---

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 328-4880. The Register can also be accessed at <http://www.oal.ca.gov>.

**PROPOSED ACTION ON REGULATIONS**

*Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.*

**TITLE 15. BOARD OF STATE AND COMMUNITY CORRECTIONS**

**MINIMUM STANDARDS FOR LOCAL DETENTION FACILITIES  
TITLE 15, DIVISION 1,  
CHAPTER 1, SUBCHAPTER 4**

Pursuant to the authority granted by Penal Code Section 6030, the Board of State and Community Corrections (BSCC) hereby gives notice of the proposed regulatory action(s) described in this public notice. It is the intent of the BSCC to amend regulations contained in Title 15, Division 1, Chapter 1, Subchapter 4, California Code of Regulations, which is commonly known as the Minimum Standards for Local Detention Facilities, after considering all comments, objections, and recommendations regarding these regulations.

**PUBLIC HEARING**

BSCC has not yet scheduled a public hearing on this proposed action. However, the BSCC will hold a hearing if it receives a written request for a public hearing from any interested person, or his or her authorized representative, no later than 15 days before the close of the written comment period.

**WRITTEN COMMENT PERIOD**

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to the BSCC. **The written comment period closes on July 1, 2019.** The BSCC will consider only comments received at BSCC offices by that time. Submit comments to:

Eloisa Tuitama, Field Representative  
2590 Venture Oaks Way, Suite 200  
Sacramento, CA 95833  
(916) 445-5073  
[eloisa.tuitama@bscc.ca.gov](mailto:eloisa.tuitama@bscc.ca.gov)

**POST-HEARING MODIFICATIONS TO THE TEXT OF THE REGULATIONS**

Following the public comment period, the BSCC may adopt the proposed regulations substantially as proposed in this notice or with modifications that are sufficiently related to the original proposed text and notice of proposed changes. Any modifications made to the full text of the proposed modifications will be clearly indicated and made available to the public for at least 15 days prior to the date that the BSCC adopts, amends, or repeals the regulation(s). The BSCC will accept written comments on the modified regulation text during the 15-day period. Comments should be addressed to the primary contact person as provide above.

NOTE: To be notified of any modifications, you must submit written/oral comments at the public hearing, if a hearing is held; submit comments to the office during the written public comment period; or specifically request to be notified of any modifications.

**AUTHORITY AND REFERENCE**

Penal Code Section 6030 authorizes the BSCC to establish and revise the proposed regulations, which would implement, interpret, or make specific Section 6030 of the Penal Code.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

**Summary of Existing Laws**

Penal Code Section 6030 authorizes the BSCC to establish standards for local detention facilities.

**Summary of Existing Regulations**

The BSCC promulgates the existing standards which prescribe requirements for local detention facilities. These existing standards are codified in Title 15, Crime Prevention and Corrections, Division 1, Chapter 1, Subchapter 4 of the California Code of Regulations (CCR).

**Determination of Inconsistency/Incompatibility with Existing State Regulations**

The BSCC has determined that this proposed regulation is not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect this area, the BSCC has concluded that these are the only regulations that address minimum standards for local detention facilities.

**Summary of Effect**

The proposed action will update Title 15, Division 1, Chapter 1, Subchapter 4 CCR by adopting requirements

that align with Title 15, Division 1, Chapter 1, Subchapter 5 CCR. The proposed changes will add requirements that reflect current practices and will ensure consistency between the treatment of juveniles and adults in local detention facilities by requiring that feminine hygiene products be provided upon request.

**Comparable Federal Statute or Regulations**

There are no comparable federal regulations or statutes.

**Policy Statement Overview**

This rulemaking action is in response, in part, to a lawsuit filed in the Sacramento Superior Court against the Board, requesting the court to order the Board to direct all counties to provide tampons to all adult female inmates free of charge. This rulemaking action clarifies and makes specific the state requirements for local detention facilities to provide all feminine hygiene items, including tampons, upon request and without requiring inmates to purchase these items from the commissary.

