The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 328-4880. The Register can also be accessed at <http://www.oal.ca.gov>.

**PROPOSED ACTION ON REGULATIONS**

*Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.*

**TITLE 2. FAIR POLITICAL PRACTICES COMMISSION**

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict-of-interest codes, will review the proposed/amended conflict-of-interest codes of the following:

**CONFLICT-OF-INTEREST CODES**

**AMENDMENT**

STATE AGENCY: Department of Finance  
California State  
Lottery Commission

MULTI-COUNTY: Central Valley Flood  
Protection Board

**ADOPTION**

MULTI-COUNTY: Independent Cities Risk  
Management Authority

A written comment period has been established commencing on May 24, 2019, and closing on July 8, 2019. Written comments should be directed to the Fair Political Practices Commission, Attention Amanda Apostol, 1102 Q Street, Suite 3000, Sacramento, California 95811.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for her review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above-referenced conflict-of-interest

code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon her or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict-of-interest code(s). Any written comments must be received no later than July 8, 2019. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

**COST TO LOCAL AGENCIES**

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

**EFFECT ON HOUSING COSTS AND BUSINESSES**

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

**AUTHORITY**

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code-reviewing body for the above conflict-of-interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

**REFERENCE**

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict-of-interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

**CONTACT**

Any inquiries concerning the proposed conflict-of-interest code(s) should be made to Amanda Apostol,

Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

**AVAILABILITY OF PROPOSED  
CONFLICT-OF-INTEREST CODES**

Copies of the proposed conflict-of-interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Amanda Apostol, Fair Political Practices Commission, 1102 Q Street, Suite 3000, Sacramento, California 95811, telephone (916) 322-5660.

**TITLE 11. DEPARTMENT OF JUSTICE**

**MAJOR LEAGUE SPORTS RAFFLE PROGRAM**

NOTICE IS HEREBY GIVEN that the Department of Justice (Department or DOJ) is proposing to permanently adopt emergency regulation amendments described below after considering all comments, objections, and recommendations regarding the proposed action. The proposed action is to make permanent, with changes, the emergency regulations approved on December 31, 2018 concerning the Department's Major League Sports Raffle Program (MLSRP). Comments, objections, and recommendations may be submitted as follows:

**PUBLIC HEARING**

No public hearing has been scheduled for the proposed regulatory action; however, any interested person, or his or her duly authorized representative, may request, no later than 15 days prior to the close of the written comment period, a public hearing pursuant to Government Code Section 11346.8.

**WRITTEN COMMENT PERIOD**

Any interested party, or his or her duly authorized representative, may submit written comments relevant to the proposed regulatory action to the contact person(s) listed below at any time during the 45-day public comment period, which closes at 5:00 p.m. on July 10, 2019. Written comments relevant to the proposed regulatory action may be sent by mail, facsimile, or e-mail, directed to:

Susanne George, Regulations Coordinator  
California Department of Justice  
Bureau of Gambling Control  
P.O. Box 168024  
Sacramento, CA 95816-8024  
E-mail: [Susanne.George@doj.ca.gov](mailto:Susanne.George@doj.ca.gov)  
916-830-9032

To be eligible for consideration, all written comments must be received by the Bureau of Gambling Control at its office no later than 5:00 p.m. on July 10, 2019. Comments sent to persons and/or addresses other than those specified below under Contact Persons, or received after the date and time specified above, will be included in the record of this proposed rulemaking, but will not be summarized or responded to regardless of the manner of transmission.

**EMERGENCY REGULATIONS TO BE  
PERMANENTLY ADOPTED**

Title 11, sections 2084, 2086, 2088, 2089, 2090, 2092, 2095, 2097 and 2107.

**INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW**

**Summary of Existing Laws and Regulations:**

In 2015, the Legislature enacted Penal Code section 320.6, which authorizes 50/50 raffles at major league sports home games by eligible organizations, an activity that was previously prohibited under state law. As authorized, 50 percent of the gross receipts generated from the sale of raffle tickets must be used to benefit or provide support for beneficial or charitable purposes, and the other 50 percent must be paid to the winner, which is determined by a manual draw.

Before conducting 50/50 raffles, eligible organizations and manual draw supervisors affiliated with eligible organizations must first register annually with the Department. (Pen. Code, § 320.6, subd. (o)(1)(A).) In addition, before conducting business with an eligible organization, raffle vendors that manufacture or distribute raffle-related products or services must also register

annually with the Department. (Pen. Code, § 320.6, subd. (o)(2)(A).)

As first enacted, Penal Code section 320.6 had a sunset date of December 31, 2018. In 2018, the Legislature enacted urgency bill AB 888, extending the sunset date to January 1, 2024. AB 888 also changes the reporting requirements applicable to eligible organizations and increases minimum registration fees the Department may impose on participants in the program to fully offset its reasonable costs to administer and enforce the charitable raffle program.

Permanent adoption of these regulation amendments will implement the provisions of Penal Code section 320.6, as amended by Assembly Bill 888. The regulation amendments will increase program fees on a permanent basis, revise program forms, and incorporate statutory changes to reporting requirements.

