SUMMARY OF REGULATORY ACTIONS

Regulations filed with the Secretary of State 72
Sections Filed, August 1, 2018 to January 2, 2019 76

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 328-4880. The Register can also be accessed at <http://www.oal.ca.gov>.

**PROPOSED ACTION ON
REGULATIONS**

Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.

**TITLE 2. CALIFORNIA
STATE UNIVERSITY RISK
MANAGEMENT AUTHORITY**

**NOTICE OF INTENTION TO AMEND THE
CONFLICT-OF-INTEREST CODE OF THE
CALIFORNIA STATE UNIVERSITY RISK
MANAGEMENT AUTHORITY**

NOTICE IS HEREBY GIVEN that the California State University Risk Management Authority, pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendments to its conflict-of-interest code. A comment period has been established commencing on **January 11, 2019** and closing on **February 25, 2019**. All inquiries should be directed to the contact listed below.

The California State University Risk Management Authority proposes to amend its conflict-of-interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict-of-interest code include:

- Because the FPPC has implemented electronic filing, we updated our place of filing paragraph and inserted page numbers,
- Consultant/New Positions — FPPC wanted restored their usual and customary language, this section is FPPC boilerplate.

Information on the code amendment is available on the CSURMA.org site and attached to this email.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than **February 25, 2019**, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than **February 10, 2019**.

The California State University Risk Management Authority has determined that the proposed amendments:

- 1 Impose no mandate on local agencies or school districts.
- 2 Impose no costs or savings on any state agency.
- 3 Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
- 4 Will not result in any nondiscretionary costs or savings to local agencies.
- 5 Will not result in any costs or savings in federal funding to the state.
- 6 Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to: Tevea Him, JPA Administrator, (415) 403-1416, thim@alliant.com.

**TITLE 2. FAIR POLITICAL
PRACTICES COMMISSION**

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict-of-interest codes, will review the proposed/amended conflict-of-interest codes of the following:

CONFLICT-OF-INTEREST CODES

AMENDMENT

MULTI-COUNTY: Santa Rosa Regional Resources Authority

A written comment period has been established commencing on January 11, 2019, and closing on February 25, 2019. Written comments should be directed to the Fair Political Practices Commission, Attention Brianne Kilbane, 1102 Q Street, Suite 3000, Sacramento, California 95811.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for her review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above-referenced conflict-of-interest

code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon her or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict-of-interest code(s). Any written comments must be received no later than February 25, 2019. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code-reviewing body for the above conflict-of-interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict-of-interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

CONTACT

Any inquiries concerning the proposed conflict-of-interest code(s) should be made to Brianne Kilbane, Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

AVAILABILITY OF PROPOSED CONFLICT-OF-INTEREST CODES

Copies of the proposed conflict-of-interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Brianne Kilbane, Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

TITLE 14. BOARD OF FORESTRY AND FIRE PROTECTION

"Safety Element Review, 2019"

Title 14 of the California Code of Regulations (14 CCR), Division 1.5, Chapter 7, Article 6

Amend § 1265.03. Safety Element Review Response

NATURE OF PROCEEDING

Notice is hereby given that the California State Board of Forestry and Fire Protection (Board) is proposing to take the action described in the Informative Digest.

PUBLIC HEARING

The Board will hold a public hearing on March 6, 2019, at its regularly scheduled meeting commencing at 9:00 a.m., at the Natural Resources Building Auditorium, 1416 9th Street, Sacramento, CA. At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action. The Board requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their statements. Additionally, pursuant to **Government Code (GOV) § 11125.1(b)**, writings that are public records pursuant to **GOV § 11125.1(a)** and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for

public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person.

INFORMATIVE DIGEST/POLICY
STATEMENT OVERVIEW
(pursuant to GOV 11346.5(a)(3)(A)–(D))

WRITTEN COMMENT PERIOD

Any person, or authorized representative, may submit written comments relevant to the proposed regulatory action to the Board. The written comment period ends on Monday, February 25, 2019.

The Board will consider only written comments received at the Board office by that time and those written comments received at the public hearing, including written comments submitted in connection with oral testimony at the public hearing. The Board requests, but does not require, that persons who submit written comments to the Board reference the title of the rulemaking proposal in their comments to facilitate review.

Written comments shall be submitted to the following address:

Board of Forestry and Fire Protection
Attn: Edith Hannigan
Land Use Planning Policy Manager
P.O. Box 944246
Sacramento, CA 94244–2460

Written comments can also be hand-delivered to the contact person listed in this notice at the following address:

Board of Forestry and Fire Protection
Room 1506–14
1416 9th Street
Sacramento, CA 95814

Written comments may also be sent to the Board via facsimile at the following phone number:

(916) 653–0989

Written comments may also be delivered via e-mail at the following address:

PublicComments@BOF.ca.gov

AUTHORITY AND REFERENCE

(pursuant to GOV § 11346.5(a)(2) and 1 CCR § 14)

14 CCR § 1122 Authority cited: Section 65302.5, Government Code; and Section 4111, Public Resources Code. Reference: Section 65302.5, Government Code.

California Government Code Section 65302.5(b)(1) requires a draft element of or draft amendment to the safety element of a county or a city’s general plan to be submitted to the Board of Forestry and Fire Protection (Board) if that county or city contains State Responsibility Area (SRA) or Very High Fire Hazard Severity Zone (VHFHSZ), and Section 65302.5(b)(2) requires the Board to review the submitted safety elements for how well it addresses wildland fire risk reduction and mitigation in the planning area. In the 2017–2018 session of the California Legislature, Senate Bill 1260 (Jackson, 2018) added a new section to GC 65302.5 — 65302.5(b)(3) — that allows the Board to request a consultation with a local jurisdiction’s board of supervisors or city councilmembers if the jurisdiction did not accept the Board’s recommendations to improve wildland fire risk reduction and mitigation in the general plan safety element.

The problem is that this consultation is not in the regulations promulgated by the Board in 2017 that dictate the process of reviewing and making recommendations on a general plan safety element.

The purpose of the proposed action is to revise the Safety Element Review regulations to include the new consultation option now in statute.

The effect of the proposed action is to align the existing process in regulation with the changes in statute as a result of the passage of SB 1260.

The specific anticipated benefit of the proposed action is a clear, direct, and standardized review process that maximizes efficiency, provides transparency to the regulated public, and is utilized effectively to prevent property and life losses in the wildland–urban interface due to fire. As a result, this regulatory action will have a positive effect on the protection of public health and safety, worker safety, and the environment.

There is no comparable federal regulation or statute.

Board staff conducted an evaluation on whether or not the proposed action is inconsistent or incompatible with existing State regulations pursuant to **GOV § 11346.5(a)(3)(D)**. Board staff assessed existing State regulations related to safety element reviews and found no existing State regulations that met the same purpose as the proposed action. Based on this evaluation and effort, the Board has determined that the proposed regulations are neither inconsistent nor incompatible with existing State regulations. The proposed regulation is entirely consistent and compatible with existing Board rules.

MANDATED BY FEDERAL
LAW OR REGULATIONS

The proposed action is not mandated by Federal law or regulations.

The proposed action neither conflicts with, nor duplicates, Federal regulations.

There are no comparable Federal regulations related to general plans or safety elements. No existing Federal regulations meeting the same purpose as the proposed action were identified.

OTHER STATUTORY REQUIREMENTS
(pursuant to GOV § 11346.5(a)(4))

There are no other matters as are prescribed by statute applicable to the specific State agency or to any specific regulation or class of regulations.

LOCAL MANDATE
(pursuant to GOV § 11346.5(a)(5))

The proposed action does not impose a mandate on local agencies or school districts.

FISCAL IMPACT
(pursuant to GOV § 11346.5(a)(6))

There is no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

A local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by the act, within the meaning of Section 17556 of the Government Code.

The proposed action will not result in the imposition of other non-discretionary costs or savings to local agencies.

The proposed action will not result in costs or savings in Federal funding to the State.

The proposed action will not result in costs to any State agency.

HOUSING COSTS
(pursuant to GOV § 11346.5(a)(12))

The proposed action will not significantly affect housing costs.

SIGNIFICANT STATEWIDE
ADVERSE ECONOMIC IMPACT
DIRECTLY AFFECTING BUSINESS,
INCLUDING ABILITY TO COMPETE
(pursuant to GOV §§ 11346.3(a),
11346.5(a)(7) and 11346.5(a)(8))

The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states (by making it costlier to produce goods or services in California).