**Benefits of the Regulations to the Health and Welfare of California Residents, Worker Safety, and the State’s Environment**

The BSCC has determined that there will be a positive impact on the health and welfare of juveniles and adults in local detention facilities, and the change will ensure consistency between the treatment of juveniles and adults by ensuring that these feminine hygiene products are provided upon request.

The BSCC has determined that the state’s environment will not be affected by the adoption of these regulations because the regulation pertains to the minimum standards for local detention facilities. Requirements of these regulations do not address any factors that would cause a positive or negative effect on the environment.

DISCLOSURE REGARDING THE PROPOSED ACTION

The BSCC has made the following initial determinations:

Mandate on local agencies and school districts: None.

Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code Sections 17500 through 17630: None.

Other nondiscretionary costs or savings imposed on local agencies: None.

Costs or savings in federal funding to the state: None.

Significant statewide adverse economic impact directly affecting business including the ability of Cali-

fornia businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or business: The BSCC is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

RESULTS OF THE ECONOMIC IMPACT ANALYSIS

Adoption of these regulations will not:

- (1) Create jobs or eliminate jobs within California.
- (2) Create new businesses or eliminate existing businesses within California.
- (3) Affect the expansion of businesses currently doing business within California.

Adoption of these regulations will:

- (1) Affect the health and welfare of juveniles and adults in local detention facilities
- (2) Ensure consistency in the treatment of juveniles and adults in local detention facilities

The welfare of juveniles and adults in local detention facilities will be affected positively by the proposed regulations which intend to ensure consistency between the treatment of juveniles and adults in local detention facilities by requiring that feminine hygiene products be provided upon request.

Significant effect on housing costs: None.

Business Report Determination: None.

Small Business Determination: The BSCC has concluded that the implementation of this action will not affect small business as these regulations only apply to local detention facilities.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code Section 11346.5, subdivision (a)(13), the BSCC must determine that no reasonable alternative it considered or that has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The BSCC invites interested parties to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

AVAILABILITY OF  
RULEMAKING DOCUMENTS

The Rulemaking File, which includes all the information on which this proposal is based, is available for viewing at the BSCC's office at the above address and may also be accessed through the BSCC's website at <http://www.bscc.ca.gov>.

AVAILABILITY OF MODIFIED TEXT

If the BSCC makes modifications that are sufficiently related to the originally proposed text, it will clearly indicate the changes and make the modified text available to the public for at least 15 days before the BSCC adopts the regulations as revised. The modified text may be accessed through the BSCC website at: <http://www.bscc.ca.gov>. Those persons who do not have access to the Internet may submit a written request to the contact persons listed below.

AVAILABILITY OF INITIAL  
STATEMENT OF REASONS AND  
FINAL STATEMENT OF REASONS

The Initial and Final Statement of Reasons may be accessed through the BSCC website at: <http://www.bscc.ca.gov>. Those persons who do not have access to the Internet may submit a written request to the contact persons listed below.

AVAILABILITY OF DOCUMENTS;  
INTERNET ACCESS

PUBLIC HEARING

The Board has not scheduled a public hearing on this proposed action. However, the Board will hold a hearing if it receives a written request, addressed to the individuals listed under "Contact Person" in this notice, for a public hearing from any interested person, or his or her authorized representative, no later than 15 days prior to the close of the written comment period.

WRITTEN COMMENT PERIOD

Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under "Contact Person" in this Notice, must be **received by the Board at its office no later than July 1, 2019**, or must be received by the Board at the hearing, should one be scheduled.

AVAILABILITY OF MODIFICATIONS

The Board, upon its own motion or at the insistence of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as the Contact Person and will be mailed to those persons who submit written or oral testimony related to this proposal or who

have requested notification of any changes to the proposal.