Prior regulations in effect before the adoption of the emergency regulation amendments imposed registration fees that were insufficient to cover the costs of administering the charitable raffle program. Prior registration fees were also rendered invalid by the passage of AB 888 because they became less than the statutory minimum. The Department's ability to administer and enforce the charitable raffle program is contingent upon the appropriation of sufficient funds. The Department will not have the ability to generate revenue from registration fees to offset the costs of the charitable raffle program unless the fee amounts in the emergency regulations are permanently adopted. The structural imbalance of the program caused by the previously lower fees has severely limited the Department's ability to conduct appropriate oversight of the participants in the program to ensure raffles are held in accordance with the statute.

Since its inception, the charitable raffle program has generated millions of dollars of revenue for charitable organizations in the state. Increased transparency and appropriate oversight of participants in the raffle program will create greater trust in the integrity of 50/50 raffles, which may lead to an increase in raffle events and ticket sales. A higher participation rate in the program and resulting increases in raffle proceeds will benefit charitable organizations throughout the state that are beneficiaries of the raffle proceeds.

**Effect of the Proposed Rulemaking:**

The effect of the proposed rulemaking is to make permanent with changes the emergency regulations adopted effective December 31, 2018. Permanent adoption of the regulation amendments will create a fiscally sound program where revenues more closely align with expenditures. The new fee increases will fully offset the Department's costs not just to administer the program, but to enforce the requirements of the program. The reg-

ulation amendments will also incorporate statutory changes to reporting requirements.

**Comparable Federal Regulations:**

There are no existing federal regulations or statutes comparable to the proposed regulations.

**Policy Statement Overview and Anticipated Benefits of the Proposed Regulations:**

The proposed action is to make permanent, with changes, the emergency regulation approved on December 31, 2018, by the Office of Administrative Law concerning the Department's MLSRP. The changes to the emergency regulation are those which were not specifically related to the emergency but are necessary due to changes in statute as a result of the enactment of AB 888. The proposed action is to amend sections 2084, 2086, 2088, 2089, 2090, 2092, 2095, 2097 and 2107 within Article 8, Chapter 1, Division 3, Title 11 of the California Code of Regulations.

This proposed action will provide the regulated community with updated forms reflecting the new fee amounts; direction to fiduciaries of eligible organizations related to the posting of information; and, new raffle reporting parameters outlined in statute. The constituents of the state will benefit from having more access to information posted by the eligible organizations about the raffles conducted in the MLSRP.

If organization and vendor registrations remain consistent with those in previous years, the revenue generated through the increased fee structure is anticipated to be sufficient to cover the Department's costs for the implementation, administration, audit, and compliance activities related to MLSRP. However, in the event that revenues received from fees collected pursuant to statute and regulation are insufficient to fully offset the Department's costs to implement the MLSRP, the Department will have to address staffing levels, adjust fees, or seek other funding sources.

**Determination of Inconsistency/Incompatibility with Existing State Regulations:**

The Department has evaluated this proposed rulemaking and determined that it is not inconsistent or incompatible with existing state regulations relating to or affecting the charitable raffle program.

**Forms Incorporated by Reference:**

The Department also proposes to amend the following forms which are incorporated by reference in the regulations to implement the new fee structure and make the forms consistent with statute as amended by AB 888:

- Major League Sports Raffle Eligible Organization Annual Registration Form (BGC 200; Rev. 10/2018)

- Major League Sports Raffle Manufacturer and Distributor of Products or Services Annual Registration Form (BGC 201; Rev. 10/2018)
- Major League Sports Raffle Manual Draw Supervisor Annual Registration Form (BGC 202; Rev. 10/2018)
- Major League Sports Raffle Eligible Organization Raffle Report (BGC 203; Rev. 10/2018)
- Major League Sports Raffle Eligible Organization Registered Event Registration Form (BGC 204; Rev. 10/2018)

**Mandated by Federal Law or Regulations:**

There are presently no federal statutes or regulations on the topic to the proposed action.

**Other Statutory Requirements:**

None.

**DISCLOSURES REGARDING THE PROPOSED ACTION**

The DOJ has made the following initial determinations:

Mandate on Local Agencies and School Districts: None.

Cost to any Local Agency or School District: None.

Cost or Savings to any State Agency: If organization and vendor registrations mirror those in 2018, the anticipated revenue from the proposed fee increase will increase the Department’s revenue from \$186,000 to approximately \$1,334,000 per fiscal year to offset costs incurred to administer and enforce the charitable raffle program. No other fiscal impact exists. However, in the event that revenues received from fees collected pursuant to statute and regulation are insufficient to fully offset the Department’s costs to implement the MLSRP, the Department may have to address staffing levels, adjust fees, or seek other funding sources.

Other Non-Discretionary Cost or Savings Imposed on Local Agencies: None.

Cost or Savings in Federal Funding to the State: The Department has determined that the proposed regulatory action would not create costs or savings to any State agency or in federal funding to the State, costs or mandates to any local agency or school district, whether or not reimbursable by the State pursuant to Gov. Code, Title 2, Division 4, Part 7 (commencing with section 17500), or other nondiscretionary costs or savings to State or local agencies.