FACTS, EVIDENCE, DOCUMENTS,
TESTIMONY, OR OTHER EVIDENCE
RELIED UPON TO SUPPORT INITIAL
DETERMINATION IN THE NOTICE THAT
THE PROPOSED ACTION WILL NOT
HAVE A SIGNIFICANT ADVERSE
ECONOMIC IMPACT ON BUSINESS
(pursuant to GOV § 11346.2(b)(5) and
GOV § 11346.5(a)(8))

- Contemplation by the Board of the economic impact of the provisions of the proposed action through the lens of the decades of experience reviewing general plan safety elements for cities and counties in California that the Board brings to bear on regulatory development.
- Staff participation in the development of Governor's Office of Planning and Research *Fire Hazard Planning General Plan Technical Advice Series*, May 2015.
- Discussions with Department of Forestry & Fire Protection staff on implementation of the enabling statute, GOV § 65302.5.

STATEMENTS OF THE RESULTS OF THE
ECONOMIC IMPACT ASSESSMENT (EIA)

The results of the economic impact assessment are provided below pursuant to **GOV § 11346.5(a)(10)** and prepared pursuant to **GOV § 11346.3(b)(1)(A)-(D)**. The proposed action:

- (A) will not create jobs within California;
- (A) will not eliminate jobs within California;
- (B) will not create new businesses;
- (B) will not eliminate existing businesses within California;
- (C) will not affect the expansion or contraction of businesses currently doing business within California;
- (D) will yield nonmonetary benefits through the mitigation of wildfire risk in the planning area and

additional government transparency. Due to these pre-planning efforts to protect wildland-urban interface areas, the protection of health and welfare of California residents, worker safety, and the state's environment will benefit in perpetuity.

COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS

(pursuant to GOV § 11346.5(a)(9))

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action. No adverse impacts are to be expected.

BUSINESS REPORT

(pursuant to GOV §§ 11346.5(a)(11) and 11346.3(d))

The proposed action does not impose a business reporting requirement.

SMALL BUSINESS

(defined in GOV 11342.610)

Small businesses, within the meaning of GOV § 11342.610, are not expected to be affected by the proposed action.

Small business, pursuant to 1 CCR § 4(a):

- (1) is not legally required to comply with the regulation;
- (2) is not legally required to enforce the regulation;
- (3) does not derive a benefit from the enforcement of the regulation;
- (4) does not incur a detriment from the enforcement of the regulation if it does not comply with the regulation.

Pursuant to 1 CCR § (b), the reason(s) the regulation does not affect small business are the same as provided in the Economic Impact Analysis in the Initial Statement of Reasons.

ALTERNATIVES INFORMATION

In accordance with **GOV § 11346.5(a)(13)**, the Board must determine that no reasonable alternative it considers, or that has otherwise been identified and brought to the attention of the Board, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

CONTACT PERSON

Requests for copies of the proposed text of the regulations, the Initial Statement of Reasons, modified text of the regulations and any questions regarding the substance of the proposed action may be directed to:

Board of Forestry and Fire Protection
 Attn: Edith Hannigan
 Land Use Planning Policy Manager
 P.O. Box 944246
 Sacramento, CA 94244-2460
 Telephone: (916) 653-8007

The designated backup person in the event Ms. Hannigan is not available is Eric Hedge, Regulations Coordinator for the Board of Forestry and Fire Protection. Mr. Hedge may be contacted at the above address or phone.

AVAILABILITY STATEMENTS

(pursuant to GOV § 11346.5(a)(16), (18))

All of the following are available from the contact person:

1. Express terms of the proposed action using UNDERLINE to indicate an addition to the California Code of Regulations and STRIKETHROUGH to indicate a deletion.
2. Initial Statement of Reasons, which includes a statement of the specific purpose of each adoption, amendment, or repeal, the problem the Board is addressing, and the rationale for the determination by the Board that each adoption, amendment, or repeal is reasonably necessary to carry out the purpose and address the problem for which it is proposed.
3. The information upon which the proposed action is based (pursuant to **GOV § 11346.5(b)**).
4. Changed or modified text. After holding the hearing and considering all timely and relevant comments received, the Board may adopt the proposed regulations substantially as described in this notice. If the Board makes modifications which are sufficiently related to the originally proposed text, it will make the modified text — with the changes clearly indicated — available to the public for at least 15 days before the Board adopts the regulations as revised. Notice of the comment period on changed regulations, and the full text as modified, will be sent to any person who testified at the hearings, submitted comments during the public comment period, including written and oral comments received at the public hearing, or requested notification of the availability of such changes from the Board of

Forestry and Fire Protection. The Board will accept written comments on the modified regulations for 15 days after the date on which they are made available.

FINAL STATEMENT OF REASONS

When the Final Statement of Reasons (FSOR) has been prepared, the FSOR will be available from the contact person on request.

INTERNET ACCESS

All of the material referenced in the Availability Statements is also available on the Board website at: http://bofdata.fire.ca.gov/regulations/proposed_rule_packages/.

TITLE 14. BOARD OF FORESTRY AND FIRE PROTECTION

“Subdivision Map Findings, 2019”

Title 14 of the California Code of Regulations (14 CCR), Division 1.5, Chapter 7, Subchapter 4, Article 2

Adopt
Subchapter 4 Fire Protection Planning
Article 2 Subdivision Map Findings
§ 1266.00 Definitions
§ 1266.01 Subdivision Map Findings
§ 1266.02 Reporting the Findings

NATURE OF PROCEEDING

Notice is hereby given that the California State Board of Forestry and Fire Protection (Board) is proposing to take the action described in the Informative Digest.

PUBLIC HEARING

The Board will hold a public hearing on March 6, 2019, at its regularly scheduled meeting commencing at 9:00 a.m., at the Natural Resources Building Auditorium, 1416 9th Street, Sacramento, CA. At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action. The Board requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their statements. Additionally, pursuant to

Government Code (GOV) § 11125.1(b), writings that are public records pursuant to **GOV § 11125.1(a)** and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person.

WRITTEN COMMENT PERIOD

Any person, or authorized representative, may submit written comments relevant to the proposed regulatory action to the Board. The written comment period ends on Monday, February 25, 2019.

The Board will consider only written comments received at the Board office by that time and those written comments received at the public hearing, including written comments submitted in connection with oral testimony at the public hearing. The Board requests, but does not require, that persons who submit written comments to the Board reference the title of the rulemaking proposal in their comments to facilitate review.

Written comments shall be submitted to the following address:

Board of Forestry and Fire Protection
Attn: Edith Hannigan
Land Use Planning Policy Manager
P.O. Box 944246
Sacramento, CA 94244–2460

Written comments can also be hand delivered to the contact person listed in this notice at the following address:

Board of Forestry and Fire Protection
Room 1506–14
1416 9th Street
Sacramento, CA 95814

Written comments may also be sent to the Board via facsimile at the following phone number:

(916) 653–0989

Written comments may also be delivered via e-mail at the following address:

PublicComments@BOF.ca.gov

AUTHORITY AND REFERENCE

(pursuant to GOV § 11346.5(a)(2) and 1 CCR § 14)

14 CCR § 1122 Authority cited: Section 66474.02, Government Code; Sections 4202, 4203 and 4204, Public Resources Code. Reference: Section 66474.02,

Government Code; Sections 4201, 4202, 4203 and 4204, Public Resources Code.

INFORMATIVE DIGEST/POLICY
STATEMENT OVERVIEW
(pursuant to GOV 11346.5(a)(3)(A)–(D))

California Government Code Section 66474.02, a provision in the Subdivision Map Act, requires a legislative body of a county to make two findings before approving a tentative map, or a parcel map for which a tentative map is not required, for a subdivision within the State Responsibility Area (SRA) or a Very High Fire Hazard Severity Zone (VHFHSZ). These findings are related to the design of the subdivision for fire protection, including ensuring compliance with Public Resources Code (PRC) 4290 and 4291 and finding that the subdivision has adequate fire protection from a fire agency. By making these findings, the legislative body is asserting that the subdivision is designed and built to meet the state minimum requirements for fire protection, which draws attention to the importance of planning for fire protection and ensuring that in particular, subdivisions in very high fire hazard areas have adequate ingress and egress (PRC 4290) and defensible space (PRC 4291). Compliance with those two sections of code provide for the safe evacuation of a community during any kind of disaster, not just wildfires, and also provide a safer environment for firefighters to defend homes from an oncoming wildfire. This statute also requires that the legislative body must send these findings to the Board of Forestry and Fire Protection.

The problem is that regulations are necessary to implement and make specific the process by which the legislative body must make these findings and submit them to the Board.

The purpose of the proposed action is to develop a transparent, clear, and standardized process for legislative bodies to make the tentative/parcel map findings and transmit them to the Board.