#### AUTHORITY AND REFERENCE

Pursuant to the authority vested by sections 686 and 4808 of the Business and Professions Code (BPC), and to implement, interpret, or make specific sections 686, 2290.5, 4021, 4022, and 4883 of the BPC, the Board is considering changes to section 2032.1 of Article 4 of Division 20 of Title 16 of the California Code of Regulations (CCR) as follows:

#### INFORMATIVE DIGEST

##### A. Informative Digest

BPC section 4808 authorizes the Board to adopt, amend, or repeal such rules and regulations as may be reasonably necessary to enable it to carry into effect the provisions of the Veterinary Medicine Practice Act.

This regulatory proposal would amend CCR section 2032.1.

Specifically, the Board is proposing the following:

- Amend subdivision (d) of section 2032.1 of Article 4 of Division 20 of Title 16 of the CCR to make conforming technical corrections to the “drug” and “dangerous drug” cross-references to the BPC.
- Add subdivision (e) to section 2032.1 of Article 4 of Division 20 of Title 16 of the CCR to clarify that a person may not practice veterinary medicine in this state except within the context of a veterinarian–client–patient relationship (VCPR), which cannot be established solely by telephonic or electronic means.
- Add subdivision (f) to section 2032.1 of Article 4 of Division 20 of Title 16 of the CCR to clarify BPC sections 686 and 2290.5 that telemedicine, as provided by animal health care practitioners, shall be conducted within an existing VCPR, with the exception of advice given in an “emergency,” as defined in BCP section 4840.5, until the patient(s) can be seen or transported to a veterinarian.
- In new subdivision (f) of section 2032.1, define “telemedicine” to mean the mode of delivering animal health care services via communication technologies to facilitate consultation, treatment, and care management of the patient.

##### B. Policy Statement Overview/Anticipated Benefits of Proposal

###### Policy Statement Overview

The primary mission of the Board is to protect consumers and animals through the development and maintenance of professional standards.

The proposed regulations regarding telemedicine were developed to address the increasing use of telemedicine in veterinary practices. This proposal was developed by considering the American Veterinarian Medical Association (AVMA) and the American Association of Veterinary State Boards (AAVSB) policies regarding telemedicine.

Telemedicine is currently authorized under BPC section 686 for all health care practitioners licensed under Division 2 of the BPC, which includes veterinarians. However, that section makes practitioners subject to certain requirements under the Medical Practice Act, which does not generally apply to veterinary services. This proposal defines “telemedicine” for veterinary purposes and states that it can be used as a delivery of health care services only after a VCPR has been established in person. Without the prior establishment of this relationship, a veterinarian is unable to provide the appropriate level of care and diagnosis needed to assist the animal patient effectively.

###### Anticipated Benefits of Proposed Regulatory Action

The proposal will provide appropriate restrictions on the provision of telemedicine by clarifying the requirements to establish a VCPR before providing telemedicine. By requiring a veterinarian to have personally examined the animal patient and documented the animal’s medical history as part of establishing the VCPR before providing telemedicine services, the animal patient will receive better care if the consumer needs to communicate with the veterinarian via electronic or telephonic communication following in-person examination. Accordingly, this regulatory proposal promotes the safety of animals and the public by regulating telemedicine treatment. The proposal will also provide appropriate guidelines for providing telemedicine, which will benefit veterinarians who implement telemedicine services into their practice.

##### C. Consistency and Compatibility with Existing State Regulations

While there are multiple CCRs and federal regulations that deal with human telemedicine, the Board has determined this proposal would be the only state regulation that deals with the subject area of animal telemedicine. The Board has evaluated this regulatory proposal and found that it is neither inconsistent nor incompatible with existing state regulations.

FISCAL IMPACT ESTIMATES

**Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State:** None.

**Nondiscretionary Costs/Savings to Local Agencies:** None.

**Local Mandate:** None.

**Cost to Any Local Agency or School District for Which Government Code Sections 17500–17630 Require Reimbursement:** None.