Significant Effect on Housing Costs: None.

Significant Statewide Adverse Economic Impact Directly Affecting Businesses: The Department has made a determination that the proposed regulatory action would have no significant statewide adverse im-

pact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. The fees and reporting requirements of the charitable raffle program only apply to a small group of eligible non-profit organizations that opt into the program in order to conduct 50/50 raffles, an activity that was previously prohibited under state law. Such raffles may only be conducted at home games of certain limited sporting events within the state. The fees affecting vendors who sell raffle-related products and services apply only if the vendor opts into the program. The primary vendors in California are headquartered out-of-state and conduct business in several other states.

Penal Code section 320.6 subdivision (o)(13) requires annual or season reporting by registered, eligible organizations. This regulation provides a form by which the registered, eligible organization can comply with this statutory mandate.

Results of the Economic Impact Analysis/Assessment: The Department concludes that it is unlikely the proposed regulation amendments will affect (1) the creation or elimination of permanent jobs within California; (2) the creation of new businesses or the elimination of existing businesses within California; (3) the expansion of businesses currently doing business within California. This assessment is based on the limited scope of organizations participating in the charitable raffle program.

Health and Welfare of California Residents: The Department has determined that the proposed action will protect the health, safety, and general welfare of California residents by providing a program for which eligible organizations can generate funds through the operation of MLSRP raffles as well as the staffing necessary to ensure the integrity of the program. The revenues generated provide vital resources to nonprofit organizations supporting charitable and beneficial purposes throughout the State.

Cost Impacts on Representative Person or Business: An eligible organization, as defined in statute, which intends to obtain a registration would be subject to a minimum annual registration fee of \$14,400. Once registered, an eligible organization would be required to pay, in addition to the annual fee, \$200 for every individual raffle it intends to conduct during its registration period, per statute. Manufacturers or distributors of raffle-related products or services who intend to obtain a registration would be subject to a minimum annual registration fee of \$432,000. An eligible organization will incur costs for registration of manual draw supervisors of \$20 per person.

Business Report: Penal Code section 320.6 subdivision (o)(13) requires annual or season reporting by registered, eligible organizations. This regulation provides a form by which the registered, eligible organization

can comply with this statutory mandate. It is necessary for the health, safety, or welfare of the people of the state that the regulation which requires a report apply to businesses.

**Small Business Determination:** The Department has determined that the proposed regulations will affect small businesses that sell raffle-related products and services and that want to participate in the charity raffle program.

**CONSIDERATION OF ALTERNATIVES**

In accordance with Government Code section 11346.5 subdivision (a)(13), the Department must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

During the emergency rulemaking, the Department considered alternative fee schedules suggested by the regulated community. The alternative fee schedules proposed, however, were inadequate to cover the reasonable costs incurred by the Department for the administration and oversight of the raffle program.

### TITLE 12. DEPARTMENT OF VETERANS AFFAIRS

NOTICE IS HEREBY GIVEN that the California Department of Veterans Affairs ("CalVet") is proposing to take the action described in the Informative Digest after considering all comments, objections, and recommendations regarding the proposed action.

#### PUBLIC HEARING

CalVet will hold a public hearing starting at 10:00 a.m. on July 12, 2019, at the Medal of Honor Hall ("MOH"), on the first floor of CalVet's Headquarters Building located at 1227 O Street, Sacramento, California 95814. The MOH is wheelchair accessible. At the hearing, any person may present statements or arguments orally or in writing relevant to the proposed action described in the Informative Digest. CalVet requests, but does not require, that persons who make oral comments at the hearing also submit a written copy of their testimony at the hearing.

#### WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to CalVet. Comments may

also be submitted by facsimile (FAX) at (916) 653-2456 or by e-mail to [phil.mcallister@calvet.ca.gov](mailto:phil.mcallister@calvet.ca.gov). The written comment period closes on **July 8, 2019**. CalVet will consider only comments received at CalVet offices by that date. Submit comments to:

Phil McAllister, Regulatory Actions Coordinator  
California Department of Veterans Affairs  
1227 O Street, Suite 300  
Sacramento, California 95814

#### AUTHORITY AND REFERENCE

Military and Veterans Code sections 880-883 authorize CalVet to adopt this proposed regulation and are also the statutes being implemented, interpreted, and made specific.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

##### A. Policy Statement Overview

The California State Legislature adopted AB 1618 titled Veterans Service Providers. Military and Veterans Code statute requires the Department of Veterans Affairs (CalVet) to provide for a certification process for charitable entities that serve veterans. These organizations must meet certain minimum standards in statute to be designated a "Certified California Veteran Service Provider" (VSP). State law also authorizes CalVet to enter into agreements with other state entities to acquire existing funding for a grant program designed to fund veterans' services, and requires CalVet to develop regulations for this process. The scope of the certification is limited to entities serving veterans with supportive services including health and mental health services, small business assistance, employment services, and job training services. Military and Veterans Code, Sections 880 through 883, require CalVet to develop a process for acquiring existing state funding and also a process for certifying veterans service providers to effectively focus the existing funding to VSPs and programs that have proven success in assisting veterans with a variety of needs. These regulations fulfill the statutory requirement to develop a process by which the funding and certification processes will be accomplished.