The effect of the proposed action is to create a process by where local legislative bodies have no confusion regarding the process to send the Board their tentative/parcel map findings, and by where the Board is receiving standardized, consistent information regarding those findings from jurisdiction to jurisdiction.

The primary benefit of the proposed action is a clear, direct, and standardized transmission process that maximizes efficiency, provides transparency to the regulated public, and is utilized effectively to prevent property and life losses in the wildland–urban interface due to fire. As a result, this regulatory action will have a positive effect on the protection of public health and safety, worker safety, and the environment.

There is no comparable federal regulation or statute.

Board staff conducted an evaluation on whether or not the proposed action is inconsistent or incompatible with existing State regulations pursuant to **GOV § 11346.5(a)(3)(D)**. Board staff assessed existing State regulations related to making findings on a subdivision map and found no existing State regulations that met the same purpose as the proposed action. Based on this evaluation and effort, the Board has determined that the proposed regulations are neither inconsistent nor incompatible with existing State regulations. The proposed regulation is entirely consistent and compatible with existing Board rules.

MANDATED BY FEDERAL
LAW OR REGULATIONS

The proposed action is not mandated by Federal law or regulations.

The proposed action neither conflicts with, nor duplicates, Federal regulations.

There are no comparable Federal regulations related to subdivision maps. No existing Federal regulations meeting the same purpose as the proposed action were identified.

OTHER STATUTORY REQUIREMENTS
(pursuant to GOV § 11346.5(a)(4))

There are no other matters as are prescribed by statute applicable to the specific State agency or to any specific regulation or class of regulations.

LOCAL MANDATE
(pursuant to GOV § 11346.5(a)(5))

The proposed action does not impose a mandate on local agencies or school districts.

FISCAL IMPACT
(pursuant to GOV § 11346.5(a)(6))

There is no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

A local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by the act, within the meaning of Section 17556 of the Government Code.

The proposed action will not result in the imposition of other non–discretionary costs or savings to local agencies.

The proposed action will not result in costs or savings in Federal funding to the State.

The proposed action will not result in costs to any State agency.

HOUSING COSTS
(pursuant to GOV § 11346.5(a)(12))

The proposed action will not significantly affect housing costs.

**SIGNIFICANT STATEWIDE ADVERSE
ECONOMIC IMPACT DIRECTLY
AFFECTING BUSINESS,
INCLUDING ABILITY TO COMPETE**
(pursuant to GOV §§ 11346.3(a),
11346.5(a)(7) and 11346.5(a)(8))

The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states (by making it costlier to produce goods or services in California).

**FACTS, EVIDENCE, DOCUMENTS,
TESTIMONY, OR OTHER EVIDENCE
RELIED UPON TO SUPPORT INITIAL
DETERMINATION IN THE NOTICE
THAT THE PROPOSED ACTION WILL
NOT HAVE A SIGNIFICANT ADVERSE
ECONOMIC IMPACT ON BUSINESS**
(pursuant to GOV § 11346.2(b)(5)
and GOV § 11346.5(a)(8))

- Contemplation by the Board of the economic impact of the provisions of the proposed action through the lens of the decades of experience regulating fire safe development in California that the Board brings to bear on regulatory development.
- Staff participation in the development of Governor’s Office of Planning and Research *Fire Hazard Planning General Plan Technical Advice Series*, May 2015.
- Discussions with Department of Forestry and Fire Protection staff on implementation of the enabling statute, GOV § 66474.02.

**STATEMENTS OF THE
RESULTS OF THE ECONOMIC
IMPACT ASSESSMENT (EIA)**

The results of the economic impact assessment are provided below pursuant to **GOV § 11346.5(a)(10)** and prepared pursuant to **GOV § 11346.3(b)(1)(A)–(D)**.

The proposed action:

- (A) will not create jobs within California;
- (A) will not eliminate jobs within California;
- (B) will not create new businesses;
- (B) will not eliminate existing businesses within California;
- (C) will not affect the expansion or contraction of businesses currently doing business within California;
- (D) will yield nonmonetary benefits through the mitigation of wildfire risk in the planning area and additional government transparency. Due to the consistent implementation of these regulations to protect wildland–urban interface areas, the protection of health and welfare of California residents, worker safety, and the state’s environment will benefit in perpetuity.

**COST IMPACTS ON REPRESENTATIVE
PERSON OR BUSINESS**
(pursuant to GOV § 11346.5(a)(9))

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action. No adverse impacts are to be expected.

BUSINESS REPORT
(pursuant to GOV §§ 11346.5(a)(11) and 11346.3(d))

The proposed action does not impose a business reporting requirement.

SMALL BUSINESS
(defined in GOV 11342.610)

Small businesses, within the meaning of GOV § 11342.610, are not expected to be affected by the proposed action.

Small business, pursuant to 1 CCR § 4(a):

- (1) is not legally required to comply with the regulation;
- (2) is not legally required to enforce the regulation;
- (3) does not derive a benefit from the enforcement of the regulation;
- (4) does not incur a detriment from the enforcement of the regulation if it does not comply with the regulation.

Pursuant to 1 CCR § (b), the reason(s) the regulation does not affect small business are the same as provided in the Economic Impact Analysis in the Initial Statement of Reasons.

ALTERNATIVES INFORMATION

In accordance with **GOV § 11346.5(a)(13)**, the Board must determine that no reasonable alternative it considers, or that has otherwise been identified and brought to the attention of the Board, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

CONTACT PERSON

Requests for copies of the proposed text of the regulations, the Initial Statement of Reasons, modified text of the regulations and any questions regarding the substance of the proposed action may be directed to:

Board of Forestry and Fire Protection
 Attn: Edith Hannigan
 Land Use Planning Policy Manager
 P.O. Box 944246
 Sacramento, CA 94244-2460
 Telephone: (916) 653-8007

The designated backup person in the event Ms. Hannigan is not available is Eric Hedge, Regulations Coordinator for the Board of Forestry and Fire Protection. Mr. Hedge may be contacted at the above address or phone.

AVAILABILITY STATEMENTS
 (pursuant to GOV § 11346.5(a) (16), (18))

All of the following are available from the contact person:

1. Express terms of the proposed action using UNDERLINE to indicate an addition to the California Code of Regulations and ~~STRIKETHROUGH~~ to indicate a deletion.
2. Initial Statement of Reasons, which includes a statement of the specific purpose of each adoption, amendment, or repeal, the problem the Board is addressing, and the rationale for the determination by the Board that each adoption, amendment, or repeal is reasonably necessary to carry out the purpose and address the problem for which it is proposed.

3. The information upon which the proposed action is based (pursuant to **GOV § 11346.5(b)**).
4. Changed or modified text. After holding the hearing and considering all timely and relevant comments received, the Board may adopt the proposed regulations substantially as described in this notice. If the Board makes modifications which are sufficiently related to the originally proposed text, it will make the modified text — with the changes clearly indicated — available to the public for at least 15 days before the Board adopts the regulations as revised. Notice of the comment period on changed regulations, and the full text as modified, will be sent to any person who testified at the hearings, submitted comments during the public comment period, including written and oral comments received at the public hearing, or requested notification of the availability of such changes from the Board of Forestry and Fire Protection. The Board will accept written comments on the modified regulations for 15 days after the date on which they are made available.

FINAL STATEMENT OF REASONS

When the Final Statement of Reasons (FSOR) has been prepared, the FSOR will be available from the contact person on request.

INTERNET ACCESS

All of the material referenced in the Availability Statements is also available on the Board website at: http://bofdata.fire.ca.gov/regulations/proposed_rule_packages/.

TITLE 14. BOARD OF FORESTRY AND FIRE PROTECTION

“Very High Fire Hazard Severity Zone Adoption, 2019”

Title 14 of the California Code of Regulations (14 CCR), Division 1.5, Chapter 7, Subchapter 3, Article 1

Adopt
§ 1280.00 Definitions
§ 1280.02 Very High Fire Hazard Severity Zones in the LRA

Amend
§ 1280. Fire Hazard Severity Zones

NATURE OF PROCEEDING

Notice is hereby given that the California State Board of Forestry and Fire Protection (Board) is proposing to take the action described in the Informative Digest.

PUBLIC HEARING

The Board will hold a public hearing on March 6, 2019, at its regularly scheduled meeting commencing at 9:00 a.m., at the Natural Resources Building Auditorium, 1416 9th Street, Sacramento, CA. At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action. The Board requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their statements. Additionally, pursuant to **Government Code (GOV) § 11125.1(b)**, writings that are public records pursuant to **GOV § 11125.1(a)** and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person.