**Business Impact:**

The Board has made the initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. As noted in the public comment at the Board’s July 19–20, 2011 meeting by Larry Cowgill, DVM, and Frank La Borte of the University of California, Davis, School of Veterinary Medicine, an interested party of this proposal, the VCPR regulation currently prohibits veterinarians from providing consultative services, rendering any treatment, or ordering/administering any drug or appliance directly via telemedicine due to the in-person examination requirement (See Table D.2. Underlying Data). This proposal would authorize the provision of telemedicine and provide guidelines for veterinarians to follow when offering telemedicine services. As such, the Board expects the proposed regulation to increase the delivery of telemedicine. In the event an individual is already providing telemedicine services prior to establishing a VCPR, the individual would be in violation of existing regulation. Accordingly, the Board does not anticipate an adverse economic impact on businesses and individuals that are currently complying with the law.

**Cost Impact on Representative Private Person or Business:**

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**Effect on Housing Costs:** None.

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulations may affect small businesses. The proposed regulations would authorize and regulate telemedicine and allow veterinary practices to implement this service into their business. The Board anticipates that telemedicine

will provide a positive impact on small business overall. After the VCPR has been established, the proposal would allow veterinarians to provide additional services, which may lead to an increase in business.

RESULTS OF ECONOMIC IMPACT ASSESSMENT/ANALYSIS

**Impact on Jobs/Businesses:**

The Board has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses, or the elimination of jobs or existing businesses, or the expansion of businesses in the State of California.

**Benefits of Regulation:**

The Board has determined that this regulatory proposal will have the following benefits to the health and welfare of California residents, worker safety, and the state’s environment:

- The regulatory proposal benefits the health and welfare of California residents because the proposed regulation will provide clarification regarding the use of telemedicine services in veterinary practice, as well as further defining how a VCPR is established. By implementing these regulations, the Board seeks to ensure that consumers and their animals are provided with safe and effective veterinary care.
- This regulatory proposal focuses on identifying the parameters of the veterinarian–client–patient relationship and does not affect worker safety.
- This regulatory proposal focuses on identifying the parameters of the VCPR and does not affect the state’s environment.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered or has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposal described in this Notice, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

Any interested person may submit comments to the Board in writing relevant to the above determinations at 1747 North Market Blvd., Suite 230, Sacramento, California 95834.

**INITIAL STATEMENT OF  
REASONS AND INFORMATION**

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

**TEXT OF PROPOSAL**

Copies of the exact language of the proposed regulations, and any document incorporated by reference, and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained upon request from the Board at 1747 North Market Blvd., Suite 230, Sacramento, California 95834.

**AVAILABILITY AND LOCATION  
OF THE FINAL STATEMENT OF  
REASONS AND RULEMAKING FILE**

All the information upon which the proposed regulations are based is contained in the rulemaking file which is available for public inspection by contacting the person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below or by accessing the website listed below.

#### AUTHORITY AND REFERENCE

Government Code sections 4216.11 and 4216.22 authorize the Board to adopt the proposed regulations. The proposed regulations implement, interpret, clarify, and make specific sections 4216, 4216.1, 4216.3, 4216.4, 4216.6, 4216.10, 4216.12, 4216.16, 4216.19, and 4216.24 of the Government Code.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

This rulemaking action implements, interprets, clarifies, and makes specific investigation of possible violations and enforcement of article 2, chapter 3.1, division 5, of title 1 of the Government Code (“Dig Safe Law”), and onsite meeting and agreement requirements for areas of continual excavation near high priority subsurface installations.

##### Summary of Existing Laws:

Pursuant to Government Code section 4216.12, subdivision (b), the Board must investigate possible violations of the Dig Safe Law and, commencing July 1, 2020, enforce the Dig Safe Law on persons under its jurisdiction. Following a recommendation by the Board, the Dig Safe Law may also be enforced by the Registrar of Contractors of the State License Board (“CSLB”), the Public Utilities Commission (“PUC”), or the Office of the State Fire Marshal (“OSFM”), which must act to accept, amend, or reject the Board’s recommendation. (Gov. Code, § 4216.6.)