##### B. Informative Digest

The specific purpose for each proposed amendment or adoption of 12 CCR sections 900-905 would provide as follows:

**Section 900:** This section provides the definitions for terms used throughout the text. This section is necessary to avoid confusion between terms, such as the types of funds mentioned in the text.

**Section 901:** This section provides the process by which CalVet will acquire existing funding from other state entities. This is necessary to provide the mechanism for the statutory authorization to enter into the Memorandums of Understanding (MOU) necessary to carry out the acquisition of funding for the program.

**Section 902:** This section establishes the criteria by which VSPs are evaluated in order to be certified by CalVet in accordance with Military and Veterans Code Section 881. This is necessary to establish the criteria required by the statute and to introduce the CalVet Certified Veterans Service Provider Application Manual, which is incorporated into the regulations by reference, as well as the US Department of Veterans Affairs (USDVA) Strategic Plan.

**Section 903:** This section establishes the length of time for VSP certification by CalVet. This is necessary to clarify the longevity of approval and the method of notification for VSPs.

**Section 904:** This section establishes the process and criteria for VSP decertification by CalVet. This is necessary to clarify the decertification process and how VSPs can appeal the decertification.

**Section 905:** This section provides the detail for the grant funding process. This is necessary to clarify the process and mechanism through which funding is awarded and disbursed.

**Section 906:** This section provides the detail for the grant award and the grant agreement. The section is necessary to make clear the elements of the grant award and grant agreement.

EVALUATION OF INCONSISTENCY OR  
INCOMPATIBILITY WITH EXISTING  
STATE REGULATIONS

After conducting a review for any regulations that relate to or affect this area, CalVet has found that there are no other regulations that concern Certified California Veterans Service Providers. This is a new program created through statute in order to make more efficient use of existing grant funds. Therefore, the proposed regulations are neither inconsistent nor incompatible with existing state regulations.

UPDATED DOCUMENT INCORPORATED  
BY REFERENCE

*The CalVet Procedure Manual for Certified California Veterans Service Providers dated May 8, 2019* is incorporated by reference because it is needed to clarify Military and Veterans Code sections 880–883. *The United States Department of Veterans Affairs Strategic Plan dated February 12, 2018* and the *CalVet Strategic*

*Plan 2018–2020 (undated)* are incorporated by reference to clarify the goals for the CVSP grant objectives.

DISCLOSURES REGARDING THE  
PROPOSED ACTION

*CalVet has made the following initial determinations:*

Mandate on local agencies and school districts: None.

Cost or savings to any state agency: The proposed regulation affects funds appropriated to other state departments or agencies for the purpose of providing services to veterans.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500 through 17630: None.

Other nondiscretionary cost or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: The proposed regulations maintain use of funds already appropriated to assist veterans and do not increase the state’s budget, place pressure on the budget to add funding, or create additional costs.

Cost impacts on a representative private person or business: CalVet is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states: None.

Significant effect on housing costs: None.

RESULTS OF ECONOMIC IMPACT  
ASSESSMENT/ANALYSIS

In accordance with Government Code section 11346.5(a)(10), the results of the economic impact analysis (EIA) (full EIA found in the Initial Statement of Reasons) are as follows:

- The proposed regulations will not create or eliminate jobs in California.
- The proposed regulations will not create or eliminate businesses in California.
- The proposed regulations will not affect the expansion of existing businesses in California.

BENEFITS OF THE PROPOSED REGULATION

The proposed regulation would preserve current funds for veteran services and allow the efficient use of this funding with a higher level of governmental oversight. The proposed regulation centralizes existing grant funds, and creates a certification and grant man-

agement process to ensure the efficient and effective use of the funds.

#### SMALL BUSINESS DETERMINATION

CalVet has determined that the proposed regulation will not affect small business. This proposed regulation does not apply to small business in any manner, because the funds used in this program are required to have been previously allocated to other departments, and transferred to CalVet. No new funds will be disbursed.

#### BUSINESS REPORT

The proposed regulation does not require a business report.

#### CONSIDERATION OF ALTERNATIVES

CalVet must determine that no reasonable alternative it considered or that has been otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

#### AVAILABILITY OF STATEMENT OF REASONS, TEXT OF PROPOSED REGULATIONS, AND RULEMAKING FILE

CalVet will make the entire rulemaking file available for inspection and copying throughout the rulemaking process at its office at the above address. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the proposed text of the regulations, and the initial statement of reasons. Copies may be obtained by contacting Phil McAllister at the address or phone number listed above.

#### AVAILABILITY OF CHANGED OR MODIFIED TEXT

After holding the hearing and considering all timely and relevant comments received, CalVet may adopt the proposed regulations substantially as described in this notice. If CalVet makes modifications which are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public for at least 15 days before CalVet adopts the regulations as revised. Please send requests for copies of any modified regulations to the attention of Phil McAllister at the address indicated above. CalVet will accept written comments on the modified regulations for 15 days after the date on which they are made available.