WRITTEN COMMENT PERIOD

Any person, or authorized representative, may submit written comments relevant to the proposed regulatory action to the Board. The written comment period ends on Monday, February 25, 2019.

The Board will consider only written comments received at the Board office by that time and those written comments received at the public hearing, including written comments submitted in connection with oral testimony at the public hearing. The Board requests, but does not require, that persons who submit written comments to the Board reference the title of the rulemaking proposal in their comments to facilitate review.

Written comments shall be submitted to the following address:

Board of Forestry and Fire Protection
Attn: Edith Hannigan
Land Use Planning Policy Manager
P.O. Box 944246
Sacramento, CA 94244–2460

Written comments can also be hand delivered to the contact person listed in this notice at the following address:

Board of Forestry and Fire Protection
Room 1506–14
1416 9th Street
Sacramento, CA 95814

Written comments may also be sent to the Board via facsimile at the following phone number:

(916) 653–0989

Written comments may also be delivered via e-mail at the following address:

PublicComments@BOF.ca.gov

AUTHORITY AND REFERENCE

(pursuant to GOV § 11346.5(a)(2) and 1 CCR § 14)

14 CCR § 1122 Authority cited: Sections 4202, 4203 and 4204, Public Resources Code; Section 51179, Government Code. Reference: Sections 4201, 4202, 4203 and 4204, Public Resources Code.

INFORMATIVE DIGEST/POLICY
STATEMENT OVERVIEW

(pursuant to GOV 11346.5(a)(3)(A)–(D))

California Government Code Section 51179(a) requires a local agency to designate, by ordinance, very high fire hazard severity zones in its jurisdiction within 120 days of receiving recommendations from the director pursuant to subdivisions (b) and (c) of Section 51178. SB 1260 (Jackson, 2018) revised GC 51179(c) to require local agencies to send those ordinances to the Board of Forestry and Fire Protection (Board) within 30 days of adoption.

The problem is that there are no further instructions for local agencies in regulation.

The purpose of the proposed action is to implement and make specific the Legislature’s requirement in GC 51179(c) that local agencies send their adopted ordinances to the Board.

The effect of the proposed action is to provide local agencies a transparent and consistent process for submitting their ordinances to the Board

The primary benefit of the proposed action is a clear, direct, and standardized process that maximizes efficiency, provides transparency to the regulated public, and is utilized effectively to prevent property and life losses in the wildland–urban interface due to fire. As a result, this regulatory action will have a positive effect on the protection of public health and safety, worker safety, and the environment.

There is no comparable federal regulation or statute.

Board staff conducted an evaluation on whether or not the proposed action is inconsistent or incompatible

with existing State regulations pursuant to **GOV § 11346.5(a)(3)(D)**. Board staff assessed existing State regulations related to adopting fire hazard severity zone maps and found no existing State regulations that met the same purpose as the proposed action. Based on this evaluation and effort, the Board has determined that the proposed regulations are neither inconsistent nor incompatible with existing State regulations. The proposed regulation is entirely consistent and compatible with existing Board rules.

MANDATED BY FEDERAL LAW OR REGULATIONS

The proposed action is not mandated by Federal law or regulations.

The proposed action neither conflicts with, nor duplicates, Federal regulations.

There are no comparable Federal regulations relating to the adoption of fire hazard severity zone maps. No existing Federal regulations meeting the same purpose as the proposed action were identified.

OTHER STATUTORY REQUIREMENTS
(pursuant to GOV § 11346.5(a)(4))

There are no other matters as are prescribed by statute applicable to the specific State agency or to any specific regulation or class of regulations.

LOCAL MANDATE
(pursuant to GOV § 11346.5(a)(5))

The proposed action does not impose a mandate on local agencies or school districts.

FISCAL IMPACT
(pursuant to GOV § 11346.5(a)(6))

There is no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

A local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by the act, within the meaning of Section 17556 of the Government Code.

The proposed action will not result in the imposition of other non-discretionary costs or savings to local agencies.

The proposed action will not result in costs or savings in Federal funding to the State.

The proposed action will not result in any costs or savings to any State agency.

HOUSING COSTS
(pursuant to GOV § 11346.5(a)(12))

The proposed action will not significantly affect housing costs.

SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESS, INCLUDING ABILITY TO COMPETE
(pursuant to GOV §§ 11346.3(a), 11346.5(a)(7) and 11346.5(a)(8))

The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states (by making it costlier to produce goods or services in California).

FACTS, EVIDENCE, DOCUMENTS, TESTIMONY, OR OTHER EVIDENCE RELIED UPON TO SUPPORT INITIAL DETERMINATION IN THE NOTICE THAT THE PROPOSED ACTION WILL NOT HAVE A SIGNIFICANT ADVERSE ECONOMIC IMPACT ON BUSINESS
(pursuant to GOV § 11346.2(b)(5) and GOV § 11346.5(a)(8))

- Contemplation by the Board of the economic impact of the provisions of the proposed action through the lens of the decades of experience regulating fire hazard severity zones and fire safe land use planning in California that the Board bears to bear on regulatory development.
- Discussions with Department of Forestry and Fire Protection staff on implementation of the enabling statute, GOV § 51179.

STATEMENTS OF THE RESULTS OF THE ECONOMIC IMPACT ASSESSMENT (EIA)

The results of the economic impact assessment are provided below pursuant to **GOV § 11346.5(a)(10)** and prepared pursuant to **GOV § 11346.3(b)(1)(A)–(D)**. The proposed action:

- (A) will not create jobs within California;
- (A) will not eliminate jobs within California;
- (B) will not create new businesses;
- (B) will not eliminate existing businesses within California;

- (C) will not affect the expansion or contraction of businesses currently doing business within California;
- (D) will yield nonmonetary benefits through the mitigation of wildfire risk in the planning area and additional government transparency. Due the adoption of consistently-determined fire hazard severity zones to protect wildland-urban interface areas, the protection of health and welfare of California residents, worker safety, and the state's environment will benefit in perpetuity.

COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS
(pursuant to GOV § 11346.5(a)(9))

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action. No adverse impacts are to be expected.

BUSINESS REPORT
(pursuant to GOV §§ 11346.5(a)(11) and 11346.3(d))

The proposed action does not impose a business reporting requirement.

SMALL BUSINESS
(defined in GOV 11342.610)

Small businesses, within the meaning of GOV § 11342.610, are not expected to be affected by the proposed action.

Small business, pursuant to 1 CCR § 4(a):

- (1) is not legally required to comply with the regulation;
- (2) is not legally required to enforce the regulation;
- (3) does not derive a benefit from the enforcement of the regulation;
- (4) does not incur a detriment from the enforcement of the regulation if it does not comply with the regulation.

Pursuant to 1 CCR § 4(b), the reason(s) the regulation does not affect small business is that the regulation requires local government, not small business, to designate these specific very high fire hazard severity zones. Further analysis is provided in our Economic Impact Analysis in the Initial Statement of Reasons.

CONSIDERATION OF ALTERNATIVES

In accordance with **GOV § 11346.5(a)(13)**, the Board must determine that no reasonable alternative it

considers, or that has otherwise been identified and brought to the attention of the Board, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

CONTACT PERSON

Requests for copies of the proposed text of the regulations, the Initial Statement of Reasons, modified text of the regulations and any questions regarding the substance of the proposed action may be directed to:

Board of Forestry and Fire Protection
Attn: Edith Hannigan
Land Use Planning Policy Manager
P.O. Box 944246
Sacramento, CA 94244-2460
Telephone: (916) 653-8007

The designated backup person in the event Ms. Hannigan is not available is Eric Hedge, Regulations Coordinator for the Board of Forestry and Fire Protection. Mr. Hedge may be contacted at the above address or phone.

AVAILABILITY STATEMENTS
(pursuant to GOV § 11346.5(a)(16), (18))

All of the following are available from the contact person:

1. Express terms of the proposed action using UNDERLINE to indicate an addition to the California Code of Regulations and ~~STRIKETHROUGH~~ to indicate a deletion.
2. Initial Statement of Reasons, which includes a statement of the specific purpose of each adoption, amendment, or repeal, the problem the Board is addressing, and the rationale for the determination by the Board that each adoption, amendment, or repeal is reasonably necessary to carry out the purpose and address the problem for which it is proposed.
3. The information upon which the proposed action is based (pursuant to **GOV § 11346.5(b)**).
4. Changed or modified text. After holding the hearing and considering all timely and relevant comments received, the Board may adopt the proposed regulations substantially as described in this notice. If the Board makes modifications which are sufficiently related to the originally proposed text, it will make the modified text —

with the changes clearly indicated — available to the public for at least 15 days before the Board adopts the regulations as revised. Notice of the comment period on changed regulations, and the full text as modified, will be sent to any person who testified at the hearings, submitted comments during the public comment period, including written and oral comments received at the public hearing, or requested notification of the availability of such changes from the Board of Forestry and Fire Protection. The Board will accept written comments on the modified regulations for 15 days after the date on which they are made available.