On or before January 1, 2020, the Board is required to adopt regulations to establish minimum elements for an onsite meeting and a mutually agreed upon plan described in Government Code section 4216.10, subdivi-

sion (c)(1), for areas of continual excavation. (Gov. Code, § 4216.11.)

The Board is authorized under Government Code section 4216.22 to prescribe the rules and regulations as may be necessary or proper to carry out the purposes and intent of the Dig Safe Act of 2016 (SB 661, Chapter 809, Statutes of 2016) (the “Act”) and to exercise the powers and duties conferred upon the Board by the Act.

##### Summary of Regulations:

The Board is proposing to add sections 4000 through 4361 under California Code of Regulations, Title 19, Division 4, Chapters 1 through 4, prescribing the rules and regulations pursuant to Government Code sections 4216.11 and 4216.22. The regulations proposed in this rulemaking action would establish definitions for certain terms used in the proposed regulations, investigation and enforcement processes, and onsite meeting and agreement requirements for areas of continual excavation near high priority subsurface installations.

##### Summary of Effect:

The proposed regulations will require members of regional notification centers to maintain valid and current contact information with the appropriate regional notification center; require regional notification centers to provide updated contact information for their members to the Board upon request; require excavators to notify the appropriate regional notification center of certain types of damages to subsurface installations; require regional notification centers to transmit the damage notifications to the Board; establish investigation and enforcement processes, including types of sanctions, of the Dig Safe Law on excavators and operators; and establish requirements for excavators and operators for onsite meetings and agreements for areas of continual excavation near high priority subsurface installations.

##### Comparable Federal Regulations or Statutes:

There are no comparable federal regulations or statutes.

##### Objective and Anticipated Benefits of the Proposed Regulations:

The objective of the proposed regulations is to prevent damage to subsurface installations, which may cause injury, fatality, and damage to other property or the environment, by establishing investigation and enforcement processes, and onsite meeting and agreement requirements for areas of continual excavation near high priority subsurface installations. The specific benefits anticipated from the proposed regulations include increased safe excavation practices near subsurface installations through investigations of possible violations of the Dig Safe Law, and enforcement of the Dig Safe Law.

Evaluation of Inconsistency/Incompatibility with Existing State Regulations:

The Board has determined that the proposed regulations are not inconsistent or incompatible with existing regulations. After conducting a review for any regulations that would relate to or affect this area, the Board has concluded that the proposed regulations are the only regulations that concern investigation and enforcement processes under the Dig Safe Law, and onsite meeting and agreement requirements for areas of continual excavation near high priority subsurface installations.

Documents Incorporated by Reference:

The following forms are incorporated by reference in the text of the proposed regulations:

1. Area of Continual Excavation Agreement — Agricultural Operations (Form No. ACE Agreement 01 (07-01-2020)); and
2. Area of Continual Excavation Agreement — Flood Control Facilities (Form No. ACE Agreement 02 (07-01-2020)).

OTHER MATTERS PRESCRIBED BY STATUTE APPLICABLE TO THE AGENCY OR ANY SPECIFIC REGULATION OR CLASS OF REGULATIONS

There are no other matters prescribed by statute applicable to the Board, or to any specific regulation. There are no other matters to identify.

DISCLOSURES REGARDING THE PROPOSED ACTION

The Board has made the following initial determinations:

1. Mandate on local agencies and school districts: **None.**
2. Cost or savings to any state agency: Although the proposed action will directly affect a state agency that is an excavator or operator, the Board concludes that any cost will not be significant. Costs depend on a state agency’s violation of the Dig Safe Law. A state agency, which is an excavator or operator, that negligently violates the Dig Safe Law is subject to a monetary fine of up to \$10,000; or knowingly and willfully violates the Dig Safe Law is subject to a monetary fine of up to \$50,000. (Gov. Code, § 4216.6.)
3. Cost to any local agency or school district that must be reimbursed in accordance with Government Code sections 17500 through 17630: **None.**

4. Other nondiscretionary cost or savings imposed on local agencies: **None.**
5. Cost or savings in federal funding to the state: **None.**
6. Significant statewide adverse economic impact directly affecting businesses and individuals: Although the proposed action may have an impact on businesses statewide that are excavators or operators, including such small businesses, the Board concludes that the adverse economic impact, including the ability of California businesses to compete with businesses in other states, will not be significant.

