If CDFW determines the BO and its associated ITS are consistent with CESA for the proposed projects, the Natomas Central Mutual Water Company will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) for the proposed projects.

DEPARTMENT OF FISH AND WILDLIFE

FISH AND GAME CODE SECTION 1653
 CONSISTENCY DETERMINATION
 REQUEST FOR
 South Fork Trinity River Instream Salmon Habitat
 Enhancement Project
 (Tracking Number: 1653–2018–024–001–R1)
 Trinity County

California Department of Fish and Wildlife (CDFW) received a Request to Approve on August 8, 2018 that the Watershed Research Training Center proposes to carry out a habitat restoration or enhancement project pursuant to Fish and Game Code section 1653. The proposed project involves placing 286 whole conifer trees, with canopy and root structure intact, in 18 discrete locations within the active channel of the river. The proposed project will be carried out on a 5.2-mile stretch of the Middle South Fork Trinity River, located near the town of Hyampom, Trinity County, California.

On June 11, 2018, the North Coast Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) to comply with the terms of, and obtain coverage under, the General 401 Water Quality Certification Order for Small Habitat Restoration Projects (General 401 Order) for the South Fork Trinity River Instream Salmon Habitat Enhancement Project. The Regional Water Board determined that the Project, as described in the NOI, was categorically exempt from California Environmental Quality Act (CEQA) review (section 15333 — Small Habitat Restoration Projects) and met the eligibility requirements for coverage under the General 401 Order. The Regional Water Board issued a Notice of Applicability (WDID No. 1A170535WNTR; ECM PIN No. CW–835381) for coverage under the General 401 Order on July 23, 2018.

The Watershed Research Training Center is requesting a determination that the project and associated documents are complete pursuant to Fish and Game Code section 1653 subdivision (d). If CDFW determines the project is complete, the District will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) or a Lake or Streambed Alteration Agreement under Fish and Game Code section 1605 for the proposed project.

In accordance with Fish and Game Code section 1653 subdivision (e), if CDFW determines during the review, based on substantial evidence, that the request is not complete, the Watershed Research Training Center will have the opportunity to submit under Fish and Game Code section 1652.

RULEMAKING PETITION DECISION

BOARD OF PAROLE HEARINGS
**RESPONSE TO PETITION TO ADOPT,
AMEND, OR REPEAL A REGULATION
PURSUANT TO GOVERNMENT CODE
SECTIONS 11340.6 AND 11340.7**
BPH PETITION RESPONSE 2018–02

The Board of Parole Hearings (hereafter board) received a Petition to Adopt, Amend, or Repeal a Regulation under Government Code sections 11340.6 and 11340.7 from petitioner Raymond Quintana (hereafter petitioner) on July 19, 2018. In accordance with subdivision (a) of section 11340.7, this document serves as the board’s response to the petition.

The following information is provided with the response in compliance with subdivision (d) of Government Code section 11340.7:

1. **NAME OF AGENCY:** Board of Parole Hearings

2. **PARTY SUBMITTING THE PETITION:** Raymond Quintana (BA3824)

3. **PROVISIONS OF THE CALIFORNIA CODE OF REGULATIONS (CCR) REQUESTED TO BE AFFECTED:** California Code of Regulations, Title 15, Division 3, sections 3521.2, subdivision (b), and 3522, subdivision (a), paragraph (1).

4. **REFERENCE TO AUTHORITY TO TAKE THE ACTION:** Petitioner did not cite to any authority for the board to take the requested action. As explained further in the reasons supporting the board’s decision, while the board acknowledges general authority under Government Code section 12838.4 and Penal Code sections 3052 and 5076.2 to promulgate, amend, or repeal regulations in Division 2 of Title 15 of the California Code of Regulations, the board disputes any authority to promulgate, amend, or repeal regulations in Division 3 of that title.

5. **REASONS SUPPORTING THE AGENCY’S DECISION:** Petitioner submitted a petition under Government Code section 11340.6 to the “BPH Chairperson” [sic], but noted in his petition that his request was for the “California Department of Corrections and Rehabilitation (CDCR)” to repeal the Califor-

nia Code of Regulations, Title 15, Division 3, sections “3521.2(b)” and “3522(a)(1).”

As an initial matter, the board and the California Department of Corrections and Rehabilitation (hereinafter CDCR) are two separate, albeit related, agencies. More importantly, each of these agencies is governed by, and has authority over, different divisions of Title 15 of the California Code of Regulations. Specifically, the board is governed by Division 2 of that title and has authority to promulgate, amend, or repeal regulations under that division. In contrast, CDCR is governed by Division 3 of that title and has authority to promulgate, amend, or repeal regulations under that division. Neither agency has authority to promulgate, amend, or repeal regulations contained in the other agency’s division.

In this case, petitioner appears to believe that CDCR and the board are a single agency, as evidenced by the petition’s request being addressed to CDCR, but submitted to the board. Moreover, the specific regulation sections petitioner is requesting to be appealed fall within Division 3 of Title 15 of the California Code of Regulations. Only CDCR has the authority to make any decisions with regard to those two regulatory sections. The board has no authority to consider the petitioner’s request.

Therefore, the board DENIES petitioner’s request to repeal the California Code of Regulations, Title 15, Division 3, sections 3521.2(b) and 3522(a)(1) because the board has no lawful authority to take that action.

6. BOARD CONTACT PERSON:

Heather L. McCray

Assistant Chief Counsel

Board of Parole Hearings

P. O. Box 4036

Sacramento, CA 95812–4036

Office: (916) 322–6729

Fax: (916) 322–3475

BPH.Regulations@cdcr.ca.gov

7. NOTICE TO INTERESTED PERSONS:

Pursuant to subdivision (d) of Government Code section 11340.7, the board will provide a copy of this decision to the Office of Administrative Law for publication in the California Regulatory Notice Register. Any interested persons have the right to obtain a copy of the petition that is the subject of this decision by sending a request to the board. In submitted such a request, please reference **BPH PETITION RESPONSE 2018–02** in the request.