#### AVAILABILITY OF THE FINAL STATEMENT OF REASONS

Upon its completion, copies of the Final Statement of Reasons may be obtained by contacting Phil McAllister at the above address.

#### AVAILABILITY OF DOCUMENTS ON THE INTERNET

Copies of the Notice of Proposed Action, the Initial Statement of Reasons, and the text of the regulations in underline and strikeout can be accessed through our website at <https://www.calvet.ca.gov/about-us/laws-regulations>.

### **TITLE 16. CALIFORNIA ARCHITECTS BOARD**

**NOTICE IS HEREBY GIVEN** that the California Architects Board (Board) is proposing to take the action

described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at:

**Department of Consumer Affairs  
2420 Del Paso Road, Sequoia Room  
Sacramento, California 95834  
Monday, July 8, 2019  
2:00 p.m.**

Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office on Monday, July 8, 2019 or must be received by the Board at the hearing. The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by sections 5526 and 5550 of the Business and Professions Code (BPC), and to implement, interpret or make specific Section 5550 of said Code, the Board is considering changes to sections 124 and 124.5 of Article 3 of Division 2 of Title 16 of the California Code of Regulations (CCR) as follows:

INFORMATIVE DIGEST

**Amend Title 16 CCR Sections 124 — California Supplemental Examination and 124.5 — Review of California Supplemental Examination**

BPC section 5526 requires the Board to adopt rules and regulations governing the examination of applicants for licenses to practice architecture in this state. BPC section 5550 provides that subject to the rules and regulations governing examinations, which are established by the Board, any person who meets the required qualifications for licensure is entitled to an examination for a license to practice architecture. 16 CCR section 116 sets forth the eligibility requirements for examinations, the national Architect Registration Exam (ARE) and the California Supplemental Examination (CSE). 16 CCR section 124 sets forth the procedures for taking the CSE, and 16 CCR section 124.5 sets forth the procedures for a candidate to request Board review of a failed CSE.

At its June 15, 2017 meeting, the Board directed staff to collaborate with the Department of Consumer Affairs' Office of Professional Examination Services (OPES) and research the feasibility of reducing the CSE retake waiting period, which is currently specified in 16 CCR section 124 at 180 days. OPES determined the waiting period could be reduced to 90 days without compromising examination integrity; this proposal would enact this reduced waiting period.

Board staff noticed "California Supplemental Examination" was spelled out completely each time it was referenced in section 124. This proposal would simplify the regulation by making technical corrections to change "California Supplemental Examination" to "CSE" for each subsequent use after the first.

16 CCR section 124, subsections (e) and (f), specify that candidates who are found to be deficient in an area of the CSE or received credit for individual sections of the CSE must retake the entire examination. These subsections became effective in 1991 and are outdated. The CSE is treated as a complete examination, not one that can be broken down to areas or sections for retest purposes. Accordingly, this proposal would repeal subsections (e) and (f) to remove the outdated language and simplify the regulation. The proposal would then insert into subsection (d) the requirement to retake the CSE in its entirety that is otherwise being deleted with the outdated subsections.

16 CCR sections 124, subsection (d), and 124.5 currently state "he or she" when referring to candidates. SB 179 (Atkins, Chapter 853, Statutes of 2017) recognized nonbinary gender preferences of California residents and, among other things, authorized the change of a person's gender on a birth certificate to be female, male, or nonbinary. That bill supports the conversion of the "he or she" pronouns to instead refer to "they." In accordance with SB 179, this rulemaking would update sections 124 and 124.5 and change references to pronouns from "he or she" to "they."

16 CCR 124.5, subsection (b), allows candidates to request a review within 30 days from the date on which they are mailed CSE results. However, the Board instead provides results at the conclusion of an examination rather than waiting to mail the candidate's results. Therefore, subsection (b) must be updated to reflect current practice and grant candidates 30 days from the date of being provided their results to file a request for review. Additionally, the guidelines by which a candidate can request a CSE review are being clarified to clearly identify the information required to be submitted with the review request.

Policy Statement Overview/Anticipated Benefits of Proposal

This proposal will reduce the waiting period between CSE retakes, allowing candidates to retest more frequently, potentially decreasing their time to become licensed. Additionally, obsolete language is being repealed, and the language is being simplified and clarified to reduce candidate confusion regarding the release of CSE results and when candidates may request a review of their examination. This regulatory proposal will potentially decrease the time to become licensed, allowing additional professionals to lawfully practice, which will benefit the health, safety and welfare of California residents.

CONSISTENCY AND COMPATIBILITY WITH EXISTING STATE REGULATIONS

During the process of developing these regulations and amendments, the Board has conducted a search of similar regulations on this topic and has concluded that these regulations are neither inconsistent nor incompatible with existing state regulations.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: As a result of the reduction in the CSE retake period, the Board will modify its tracking system to retain examination scores and transmit candidate records to the test vendor. There is also the potential for a temporary increase in the number of CSE applications submitted to the Board due to the wait time reduction. With an estimated 10 percent increase of candidates retaking the CSE, the Board anticipates an increase of \$2,780 in applicable fees annually. The board has determined that the tracking system changes and the potential increase in applications would be minor and absorbable as the Board performs these functions each time the CSE is taken.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Sections 17500–17630 Require Reimbursement: None.