**DECLARATION OF EVIDENCE**

The Board has not relied on any other facts, evidence, documents, testimony or other evidence to make its initial determination of no statewide adverse economic impact.

7. Significant effect on housing costs: **None.**
8. Cost impacts on a representative private person or business: Costs depend on the private person’s or business’s violation of the Dig Safe Law. A private person or business that is an excavator or operator, that negligently violates the Dig Safe Law is subject to a monetary fine of up to \$10,000; or knowingly and willfully violates the Dig Safe Law is subject to a monetary fine of up to \$50,000. (Gov. Code, § 4216.6.)

RESULTS OF THE ECONOMIC IMPACT ANALYSIS/ASSESSMENT

The Board concludes that it is (1) unlikely that the proposed regulations will eliminate any jobs, (2) unlikely that the proposed regulations will create jobs, (3) unlikely that the proposed regulations will create new businesses, (4) unlikely that the proposal will eliminate any existing businesses, and (5) unlikely that the proposed regulations will result in the expansion of businesses currently doing business within the state.

*Benefits of the Proposed Action:* The proposed regulations will benefit California residents by preventing damage to subsurface installations, which may cause injury, fatality, and damage to other property or the environment, by establishing investigation and enforcement processes, and onsite meeting and agreement requirements for areas of continual excavation near high priority subsurface installations.

SMALL BUSINESS DETERMINATION

The Board has determined that the proposed regulations may affect small businesses that own, operate, or maintain subsurface installations; and small businesses

that perform excavation or excavation related activities near subsurface installations.

### BUSINESS REPORT

The proposed regulations create a reporting requirement on excavators to notify the appropriate regional notification center of certain damages to subsurface installations. Regional notification centers are then required to transmit the notification to the Board. The reporting requirement is necessary to inform the Board of damages causing fatalities, serious injuries, or damages to certain types of subsurface installations with greater risk of harm to the public if damaged. The Board's investigators must be notified of these damages to determine if an investigation is necessary and if so, investigate the site of the damage as soon as possible to gather evidence.

### CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Board must determine that no reasonable alternative considered by the Board or that has otherwise been identified and brought to the attention of the Board would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Board invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations during the written comment period.

**CESA CONSISTENCY DETERMINATION  
REQUEST FOR  
Campus Park West Project  
2080-2019-006-05  
San Diego County**

The California Department of Fish and Wildlife (CDFW) received a notice on May 7, 2019 that Pappas Investment proposes to rely on a consultation between federal agencies to carry out a project that may adversely affect a species protected by the California Endangered Species Act (CESA). The proposed project involves construction of commercial and residential development, and associated infrastructure on 73.9 acres of the 118.6-acre project site. The project also includes the preservation of 31.0 acres as biological open space. The proposed project site is located east of the Interstate 15 and State Route 76 interchange in unincorporated San Diego County, California.

The U.S. Fish and Wildlife Service (Service) issued a federal biological opinion (Service Ref. No. FWS-SD-13B0209-19F0121) in a memorandum to the U.S. Army Corps of Engineers on March 29, 2019, which considered the effects of the proposed project on the least Bell's vireo (*Vireo bellii pusillus*) and southwestern willow flycatcher (*Empidonax traillii extimus*), both of which are state and federally endangered.

Pursuant to California Fish and Game Code section 2080.1, Pappas Investment is requesting a determination that the BO and its associated ITS are consistent with CESA for purposes of the proposed project. If

CDFW determines the BO and its associated ITS are consistent with CESA for the proposed project, Pappas Investment will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) for the proposed project.