FINAL STATEMENT OF REASONS

When the Final Statement of Reasons (FSOR) has been prepared, the FSOR will be available from the contact person on request.

INTERNET ACCESS

All of the material referenced in the Availability Statements is also available on the Board website at: http://bofdata.fire.ca.gov/regulations/proposed_rule_packages/.

TITLE 14. FISH AND GAME COMMISSION

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Sections 200, 203, 240, and 265 of the Fish and Game Code and to implement, interpret or make specific Sections 200, 203, 203.1, 265, 2005, and 4370, of said Code, proposes to amend Section 354, Title 14, California Code of Regulations, relating to Archery Equipment and Crossbow Regulations.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The California Department of Fish and Wildlife (Department) proposes two amendments to Section 354, Title 14, California Code of Regulations, which are related to law enforcement.

First, the provision in subsection 354(f) requires that a bow “cast a legal hunting arrow . . . 130 yards”, however this is unenforceable since it is impossible to demonstrate inside a courtroom. There is a need for clarification of the regulation to require that archery equipment be strong enough to project an arrow at a rate that it will be lethal to the game mammal and also be en-

forceable. For clarity, the Department proposes requiring a draw weight of at least 40 pounds for a bow and 125 pounds for a crossbow to make it practical to demonstrate in the field and in a courtroom. Draw weight as used in archery sports is the measure of force required to draw the bow to a ready to fire position.

Second, the provision in subsection 354(h) states that “archers may not possess a firearm while hunting in the field during any archery season, or while hunting during a general season under the provisions of an archery only tag.” The subsection also provides an exception, by reference to Fish and Game Code 4370, which permits peace officers to carry a concealed firearm. The Department proposes an amendment allowing possession of a concealable firearm while hunting big game other than deer (consistent with Fish and Game Code section 4370) under the authority of an archery only tag, provided the hunter does not use that firearm in any way to take the game animal.

Non-monetary Benefits to the Public

The Commission anticipates benefits to the health and welfare of California residents through the sustainable management of mammal populations. The Commission does not anticipate non-monetary benefits to worker safety, the prevention of discrimination, the promotion of fairness or social equity and the increase in openness and transparency in business and government.

Consistency and Compatibility with Existing Regulations

The Commission has reviewed its regulations in Title 14, CCR, and conducted a search of other regulations on this topic and has concluded that the proposed amendments to Section 354 are neither inconsistent nor incompatible with existing State regulations. No other State agency has the authority to promulgate hunting regulations.

NOTICE IS GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in the Resource Building first floor auditorium, 1416 9th Street, Sacramento, California, on February 6, 2019 at 8:30 a.m., or as soon thereafter as the matter may be heard.

NOTICE IS ALSO GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in The City of Santa Monica Civic East Wing Auditorium, 1855 Main Street, Santa Monica, California, on April 17, 2019, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before **5:00 p.m.** April 4, 2019 at the address given below, or by email to FGC@fgc.ca.gov. Written comments mailed, or emailed to the Commission office, must be received be-

fore 12:00 noon on April 12, 2019. All comments must be received no later than April 17, 2019, at the hearing in Santa Monica, California. If you would like copies of any modifications to this proposal, please include your name and mailing address.

AVAILABILITY OF DOCUMENTS

Copies of the Notice of Proposed Action, the Initial Statement of Reasons, and the text of the regulation in underline and strikeout format can be accessed through the Commission website at www.fgc.ca.gov. The regulations as well as all related documents upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Valerie Termini, Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244–2090, phone (916) 653–4899. Please direct requests for the above-mentioned documents and inquiries concerning the regulatory process to Melissa Miller–Henson or Jon Snellstrom at the preceding address or phone number. Patrick Foy, Captain, Law Enforcement Division, Department of Fish and Wildlife, (916) 651–6692, has been designated to respond to questions on the substance of the proposed regulations. Mailed comments should be addressed to Fish and Game Commission, PO Box 944209, Sacramento, CA 94244–2090.

AVAILABILITY OF MODIFIED TEXT

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15–day comment period, and the Commission will exercise its powers under Section 265 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4, 11346.8 and 11347.1 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.

IMPACT OF REGULATORY ACTION/RESULTS OF THE ECONOMIC IMPACT ASSESSMENT

The potential for significant statewide adverse economic impacts that might result from the proposed regulatory action has been assessed, and the following initial determinations relative to the required statutory categories have been made:

- (a) Significant Statewide Adverse Economic Impact Directly Affecting Businesses, Including the Ability of California Businesses to Compete with Businesses in Other States:

The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposed amendment would not directly or indirectly impose any regulation on businesses.

- (b) Impact on the Creation or Elimination of Jobs Within the State, the Creation of New Businesses or the Elimination of Existing Businesses, or the Expansion of Businesses in California; Benefits of the Regulation to the Health and Welfare of California Residents, Worker Safety, and the State’s Environment:

The Commission anticipates no impacts on the creation or elimination of jobs within the state and no impact on the creation of new businesses or the elimination of existing businesses because the proposed amendment would not directly or indirectly impose any regulation on businesses. The Commission anticipates benefits to the health and welfare of California residents because the proposed amendment would enable the carrying of a firearm, while hunting big game other than deer (consistent with Fish and Game Code section 4370), in the event a person is threatened by a dangerous animal or person while archery hunting. The Commission does not anticipate impacts on worker safety. The Commission anticipates benefits to the State’s environment by reducing non–lethal injuries to wildlife.

- (c) Cost Impacts on a Representative Private Person or Business:

The vast majority of hunters use bows that are set to a much higher draw weight than the proposed minimum set by the proposed regulation, so it would not affect them. A small percentage of hunters would choose to purchase a scale to measure their bow’s draw weight to be sure they are in compliance with the law at a cost of about \$10–\$20 each.

- (d) **Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State:**
The proposed regulation would save many hours of investigative costs associated with a wildlife officer’s attempt to prove a seized bow had insufficient strength to cast an arrow at least 130 yards. Time would be spent seizing the bow as evidence and documenting its seizure, finding a safe place to test the bow’s ability to cast an arrow 130 yards, finding the arrow and measuring its flight distance once it is tested, then possibly returning the bow to the hunter at the direction of the court. Minimal hard costs to the Department would be associated with the proposed regulation change. California’s wildlife officers who regularly work archery seasons may have to purchase bow measuring devices. It is estimated that approximately a quarter of the state’s wildlife officers, or about 100 would have to purchase them at a total one–time cost to the state of \$1,000–\$2,000.
- (e) **Nondiscretionary Costs/Savings to Local Agencies:** None.
- (f) **Programs Mandated on Local Agencies or School Districts:** None.
- (g) **Costs Imposed on Any Local Agency or School District that are Required to be Reimbursed Under Part 7 (commencing with Section 17500) of Division 4, Government Code:** None.
- (h) **Effect on Housing Costs:** None.

EFFECT ON SMALL BUSINESS

It has been determined that the adoption of these regulations may affect small business. The Commission has drafted the regulations in Plain English pursuant to Government Code Sections 11342.580 and 11346.2(a)(1).

CONSIDERATION OF ALTERNATIVES

The Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost–effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

TITLE 14. FISH AND GAME COMMISSION

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Sections 200, 203, 203.1, 265, 332, 1050, 4331 and 4902 of the Fish and Game Code and to implement, interpret or make specific Sections 332, 1050, 1570, 1571, 1572, 1573, 1574, 3950, 4302, 4330, 4333, 4336, 4340, 4341 and 4902 of said Code, proposes to amend sections 362, 364, 364.1 and 708.6, Title 14, California Code of Regulations, relating to Mammal Hunting Regulations for the 2019–2020 season.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW
(NELSON BIG HORN SHEEP — SECTION 362)**

The current regulation in Section 362, Title 14, CCR, provides for limited hunting of Nelson bighorn rams in specified areas of the State. The proposed change is intended to adjust the number of tags available for the 2019 season based on bighorn sheep spring population surveys conducted by the Department.

Final tag quota determinations will be made pending completion of all surveys and data analyses.