Business Impact: The Board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The following studies/relevant data were relied upon in making the above determination:

The proposed regulation affects only architect examination candidates, not architectural or examination businesses. Accordingly, the Board has not prepared a study or other relevant data upon which to rely in making a determination as to whether changing examination procedures and review of failed examinations has a detrimental effect on businesses.

Cost Impact on Representative Private Person or Business: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulations would not affect small businesses as they only affect architect examination applicants.

RESULT OF ECONOMIC IMPACT ASSESSMENT/ANALYSIS

Impact on Jobs/Businesses:

The Board has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Benefits of Regulation:

The Board has determined that this regulatory proposal will potentially decrease the time to become licensed, allowing additional professionals to lawfully practice, which will benefit the health, safety and welfare of California residents. The regulatory proposal does not affect worker safety or the state's environment.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposal described in this Notice, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

**INITIAL STATEMENT OF  
REASONS AND INFORMATION**

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

**TEXT OF PROPOSAL**

Copies of the exact language of the proposed regulations, the initial statement of reasons, and all of the information upon which the proposal is based may be obtained at the hearing or prior to the hearing upon request from the California Architects Board at 2420 Del Paso Road, Suite 105, Sacramento, California 95834 or by telephoning the Contact Person listed below.

**AVAILABILITY AND LOCATION OF  
THE FINAL STATEMENT OF  
REASONS AND RULEMAKING FILE**

All the information upon which the proposed regulations are based is contained in the rulemaking file which is available for public inspection by contacting the Contact Person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below (or by accessing the website listed below).

NOTICE IS HEREBY GIVEN that the Office of Environmental Health Hazard Assessment (OEHHA) proposes to establish three Proposition 65<sup>1</sup> Maximum Allowable Dose Levels (MADLs) for exposure to chlorpyrifos by amending Section 25805(b) of Title 27 of the California Code of Regulations. The proposed oral and inhalation MADLs for chlorpyrifos are both 0.58 micrograms per day, and the proposed dermal MADL is 7.2 micrograms per day.

**PUBLIC PROCEEDINGS**

Any written comments concerning this proposed action, regardless of the form or method of transmission, must be received by OEHHA by **July 8, 2019**, the designated close of the written comment period. All comments received will be posted on the OEHHA website at the close of the public comment period.

We encourage you to submit comments in electronic form, rather than in paper form. Comments may be submitted electronically through our website at <https://oehha.ca.gov/comments>. Hard-copy comments may be mailed, faxed, or delivered in person to the appropriate address below.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Proposition 65 prohibits a person in the course of doing business from knowingly and intentionally exposing any individual to a chemical that has been listed as known to the state to cause cancer or reproductive toxicity, without first giving clear and reasonable warning to such individual<sup>2</sup>. The Act also prohibits a business from knowingly discharging a listed chemical into water or onto or into land where such chemical passes or probably will pass into any source of drinking water.<sup>3</sup> Warnings are not required and the discharge prohibition does not apply when exposures are insignificant.<sup>4</sup> The MADLs provide guidance for determining when this is the case.<sup>5</sup>

<sup>2</sup> Health and Safety Code section 25249.6.

<sup>3</sup> Health and Safety Code section 25249.5.

<sup>4</sup> Health and Safety Code sections 25249.9 and 25249.10.

<sup>5</sup> See Title 27, Cal. Code of Regs., Sections 25801 to 25805.

Details on the basis for the proposed MADLs for chlorpyrifos are provided in the Initial Statement of Reasons for this regulatory amendment, which is available on request from Monet Vela and is posted on the OEHHA web site at [www.oehha.ca.gov](http://www.oehha.ca.gov).

This proposed regulation sets forth three MADLs for adoption into Section 25805 that were derived using scientific methods outlined in Section 25803.

The proposed regulation would adopt the following MADLs for exposure to chlorpyrifos, by amending Section 25805 as follows (addition in underline):

(b) Chemical Name	Level (Micrograms/day)
<u>Chlorpyrifos</u>	<u>0.58 (oral and inhalation)</u>
<u>Chlorpyrifos</u>	<u>7.2 (dermal)</u>

Relevant studies that provide information on the toxicity of chlorpyrifos were identified in the materials that formed the basis for listing chlorpyrifos as causing reproductive toxicity with the developmental endpoint. A comprehensive literature search found one additional relevant study since the Proposition 65 listing of chlorpyrifos. All of the relevant studies were reviewed and the most sensitive study deemed to be of sufficient quality was selected to provide the basis for the MADLs.