**DEPARTMENT OF

**FISH AND GAME CODE SECTION 1653  
CONSISTENCY DETERMINATION  
REQUEST FOR  
Parks Creek Fish Passage and  
Cardoza Ranch Efficiency Project  
(Tracking Number: 1653-2019-033-001-R1)  
Siskiyou County**

California Department of Fish and Wildlife (CDFW) received a Request to Approve on May 3, 2019, that California Trout proposes to carry out a habitat restoration or enhancement project pursuant to Fish and Game Code section 1653. The proposed project involves relocating the point of diversion, re-plumbing the ranch to irrigate from the new point of diversion with an on-channel fish screen, and replacing the existing crossing on Parks Creek with a partially buried box culvert. The proposed project will be carried out on Parks Creek, located at 3710 East Louie Road, Montague, Siskiyou County, California.

On February 28, 2019, the North Coast Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) to comply with the terms of, and obtain coverage under, the General 401 Water Quality Certification Order for Small Habitat Restoration Projects (General 401 Order) for the Parks Creek Fish Passage and Cardoza Ranch Efficiency Project. The Regional Water Board determined that the Project, as described in the NOI, was categorically exempt from California Environmental Quality Act (CEQA) review (section 15333 — Small Habitat Restoration Projects) and met the eligibility requirements for coverage under the General 401 Order. The Regional Water Board issued a Notice of Applicability (WDID No. 1A190018WNSI; ECM PIN No. CW-856912) for coverage under the General 401 Order on April 11, 2019.

California Trout is requesting a determination that the project and associated documents are complete pursuant to Fish and Game Code section 1653 subdivision (d). If CDFW determines the project is complete, the District will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) or a Lake or Streambed Alteration Agreement under Fish and Game Code section 1605 for the proposed project.

In accordance with Fish and Game Code section 1653 subdivision (e), if CDFW determines during the review, based on substantial evidence, that the request is not complete, California Trout will have the opportunity to submit under Fish and Game Code section 1652.

**DEPARTMENT OF

FISH AND GAME CODE SECTION 1653  
CONSISTENCY DETERMINATION  
REQUEST FOR  
South Fork Elk River  
Debris Jam Barrier Modification  
(Tracking Number: 1653-2019-034-001-R1)  
Humboldt County

California Department of Fish and Wildlife (CDFW) received a Request to Approve on May 5, 2019, that the Bureau of Land Management (BLM) proposes to carry out a habitat restoration or enhancement project pursuant to Fish and Game Code section 1653. The proposed project involves the annual removal or shifting of select secondary pieces of large wood using hand tools and work crews with subsequent monitoring to assess fish passage. The proposed project will be carried out on the South Fork Elk River, located within the Headwaters Forest Preserve in Humboldt County, California.

On February 19, 2019 the North Coast Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) to comply with the terms of, and obtain coverage under, the General 401 Water Quality Certification Order for Small Habitat Restoration Projects (General 401 Order) for the South Fork Elk River Debris Jam Barrier Modification. The Regional Water Board determined that the Project, as described in the NOI, was categorically exempt from California Environmental Quality Act (CEQA) review (section 15333 — Small Habitat Restoration Projects) and met the eligibility requirements for coverage under the General 401 Order. The Regional Water Board issued a Notice of Applicability (WDID No. 1B190014WNHU; ECM PIN No. CW-856878) for coverage under the General 401 Order on April 2, 2019.

BLM is requesting a determination that the project and associated documents are complete pursuant to Fish and Game Code section 1653 subdivision (d). If CDFW determines the project is complete, the District will not be required to obtain an incidental take permit under Fish and Game Code section 2081 subdivision (b) or a Lake or Streambed Alteration Agreement under

Fish and Game Code section 1605 for the proposed project.