Other Amendments:

- **Establishment of the Newberry, Rodman and Ord Hunt Zone:** The proposed change adds this new bighorn sheep hunt zone in San Bernardino County.
- **Reallocation of the Kelso Peak/Old Dad Mountains Fund–Raising to the Cady Mountains:** The Kelso Peak/Old Dad herd unit has experienced significant population decline following a recent outbreak of respiratory disease. The proposal would reallocate this fund–raising tag to be valid in the Cady Mountains Hunt Zone.
- **Amend the contact telephone number that is no longer in use for the program.** The proposed Editorial Change provides a current contact phone number.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW
(ELK — SECTION 364)**

Current regulations in Section 364, Title 14, CCR, provide definitions, hunting zone descriptions, season dates, and elk license tag quotas. To achieve elk herd management goals and objectives and maintain hunting quality, it is periodically necessary to adjust quotas, seasons, hunt areas and other criteria in response to dynamic environmental and biological conditions. The proposed amendments to Section 364 will establish the

2019 tag quotas, season dates, and tag distribution within each hunt adjusting for annual fluctuations in populations.

Proposed Amendments: The proposed ranges of elk tags for 2019 are presented in the Proposed Regulatory Text of Section 364.

1. Subsections 364(r) through (aa) specify elk license tag quotas for each hunt in accordance with management goals and objectives.
2. Amend and correct the Special Condition in subsection (d)(13)(B)3. East Park Reservoir General Methods Tule Elk Hunt, alerting hunters to the current Colusa County variance which permits the use of muzzleloaders.
3. Modify Season Dates. Due to military use constraints at Fort Hunter Liggett, hunt dates are annually subject to change and may be adjusted or cancelled by the base commander.

INFORMATIVE DIGEST/POLICY
STATEMENT OVERVIEW
(DEPARTMENT ADMINISTERED
SHARED HABITAT ALLIANCE FOR
RECREATIONAL ENHANCEMENT (SHARE)
ELK HUNTS — SECTION 364.1)

Current regulations in Section 364.1, SHARE Elk Hunts, T14, CCR, specify elk tag quotas for each hunt area.

To achieve elk herd management goals and objectives and maintain hunting quality, it is periodically necessary to adjust quotas in response to dynamic environmental and biological conditions.

Preliminary tag quota ranges are indicated pending final 2019 tag allocations in accordance with elk management goals and objectives. Survey data collected between August 2018 and March 2019 will be the basis for the number of tags recommended to the Commission at the April 2019 adoption hearing.

The preliminary tag quota ranges for 2019 are found in the proposed Regulatory Text of Section 364.1.

INFORMATIVE DIGEST/POLICY
STATEMENT OVERVIEW
(TAG VALIDATION, COUNTERSIGNING
AND TRANSPORTING
REQUIREMENTS — SECTION 708.6)

Critical to the management of California's game populations is the countersigning requirement of deer and elk tags by an authorized person who physically signs their name to the tag attached to the deer or elk carcass. In subsection 708.6(c), Title 14, CCR, Deer and Elk Tags, Persons Authorized to Validate, it is necessary to

clarify for the public and law enforcement that "firefighters employed on a full-time basis" are authorized to countersign, an addition to the other authorized persons found in 708.6(c). Part-time, volunteer, or other fire station personnel are not included and cannot sign the tag. The added text maintains the existing regulatory requirement that the countersigning may be done only for deer and elk brought to a fire station.

Wildlife managers and law enforcement officers from the Department believe expanding the authority to countersign tags to include all firefighters will make it easier for the public to follow the law and increase the number of reliable witnesses in the event of an investigation of poaching.

The amendment also clarifies that the authorized persons "countersign" as the required action; corrects outdated state job titles of Plant Quarantine Inspector; clarifies that the provisions apply both to deer and elk tags; and other minor editorial changes.

BENEFITS OF THE REGULATIONS

The proposed regulations will contribute to the sustainable management of elk populations in California. Existing elk herd management goals specify objective levels for the proportion of bulls in the herds. These ratios are maintained and managed in part by periodically modifying the number of tags. The final number of tags will be based upon findings from annual harvest, herd composition counts, and population estimates where appropriate.

EVALUATION OF INCOMPATIBILITY
WITH EXISTING REGULATIONS

The Fish and Game Commission, pursuant to Fish and Game Code Sections 200 and 203, has the sole authority to regulate elk hunting in California. Commission staff has searched the California Code of Regulations and has found the proposed changes pertaining to elk tag allocations are consistent with Title 14. Therefore, the Commission has determined that the proposed amendments are neither inconsistent nor incompatible with existing State regulations.

Non-monetary Benefits to the Public

The Commission anticipates benefits to the health and welfare of California residents through the sustainable management of mammal populations. The Commission does not anticipate non-monetary benefits to worker safety, the prevention of discrimination, the promotion of fairness or social equity and the increase in openness and transparency in business and government.

NOTICE IS GIVEN that any person interested may present statements, orally or in writing, relevant to this

action at a hearing to be held in the Resources Building first floor auditorium, 1416 9th Street, Sacramento, California, on February 6, 2019 at 8:30 a.m., or as soon thereafter as the matter may be heard.

NOTICE IS ALSO GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in The City of Santa Monica Civic East Wing Auditorium, 1855 Main Street, Santa Monica, California, on April 17, 2019, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before **5:00 p.m.** April 4, 2019 at the address given below, or by email to FGC@fgc.ca.gov. Written comments mailed, or emailed to the Commission office, must be received before 12:00 noon on April 12, 2019. All comments must be received no later than April 17, 2019, at the hearing in Santa Monica, California. If you would like copies of any modifications to this proposal, please include your name and mailing address.

AVAILABILITY OF DOCUMENTS

Copies of the Notice of Proposed Action, the Initial Statement of Reasons, and the text of the regulation in underline and strikeout format can be accessed through the Commission website at www.fgc.ca.gov. The regulations, as well as all related documents upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Valerie Termini, Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone (916) 653-4899. Please direct requests for the above-mentioned documents and inquiries concerning the regulatory process to Melissa Miller-Henson or Jon Snellstrom at the preceding address or phone number. Brad Burkholder, Environmental Program Manager, Department of Fish and Wildlife, (916) 445-1829, has been designated to respond to questions on the substance of the proposed regulations. Mailed comments should be addressed to Fish and Game Commission, PO Box 944209, Sacramento, CA 94244-2090.

AVAILABILITY OF MODIFIED TEXT

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments dur-

ing the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 265 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4, 11346.8 and 11347.1 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.

IMPACT OF REGULATORY ACTION/RESULTS OF THE ECONOMIC IMPACT ASSESSMENT

The potential for significant statewide adverse economic impacts that might result from the proposed regulatory action has been assessed, and the following initial determinations relative to the required statutory categories have been made:

- (a) Significant Statewide Adverse Economic Impact Directly Affecting Businesses, Including the Ability of California Businesses to Compete with Businesses in Other States:

(Section 362, 364, 364.1): The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposed regulations adjust tag quotas for existing hunts and establish a new hunt zone to provide additional public recreational opportunity and could result in minor increases in hunting days and hunter spending on equipment, fuel, food, and accommodations. Given that the proposed regulation may introduce, at the most, a small increase in the overall number of tags available and the area over which they are distributed, the proposed regulations are anticipated to be economically neutral to slightly beneficial for business.

(Section 708.6): The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposed action expands the list of authorized firefighters able to perform a service for the public.

- (b) Impact on the Creation or Elimination of Jobs Within the State, the Creation of New Businesses

or the Elimination of Existing Businesses, or the Expansion of Businesses in California; Benefits of the Regulation to the Health and Welfare of California Residents, Worker Safety, and the State’s Environment:

The Commission anticipates no to minor positive impacts on the creation or elimination of jobs within the state, and no impact on the creation of new business, the elimination of existing businesses or the expansion of businesses in California as minor variations in hunting regulations are, by themselves, unlikely to provide a substantial enough economic stimulus to the state. The Commission anticipates benefits to the health and welfare of California residents. Hunting provides opportunities for multigenerational family activities and promotes respect for California’s environment by the future stewards of the State’s resources. The proposed action will not provide benefits to worker safety. The Commission anticipates benefits to the State’s environment in the sustainable management of natural resources.

- (c) Cost Impacts on a Representative Private Person or Business:
The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
- (d) Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.
- (e) Nondiscretionary Costs/Savings to Local Agencies: None.
- (f) Programs Mandated on Local Agencies or School Districts: None.
- (g) Costs Imposed on Any Local Agency or School District that are Required to be Reimbursed Under Part 7 (commencing with Section 17500) of Division 4, Government Code: None.
- (h) Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

It has been determined that the adoption of these regulations may affect small business. The Commission has drafted the regulations in Plain English pursuant to Government Code Sections 11342.580 and 11346.2(a)(1).