**Anticipated Benefits of the Proposed Regulation**

By providing these MADLs, this regulatory proposal may encourage businesses to change their practices in ways that reduce bystander, worker and environmental exposures to chlorpyrifos. In addition, some businesses may not be able to afford the expenses of establishing MADLs and therefore may face litigation for a failure to warn or for a prohibited discharge of the listed chemical. Adopting this regulation will save these businesses those expenses and may reduce litigation costs. Furthermore, by providing safe harbor levels, this regulatory proposal does not require, but may encourage, businesses to lower the amount of the listed chemical in their product to a level that does not cause a significant exposure, thereby providing health benefits to Californians.

**No Inconsistency or Incompatibility with Existing State Regulations**

OEHHA has conducted an evaluation of whether there are any other regulations on this matter and has found that these are the only regulations dealing with Proposition 65 Maximum Allowable Dose Levels for chlorpyrifos. Therefore, OEHHA has determined that the proposed regulation is neither inconsistent nor incompatible with existing state regulations because it provides compliance assistance to businesses subject to the Act, but does not impose any mandatory requirements on those businesses or state or local agencies, and does not address compliance with any other law or regulation.

**RESULTS OF ECONOMIC IMPACT ANALYSIS**  
(Gov. Code section 11346.3(b))

**REFERENCE**

Health and Safety Code Sections 25249.5, 25249.6, 25249.9, 25249.10 and 25249.11.

**Impact on the Creation, Elimination, or Expansion of Jobs/Businesses in California**

This regulatory proposal will not affect the creation or elimination of jobs within the State of California. Proposition 65 requires businesses with ten or more employees to provide warnings when they expose people to chemicals that are known to cause cancer or reproductive harm. The law also prohibits the discharge of listed chemicals into sources of drinking water.

Because the proposed MADLs provide compliance assistance to businesses subject to the Act but does not impose any mandatory requirements on those businesses, OEHHA has determined that the proposed regulatory action will not have any impact on the creation or elimination of jobs, the creation of new businesses, the elimination of existing businesses, or the expansion of businesses currently doing business within the State of California.

**IMPACT ON LOCAL AGENCIES OR SCHOOL DISTRICTS**

Because Proposition 65 expressly<sup>6</sup> does not apply to local agencies or school districts, OEHHA has determined the proposed regulatory action does not impose a mandate on local agencies or school districts nor does it require reimbursement by the State pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. OEHHA has also determined that no nondiscretionary costs or savings to local agencies or school districts will result from the proposed regulatory action.

**COSTS OR SAVINGS TO STATE AGENCIES**

Because Proposition 65 expressly<sup>7</sup> does not apply to any State agency, OEHHA has determined that no savings or increased costs to any State agency will result from the proposed regulatory action.

**BENEFITS OF THE PROPOSED ACTION**

By providing these MADLs, this regulatory proposal may encourage businesses to change their practices in ways that reduce bystander, worker and environmental exposures to chlorpyrifos. In addition, some businesses may not be able to afford the expenses of establishing MADLs and therefore may face litigation for a failure to warn or for a prohibited discharge of the listed chemical. Adopting this regulation will save these businesses those expenses and may reduce litigation costs. Furthermore, by providing safe harbor levels, this regulatory proposal does not require, but may encourage, businesses to lower the amount of the listed chemical in their product to a level that does not cause a significant exposure, thereby providing health benefits to Californians.

**EFFECT ON FEDERAL FUNDING TO THE STATE**

Because Proposition 65 expressly<sup>8</sup> does not apply to any federal agency, OEHHA has determined that no costs or savings in federal funding to the State will result from the proposed regulatory action.

**EFFECT ON HOUSING COSTS**

OEHHA has determined that the proposed regulatory action will have no effect on housing costs because it provides compliance assistance to businesses subject to the Act, but does not impose any mandatory requirements on those businesses.

**PEER REVIEW**

This notice and the Initial Statement of Reasons will be provided to the Developmental and Reproductive Toxicant Identification Committee members for scientific peer review and comment.

**SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESS, INCLUDING ABILITY TO COMPETE**

Because the proposed regulatory levels provide compliance assistance to businesses subject to the Act but do not impose any mandatory requirements on those businesses, OEHHA has made an initial determination

**AUTHORITY**

Health and Safety Code Section 25249.12.

<sup>6</sup> See Health and Safety Code section 25249.11(b).

<sup>7</sup> See Health and Safety Code section 25249.11(b).

<sup>8</sup> See Health and Safety Code section 25249.11(b).

that the adoption of this regulation will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

**COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES**

The proposed MADLs were developed to provide compliance assistance to businesses in determining whether a warning is required or a discharge is prohibited. The MADLs are levels of exposure at or below which a warning is not required and a discharge is not prohibited. Use of the MADLs is not mandatory. The implementing regulation allows a business to calculate its own levels and provides guidance in order to assist businesses in doing so.<sup>9</sup> However, conducting such a process can be expensive and time consuming, and the resulting levels may not be defensible in an enforcement action. OEHHA is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**EFFECT ON SMALL BUSINESSES**

OEHHA has determined that the proposed MADLs will not impose any mandatory requirements on small business. Rather, the proposed MADLs will provide compliance assistance for small businesses subject to the Act because they will help them determine whether or not an exposure for which they are responsible is subject to the warning requirement or discharge prohibition of the Act.