In accordance with Fish and Game Code section 1653 subdivision (e), if CDFW determines during the review, based on substantial evidence, that the request is not complete, BLM will have the opportunity to submit under Fish and Game Code section 1652.

**DEPARTMENT OF PUBLIC HEALTH**

**TITLE:** PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT (PHHSBG) STATE PLAN FOR FEDERAL FISCAL YEAR (FFY) 2019

**ACTION:** NOTICE OF ADVISORY COMMITTEE MEETING FOR FFY 2019 STATE PLAN

**SUBJECT:** Notice is given that the Preventive Health and Health Services Block Grant (PHHSBG) Advisory Committee (AC) will meet on Tuesday, June 4, 2019 from 1:00 p.m. to 3:00 p.m. PDT to discuss the approval of the PHHSBG State Plan, California's application for Federal Fiscal Year (FFY) 2019.

The Centers for Disease Control and Prevention anticipates making funds available to the California Department of Public Health (CDPH) to support public health infrastructure, address emerging health issues, maintain emergency medical services, and optimize the health and well-being of the people in California. The purpose of the AC Meeting is to obtain feedback and AC approval of the FFY 2019 PHHSBG State Plan, which identifies all program activities that will be funded during State Fiscal Year 2019-20 (July 1, 2019-June 30, 2020).

**NOTIFICATION:** Notice is hereby given that CDPH will hold an AC Meeting commencing at 1:00 p.m. and ending at 3:00 p.m. PDT on Tuesday, June 4, 2019 in Room 74.553 (Cosumnes River Round Conference Room), 1616 Capitol Avenue, Sacramento, California, at which time the AC will discuss and receive comments on the FFY 2019 State Plan. Members of the public are invited to attend this meeting, provide oral comments during the meeting, and/or written comments after the meeting.

Any person may present statements or arguments orally or in writing relevant to the action described in this notice. If you plan to attend the AC Meeting in person, please bring government issued photo identification so the security guard can admit you into the building.

**WEBINAR INFORMATION:** Attendees may choose to attend the AC Meeting via webinar rather

than attending in person. Please register at: <https://global.gotomeeting.com/join/261716037>. It is highly recommended that attendees register early. After registering, you will receive a confirmation e-mail containing information about joining the webinar. **Please contact (916) 552-9900 if you experience technical difficulties.**

**AGENDA:** The Agenda will be available for review at 1616 Capitol Avenue, Sacramento, California, from 9:00 a.m.–6:00 p.m. PDT, from May 24, 2019 through June 4, 2019. The Agenda will also be available on the following website: [The California Department of Public Health](http://The California Department of Public Health) from 9:00 a.m. PDT–6:00 p.m. PDT, May 24, 2019 through June 4, 2019.

**AVAILABILITY OF INFORMATION FOR REVIEW:** Notice will be made available in appropriate alternative formats, upon request by any person with a disability as required by Section 202 of the Americans with Disabilities Act of 1990 (42 USC Sec 12132), and the applicable federal rules and regulations. CDPH ([PHHSBG@cdph.ca.gov](mailto:PHHSBG@cdph.ca.gov)) must receive requests for information by May 28, 2019.

**WRITTEN STATEMENTS:** The CDPH — Chronic Disease Control Branch must receive any written statements or arguments by 5:00 p.m. on June 5, 2019, which is hereby designated as the close of the written comment period. Submit written statements or arguments via e-mail to [PHHSBG@cdph.ca.gov](mailto:PHHSBG@cdph.ca.gov) no later than 5:00 p.m. on June 5, 2019. With any inquiries, please identify the action by using the Department Control letters “PHHSBG” in the Subject Line of the e-mail.

**CONTACT:** Direct inquiries concerning the action described in this notice to Rebecca Horne at (916) 552-9899; [Rebecca.Horne@cdph.ca.gov](mailto:Rebecca.Horne@cdph.ca.gov) or the PHHSBG Team at (916) 552-9900 or [PHHSBG@cdph.ca.gov](mailto:PHHSBG@cdph.ca.gov).