CONSIDERATION OF ALTERNATIVES

The Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

TITLE 22. OFFICE OF STATEWIDE HEALTH PLANNING AND DEVELOPMENT

Title 22, Division 7, Chapter 10: Health Facility Data

Sections 97005, 97018, 97019, 97040, 97040.1, 97041, 97041.1, 97043, and 97051

The Office of Statewide Health Planning and Development proposes to adopt the proposed regulations described below after considering all comments, objections, and recommendations regarding the proposed action.

Pursuant to the Health Data and Advisory Council Consolidation Act (the Data Act), Health and Safety Code §128675–128810, the Office of Statewide Health Planning and Development (OSHPD) has established uniform systems of accounting for all California health facilities licensed pursuant to Chapter 2 of Division 2 of the Health and Safety Code. Pursuant to Health and Safety Code (HSC) Section 128735, hospitals and long-term care (LTC) facilities are required to file annual financial disclosure reports with the Office of Statewide Health Planning and Development (OSHPD). The reports are known as the Hospital Disclosure Report and the LTC Integrated Disclosure and Medi-Cal Cost Report. Under HSC Section 128740, hospitals must also file Hospital Quarterly Financial and Utilization Reports with OSHPD. Health facilities, except congregate living health facilities, are required to file disclosure reports by electronic media as determined by OSHPD. OSHPD has operated these programs for many years. OSHPD is proposing regulatory amendments to require California licensed hospitals and long-term care facilities to use OSHPD’s on-line, web-based System for Integrated Electronic Reporting and Auditing (SIERA) for filing the above-referenced reports. OSHPD’s Accounting and Reporting Manual for California Hospitals, Second Edition (Hospital

Manual), and Accounting and Reporting Manual for California Long-term Care Facilities, Second Edition (LTC Manual) are being amended, to reflect the new filing requirements and to make other updates, and the specifications for software used to prepare the annual reports are also being updated.

I. PUBLIC HEARING

OSHPD has not scheduled a public hearing on this proposed action. However, OSHPD will hold a hearing if it receives a written request for a public hearing from any interested person, or his or her authorized representative, no later than 15 days before the close of the written comment period.

II. WRITTEN PUBLIC COMMENT PERIOD AND CONTACT PERSON

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action. All comments must be received by OSHPD by 5:00 p.m. on February 27, 2019.

Inquiries and written comments regarding the proposed action should be addressed to the primary contact person named below. Comments delivered by email are suggested. Comments may also be faxed, hand delivered, or mailed.

Starla Ledbetter, Chief Data Officer
Information Services Division
Fax: (916) 322-1442
Tel: (916) 326-3984
Email: starla.ledbetter@oshpd.ca.gov

Mailing
address: 2020 West El Camino Avenue,
Suite 1100
Sacramento, CA 95833-1880

Inquiries and comments may also be directed to the backup contact person at the same mailing address:

Tim Pasco, Auditor
Information Services Division
Office of Statewide Health Planning and
Development
Fax: (916) 322-1442
Tel: (916) 326-3838
Email: tim.pasco@oshpd.ca.gov

Comments should include the author's name, U.S. Postal Service address, and email address, if applicable, for OSHPD to provide copies of any notices for proposed changes to the regulation text on which additional comments may be solicited.

III. AUTHORITY AND REFERENCE

Authority: California Health and Safety Code, Section 128810.

Reference: California Health and Safety Code, Sections 128680, 128730, 128735, 128740, 128755, 128760, 128770, and 128755. California Welfare and Institutions Code, Section 14107.4.

IV. INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

A. Summary of Existing Law

Pursuant to the Health Data and Advisory Council Consolidation Act (the Data Act), Health and Safety Code §128675-128810, the Office of Statewide Health Planning and Development (OSHPD) has established uniform systems of accounting for all California health facilities licensed pursuant to Chapter 2 of Division 2 of the Health and Safety Code.

Pursuant to Health and Safety Code (HSC) Section 128735, hospitals and long-term care (LTC) facilities are required to file annual financial disclosure reports with the Office of Statewide Health Planning and Development (OSHPD). The reports are known as the Hospital Disclosure Report and the LTC Integrated Disclosure and Medi-Cal Cost Report. For long-term care facilities, the annual financial disclosure reports also serve as their Medi-Cal Cost Reports, pursuant to HSC Section 128730. Under HSC Section 128740, hospitals must also file Hospital Quarterly Financial and Utilization Reports with OSHPD.

Health facilities, except congregate living health facilities, are required to file annual disclosure reports by electronic media as determined by OSHPD, pursuant to the HSC 128755. Current regulations instruct health facilities to file their annual disclosure reports with OSHPD either on PC diskettes submitted through the U.S. mail, or as email attachments. Additionally, current regulations instruct hospitals to file their quarterly financial and utilization reports using OSHPD's Internet Hospital Quarterly Reporting System (IHQRS).

OSHPD's Accounting and Reporting Manual for California Hospitals, Second Edition (Hospital Manual), and Accounting and Reporting Manual for California Long-term Care Facilities, Second Edition (LTC Manual) are incorporated by reference in current regulation. The Manuals establish the accounting systems health facilities must use and detail methods for preparing and filing required reports.

Existing law allows health facilities to request extensions of report due dates from OSHPD, and current regulations specify a process for submitting such requests. Existing law allows health facilities to request modifications to the reporting requirements.

B. Policy Statement Overview/Specific Benefits of the Proposed Regulations

Current regulations mandate an outdated method for California licensed hospitals and long-term care facilities to use in filing statutorily required reports. OSHPD needs to amend the regulations to adopt a report-filing process consistent with current technology. These proposed regulations would require California-licensed hospitals and long-term care facilities to use OSHPD’s secure online System for Integrated Electronic Reporting and Auditing (SIERA) to file annual financial disclosure reports, and for hospitals to prepare and file quarterly financial and utilization reports. Facilities will be required to use SIERA to request extensions of report due dates, and to submit report revisions.

The proposed regulations update the *Accounting and Reporting Manual for California Hospitals*, Second Edition (Hospital Manual), and the *Accounting and Reporting Manual for California Long-term Care Facilities*, Second Edition (LTC Manual), which are incorporated by reference, to reflect the new report filing requirements. The Hospital and LTC Manuals will also be updated and reorganized in several other ways — by deleting text that duplicates California Code of Regulations (CCR) language, moving some text to CCR sections, and deleting some unnecessary non-regulatory information. These proposed changes streamline and enhance the usability of the Hospital and LTC Manuals.

Additionally, these proposed regulations update OSHPD’s contact information and make several minor or non-substantive changes not listed above.

Updating the reporting processes to require use of more current technology will benefit the reporting entities, OSHPD, and the public generally. SIERA provides more efficient report-filing processes, in line with current business practices. OSHPD has offered health facilities the opportunity to use the SIERA online reporting process on a voluntary, test basis and has seen an extremely high participation rate. Industry preference is to use a secure online transmission system for filing reports. Implementation of the SIERA system makes submitting data less time consuming, makes OSHPD’s internal report processing and data review processes more efficient, and will support making important healthcare data available to the public on a more timely basis.

C. Determination of Inconsistency/Incompatibility with Existing Law

As required by Government Code Section 11346.5(a)(3)(D), OSHPD evaluated the language contained in the proposed regulation and determined these proposed regulations are not inconsistent with or incompatible with existing state regulations. OSHPD also determined there are no comparable federal regulations or statutes.

D. Documents Incorporated by Reference

The proposed rulemaking includes changes to the currently incorporated versions of the *Accounting and Reporting Manual for California Hospitals*, Second Edition, and the *Accounting and Reporting Manual for California Long-term Care Facilities*, Second Edition, and incorporates by reference the *Accounting and Reporting Manual for California Hospitals*, Second Edition, amended [date to be completed by OAL as the applicable quarterly effective date pursuant to Government Code Section 11343.4(a)]; and the *Accounting and Reporting Manual for California Long-term Care Facilities*, Second Edition, amended [date to be completed by OAL as the applicable quarterly effective date pursuant to Government Code Section 11343.4(a)].

In addition, proposed amendments to Title 22, CCR, Section 97041 incorporate by reference the following updated software specifications for preparing annual disclosure reports:

1. “Instructions and Specifications for Developing Approved Software to Prepare the California Hospital Annual Disclosure Report,” published by OSHPD June 2018.
2. “Instructions and Specifications for Developing Approved Software to Prepare the California Long-term Care Facility Integrated Disclosure & Medi-Cal Cost Report,” published by OSHPD December 2017.