**CONSIDERATION OF ALTERNATIVES**

Government Code section 11346.5(a)(13) requires that OEHHA must determine that no reasonable alternative considered by OEHHA or that has otherwise been identified and brought to the attention of OEHHA would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law than the proposal described in this Notice.

**AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS**

OEHHA has prepared and has available for public review an Initial Statement of Reasons for the regulation, which contains the text of the regulation and the information upon which the regulation is based. A copy of the Initial Statement of Reasons, the text of the regulation and documents used by OEHHA to develop the proposed regulation are available upon request from OEHHA at the address, e-mail address and telephone number indicated above. These documents are also posted on OEHHA's website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

**AVAILABILITY OF CHANGED OR MODIFIED TEXT**

The full text of any regulation which is changed or modified from the express terms of this proposed action will be made available at least 15 days prior to the date on which OEHHA adopts the resulting regulation. Notice of the comment period on changed regulations and the full text will be mailed to individuals who testified or submitted written comments at the public hearing, if held, or whose comments were received by OEHHA during the public comment period, and anyone who requests notification from OEHHA of the availability of such changes. Copies of the notice and the changed regulation will also be available on the OEHHA website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

**FINAL STATEMENT OF REASONS**

A copy of the Final Statement of Reasons for this regulatory action may be obtained, when it becomes available, from OEHHA at the address, e-mail address and telephone number indicated above, and on the OEHHA website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

**DEPARTMENT OF FISH AND WILDLIFE**

FISH AND GAME CODE  
SECTION 1653 CONSISTENCY  
DETERMINATION REQUEST FOR  
San Geronimo Creek Restoration Project  
(Tracking Number: 1653-2019-035-001-R3)  
Marin County

California Department of Fish and Wildlife (CDFW) received a Request to Approve on May 10, 2019, that

<sup>9</sup> Title 27, Cal. Code of Regs., Section 25801 et seq.

the Marin Resource Conservation District proposes to carry out a habitat restoration or enhancement project pursuant to Fish and Game Code section 1653. The proposed project involves installing a total of 18 pieces of large wood to create winter and summer rearing habitat for salmonids throughout a 370 linear foot reach. The proposed project will be carried out on San Geronimo Creek, located at 6355 Sir Francis Drake Boulevard, Marin County, California.

On March 25, 2019, the San Francisco Bay Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) to comply with the terms of, and obtain coverage under, the General 401 Water Quality Certification Order for Small Habitat Restoration Projects (General 401 Order) for the San Geronimo Creek Restoration Project. On April 12, 2019, the Regional Water Board received supplemental information to complete the Application. The Regional Water Board determined that the Project, as described in the NOI, was categorically exempt from California Environmental Quality Act (CEQA) review (section 15333 — Small Habitat Restoration Projects) and met the eligibility requirements for coverage under the General 401 Order. The Regional Water Board issued a Notice of Applicability (CIWQS Place ID 857344) for coverage under the General 401 Order on March 25, 2019.

The Marin Resource Conservation District is requesting a determination that the project and associated documents are complete pursuant to Fish and Game Code section 1653 subdivision (d). If CDFW determines the project is complete, the District will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) or a Lake or Streambed Alteration Agreement under Fish and Game Code section 1605 for the proposed project.

In accordance with Fish and Game Code section 1653 subdivision (e), if CDFW determines during the review, based on substantial evidence, that the request is not complete, the Marin Resource Conservation District will have the opportunity to submit under Fish and Game Code section 1652.

**AIR RESOURCES BOARD**

Amendments to Heavy-Duty Vehicle Inspection Program (HDVIP) and Periodic Smoke Inspection Program (PSIP) Regulations

The California Air Resources Board (CARB) is lowering opacity limits for on-road heavy duty vehicles which apply to both the Heavy-Duty Vehicle Inspection Program and the Periodic Smoke Inspection Program. CARB is also requiring training for individuals who perform the annual opacity smoke tests required in the PSIP. Other changes include voluntary on-board diagnostic reporting and an exemption for military tactical vehicles. Finally, additional time is allowed for vehicles defined as “implements of husbandry” and “specialty farm vehicles” to come into compliance after receiving an opacity citation.

**CALIFORNIA ALTERNATIVE ENERGY AND ADVANCED TRANSPORTATION FINANCING AU Affordable Multifamily Energy Efficiency Financing Program**

The California Alternative Energy and Advanced Transportation Financing Authority submitted this emergency action to establish the Affordable Multifamily Energy Efficiency Financing Program (Program). The Program will provide affordable financing for owners of multifamily dwellings of five or more units to retrofit energy savings measures, as specified, by providing credit enhancements to private financing institutions. The proposed regulations establish requirements, criteria, and eligible financial products for these financing institutions to qualify in order to finance eligible projects under the Program, application criteria and procedures, credit enhancements and claims for reimbursement in the event of financing customer defaults, as specified, financing institution reporting requirements, and a privacy rights disclosure applicable to financing customers.