V. DISCLOSURES REGARDING THE PROPOSED ACTION

OSHPD has made the following initial determinations:

- A. Mandate on local agencies and school districts: None.
- B. Cost or savings to any state agency: OSHPD estimates it will incur minor, absorbable costs; no costs are anticipated to any other state agencies.
- C. Cost to any local agency or school district which must be reimbursed in accordance with Government Code Sections 17500 through 17630: None.
- D. Other nondiscretionary cost or savings imposed on local agencies: None.
- E. Cost or savings in federal funding to the state: None.
- F. Cost impact on a representative person or business: There is no cost impact to 1,529 health facilities because these facilities either already voluntarily use SIERA, or they are exempt from electronic reporting requirements. There are 107 health facilities, including some small businesses, that do not use SIERA and may incur minor,

one-time administrative costs of \$50 per facility to learn how to use SIERA. Those 107 health facilities may also have ongoing annual savings of \$3 per report from no longer mailing reports to OSHPD.

- G. Statewide adverse economic impact directly affecting business and individuals: OSHPD has made an initial determination that the regulations will not have a significant, statewide adverse economic impact directly affecting business, including the ability of California business to compete with businesses in other states.
- H. Significant effect on housing costs: None.
- I. Effect on small business: OSHPD determined that 14 health facilities match the small business definition stated in Government Code Section 11342.610. These health facilities could potentially be affected by OSHPD’s proposed electronic reporting regulations.
- J. Business Reporting Requirement: OSHPD determined it is necessary for the welfare of the people of the state that this regulation, which requires a report, apply to business.

VI. STATEMENT OF THE RESULTS OF THE ECONOMIC IMPACT ANALYSIS (EIA)

These changes are anticipated to be beneficial to the reporting facilities — while there may be minor initial implementation costs, using the SIERA system for reporting, requesting extensions, and making corrections will be more efficient and less burdensome. The industry has indicated its support for use of the SIERA system by widespread early adoption when the system was made available on a voluntary, test basis.

OSHPD prepared an Economic Impact Analysis in the Initial Statement of Reasons and concludes that:

- A. this regulatory action will not create jobs within the state;
- B. this regulatory action will not eliminate jobs within the state;
- C. this regulatory action will not create new businesses;
- D. this regulatory action will not eliminate existing businesses;
- E. this regulatory action will not affect the expansion of businesses currently doing business in the state; and
- F. the benefits to the public are that greater efficiency and streamlined reporting processes for health facilities have a positive impact on the healthcare environment, and that streamlined reporting processing systems allow OSHPD to make

important healthcare data available to the public more quickly.

VII. REASONABLE ALTERNATIVES

OSHPD must determine that no reasonable alternative considered or that has otherwise been identified and brought to the attention of OSHPD would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

VIII. AVAILABILITY OF EXPRESS TERMS, INITIAL STATEMENT OF REASONS, AND INFORMATION UPON WHICH PROPOSED RULEMAKING IS BASED

OSHPD will have the entire rulemaking file available for inspection and copying throughout the rulemaking process at its office at the address given for the contact persons. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the text of the proposed changes to the regulations including the proposed changes to the Hospital and Long-Term Care Manuals incorporated by reference, the initial statement of reasons, an economic impact analysis contained in the initial statement of reasons, and information upon which the proposed rulemaking is based, including the OSHPD study, [Review of Financial Report Submission Methods](#). In addition, the rulemaking file includes the software specifications incorporated by reference:

- A. “Instructions and Specifications for Developing Approved Software to Prepare the California Hospital Annual Disclosure Report,” published by OSHPD June 2018.
- B. “Instructions and Specifications for Developing Approved Software to Prepare the California Long-term Care Facility Integrated Disclosure & Medi-Cal Cost Report,” published by OSHPD December 2017.

IX. AVAILABILITY OF SUBSTANTIAL CHANGES TO ORIGINAL PROPOSAL

After considering all timely and relevant comments received, OSHPD may adopt the proposed regulations substantially as described in this notice. If OSHPD makes modifications which are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the

public for at least 15 days before OSHPD adopts the regulations as revised.

Please send requests for copies of the modified text to the listed contact person. The modified text will also be available on the website at <https://oshpd.ca.gov/about/laws-regulations/>. OSHPD will accept written comments on the modified regulations for 15 days after the date on which they are made available.

X. AVAILABILITY OF FINAL STATEMENT OF REASONS

The Final Statement of Reasons, including all the comments and responses, will be available, after its completion, through the OSHPD website at <https://oshpd.ca.gov/about/laws-regulations/>. The Final Statement of Reasons will also be available for review from the designated contact person.

XI. AVAILABILITY OF DOCUMENTS ON THE INTERNET

The Notice of Proposed Action, Initial Statement of Reasons, the text of the proposed regulations in italics and strikeout, and documents incorporated by reference can be accessed through OSHPD's website at <https://oshpd.ca.gov/about/laws-regulations/>.

GENERAL PUBLIC INTEREST

DEPARTMENT OF FISH AND WILDLIFE

CESA CONSISTENCY DETERMINATION REQUEST FOR High Priority Canal and Culvert Deferred Maintenance Project 2080-2018-015-02 Sutter County

The California Department of Fish and Wildlife (CDFW) received a notice on December 28, 2018 that the California Department of Water Resources (DWR) proposes to rely on a consultation between federal agencies to carry out a project that may adversely affect a species protected by the California Endangered Species Act (CESA). The proposed project involves emergency deferred maintenance on 12 miles of the Sutter collecting canals and three of the associated cul-

verts. Proposed activities will include, but are not limited to: (1) removing sediment and associated vegetation from the collecting canals; (2) depositing excavated sediment in upland areas adjacent to the collecting canals; (3) grading the deposited sediment piles when they are dry; and (4) repairing or replacing three culverts along the maintained canals. The proposed project will occur in the Sutter Basin, south of the Sutter Buttes and west of Yuba City, California.

The U.S. Fish and Wildlife Service (Service) issued a federal biological opinion (Service Ref. No. 08ESMF00-2019-F-0020) in a memorandum to the U.S. Army Corps of Engineers on November 15, 2018, which considered the effects of the proposed project on state and federally threatened giant garter snake (*Thamnophis gigas*).

Pursuant to California Fish and Game Code section 2080.1, DWR is requesting a determination that the BO and its associated ITS are consistent with CESA for purposes of the proposed project. If CDFW determines the BO and its associated ITS are consistent with CESA for the proposed project, DWR will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) for the proposed project.

SUMMARY OF REGULATORY ACTIONS

REGULATIONS FILED WITH SECRETARY OF STATE

This Summary of Regulatory Actions lists regulations filed with the Secretary of State on the dates indicated. Copies of the regulations may be obtained by contacting the agency or from the Secretary of State, Archives, 1020 O Street, Sacramento, CA 95814, (916) 653-7715. Please have the agency name and the date filed (see below) when making a request.

DEPARTMENT OF JUSTICE
Major League Sports Raffle Program

The Major League Sports Raffle Program (the “Program”) authorizes a major league sports raffle at a home game conducted by an eligible organization for the purpose of directly supporting specified beneficial or charitable purposes in California, or financially supporting another private, nonprofit, eligible organization that performs those purposes. This emergency rulemaking by the Department of Justice (1) increases the non-refundable annual registration fee an eligible organization must pay to participate in the Program; (2) increases the annual registration fee a person affiliated with an eligible organization must pay in order to conduct the manual draw; and (3) increases the non-refundable annual registration fee a manufacturer or distributor of raffle-related products must pay prior to selling, renting, or distributing raffle-related products.

 FISH AND GAME COMMISSION
 Groundfish

This regulatory action by the Fish and Game Commission amends the annual catch limits and recreational fishing regulations for federally managed groundfish species. Aligning with federal regulations, the changes modify recreational season lengths, depth restrictions, and bag limits for federally managed groundfish and state-managed species that associate with federal groundfish. There are also modifications to Total Allowable Catch levels as well as increases to commercial trip limits for cabezon and greenling.

 OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT
 Chemicals Known to the State to Cause Cancer or Reproductive Toxicity

This request by the Office of Environmental Health Hazard Assessment for filing with the Secretary of State and printing in the California Code of Regulations adds "Gentian violet (Crystal violet)" and "N-Nitrosohexamethyleneimine" to the list of chemicals known to the state to cause cancer and renames the cancer listing of "Ethanol in Alcoholic beverages" to "Alcoholic beverages," and relocates "Alcoholic beverages" to appear above the listing of "Alcoholic beverages, when associ-

ated with alcohol abuse.” This action also adds “Nickel (soluble compounds)” to the list of chemicals known to the state to cause reproductive toxicity. This action is exempt from the Administrative Procedure Act pursuant to Health and Safety Code section 25249.8.
